The Grand Master presented our Past Grand Masters who were present, namely: M.W. Bros. Ronald E. Groshaw, Terence Shand, Donald H. Mumby, Gary L. Atkinson, Allan J. Petrisor, D. Garry Dowling, Donald A. Campbell and John C. Green. Grand Honours were given.

**ADDRESS OF WELCOME TO GRAND LODGE**

W. Bro. Reynaldo A. Faraon Jr., Master of Ionic Lodge No. 229, Toronto West District, delivered the Address of Welcome, which was responded to by M.W. Bro. Paul E. Todd, Grand Master.

**MINUTES**

The Grand Secretary proceeded to read the Minutes of the last meeting held in Toronto, on July 19, 2017, when it was moved by M.W. Bro. A. J. Petrisor, seconded by M.W. Bro. John C. Green, and resolved: That inasmuch as the Minutes of the last Annual Communication held in Toronto have been printed and distributed to all constituent lodges the same be now taken as read and confirmed.

**RULES OF ORDER**

As the Grand Secretary read the Rules of Order as prescribed by the Constitution of Grand Lodge, it was moved by M.W. Bro. Gary L. Atkinson, seconded by M.W. Bro. Ronald E. Groshaw, and resolved: That the Order of Business of this Annual Communication be changed at the discretion of the Grand Master.

M.W. Bro. Paul. E. Todd announced that R.W. Bro. F. Halpern had accepted the request to serve as parliamentarian, and any controversial constitutional problems that may arise would be decided by Bro. Halpern.

**GRAND MASTER'S ADDRESS****Paul E. Todd****July 2018**

To the Officers and Members of the Most Worshipful Grand Lodge of A.F. & A.M. of Canada, in the Province of Ontario.

Brethren:

Good Morning

I welcome all of you to the 163<sup>rd</sup> Annual Communication to our Grand Lodge here in Toronto. I extend a special welcome to all our guests who have travelled from all over North America to be with us and I hope you have an enjoyable and informative stay.

To the Masons of Ontario, from the entered apprentice Mason to the Past Grand Masters, I as Grand Master take this moment to extend to all of you my personal thank you for your dedication and devotion to our gentle Craft. Your Grand Master has had an enjoyable, however somewhat challenging year, all of which I hope will be presented in the following report. It is however my wish that at the end of this communication we will leave this place unified, strengthen in our resolve and that we remember every day in word and deed our fundamental principles of Brotherly Love, Relief and Truth.

**NECROLOGY**

Each year we pause and reflect on those who have laid down their tools in the quarries of Freemasonry with work well done. We reflect and remember their contribution to their family, their Lodge, their community and cherish their memories in our hearts.

**M.W. Bro. William Russel Pellow****Past Grand Master – 1987-1989**

A native of Chapleau, Ontario, M.W. Bro. Pellow received his early education in Chapleau and then at Albert College in Belleville. He began his working career with the Canadian Pacific Railway, eventually becoming a locomotive Engineer.

M.W. Bro. Pellow then decided to take a different career path by attending Queens University in Kingston and the University of Toronto where he received his Doctorate in Dentistry. He practiced Dentistry in London for a number of years as well as lecturing within the Dental faculties at Queens University and the University of Western Ontario.

Dr. Pellow originally joined Lorne Lodge No. 622 in Chapleau where he eventually become Junior Deacon. He left Lorne to pursue his education and a few years later affiliated with Ionic Lodge No. 716 in London, assuming the Chair of King Solomon in December 1971.

Appointed to the Board of General Purposes in 1980 he was subsequently elected to the Board in 1982 and again in 1984. He served on a number of Committees and was Chair of Masonic Education in his final year on the Board. He was elected Deputy Grand Master at the annual Communication in 1985 and was elected Grand

Master on July 16, 1987. His years as Grand Master were characterized by his tremendous energy and devotion to the Craft.

M.W. Bro. Pellow was the representative to the Grand Lodge of Ireland and was a member of the Royal Order of Scotland, the Ancient and Accepted Scottish Rite of Freemasonry and Royal Arch Freemasonry. He was a Past Potentate of Mocha Shrine in London. In addition he was a commuted life member of 15 other lodges and an affiliated member of 7 lodges within this jurisdiction.

A true “son of the North”, Dr. Pellow’s commitment to Freemasonry and his desire to place our public persona in the best light possible were the legacies of his service.

### **M.W. Bro. Charles Edwin Drew**

### **Past Grand Master – 1993-1995**

M.W. Bro. Drew was born and educated in England and served with the Royal Naval Air Service before coming to Canada in 1951, where he was employed by the Avro Aircraft Company working on the Avro Arrow project until 1959. He then began his career with the Allstate Insurance Company in Markham.

He was sponsored by his Father into Georgina Lodge No. 343 in 1955 where he was initiated, passed and raised. He served as Worshipful Master in 1972 and was elected District Deputy Grand Master of Toronto District 3 in 1976. He was also a Charter Member of Heritage Lodge No. 730 serving as Worshipful Master in 1985. In addition he was a Charter Member of the Heritage Masonic Corporation and Chairman of the Black Creek Pioneer Village project.

M.W. Bro. Drew was a member of the Board of General Purposes from 1985 until 1991 when he was elected Deputy Grand Master. In 1993 he was elected our sixty-sixth Grand Master. Following his term as Grand Master he became the Custodian of the Work serving faithfully in that office until 2006. M.W. Bro. Drew was responsible for initiating the very successful Lodges of Instruction which toured this jurisdiction proving advice and instruction to lodge members on the proper Mechanics of the Work.

M.W. Bro. Drew held Honorary Life membership in a number of lodges. He was an active member of Royal Arch Freemasonry; served as the Active Member for the Toronto Valley of the Ancient and Accepted Scottish Rite of Freemasonry; and held membership in the Royal Order of Scotland; Holy Land Conclave of the Red Cross of Constantine; Rameses Temple of Shrine International; The Philalethes Society; York Council No. 133, Allied Degrees and the Quatuor Coronati Correspondence Circle.

M.W. Bro. Drew was the Grand Representative of the Grand Lodge of New York, near this Grand Lodge.

M.W. Bro. Drew was always a voice of moderation and wise counsel. The impact his kindness and willingness to serve others has made on Masons of all ages will long be felt and remembered.

### **R.W. Bro George Robert Clauson**

### **Grand Organist 2017**

George Robert Clauson was initiated in Lodge of Fidelity Lodge No. 231 in September 19, 1967. He served as Worshipful Master of that lodge in 1977. He was elected District Deputy Grand Master of Ottawa District One in 1997. He affiliated with Luxor Daylight Lodge No. 741 in 1997, and St. Andrew’s Lodge No. 560 in 2010.

He was a Past Patron Success Chapter, President of the Walkley Masonic Corporation, Honorary Inspector General Scottish Rite, Ceremonial Potentate Tunis Temple, grand parent, he was a long standing friend, and a mentor in general to the Masons of the Ottawa Valley and in particular this Grand Master.

### **Bro. Gordon Keith Brown**

Gordon Keith Brown was Initiated in Leeds Lodge No. 201, on March 6, 1997, Passed on April 2, 1997, and raised on January 27, 1998.

Gord was a Canadian Champion paddle rower and a strong local supporter of the Gananoque Canoe Club, a Member of Parliament who was respected by members of all political parties. He was first elected as 2004 and served proudly until his passing.

### **PAST RANK**

Pursuant to Section 73 Book of Constitution, I recommend that rank of Past Master be conferred upon the following brethren who was unable to serve 12 months as Worshipful Master.

- **W. Bro. David Mason**, Todmorden Lodge No. 647, Toronto
- **W. Bro. George Brown**, Richmond Lodge No. 23, Richmond Hill

### **WILLIAM MERCER WILSON MEDAL**

The following words are from the ceremony of presenting the William Mercer Wilson Medal and it best describes all recipients.

The William Mercer Wilson Medal is awarded to a Brother who ‘quietly and modestly moves in the sphere of his life’ without expectation of recognition or reward. His dedication to his lodge, his church or synagogue, and his community is demonstrated in a variety of ways that go beyond the basic duties of a member. The recipient, for a diversity of reasons has not served his lodge as Worshipful Master, choosing to play a supporting role in the lodge.

His selfless contributions for the greater good have added much to the fraternal atmosphere of the lodge.

The William Mercer Wilson Medal is considered the most prestigious award given in this Grand Jurisdiction. Since its inception it has been awarded to an elite group of Brethren within our Grand Lodge.

Last year’s Awards committee on July 19, 2017 using the most stringent guidelines had chosen the following Brethren and I was proud to present.

- **Norman G. Lapointe**, Simpson Lodge No. 157
- **David Bernard Arnold**, Scott Lodge No. 421
- **Kenneth Earl Jewitt**, Hatherly Lodge No. 625
- **Lawrence Grant Boundy**, Kempenfeldt Lodge No. 673

**GRAND MASTER MERITORIOUS SERVICE AWARD**

This year as in past years your Grand Lodge has been blessed with many dedicated, hardworking Masons who work behind the scenes for Freemasonry. They give of their time and talent with little or no recognition. It is my pleasure to announce that the following three Brethren will receive this most prestigious award this year.

- R.W. Bro. Sam Kalinowsky**, Defenders Lodge No. 590
- R.W. Bro. Peter Matijek**, Doric Lodge No. 623
- R.W. Bro. John David Bell**, Algonquin Lodge No 536

**APPOINTMENTS**

In accordance with Section 131(e) of the Book of Constitution, I am pleased to announce with pleasure and acknowledge the time, talent and proficiency of **R.W. Bro. Fred Halpern** for re-appointment as an Honorary Member of the Board of General Purposes for another three year term.

**RECOGNITION OF 100 YEARS OF SERVICE**

In accordance with Section 394 of the Book of Constitution of Grand Lodge, I am pleased to grant permission to the following lodges to wear gold braided regalia, effective the dates indicated.

- Abitibi Lodge No. 540, Timmins on January 8, 2018
- Mosaic Lodge No. 559, Thornhill on December 15, 2019

**GRAND REPRESENTATIVES**

I am pleased to accept the following brother as our Grand Representative near other Grand Lodges on the recommendation of their respective Grand Masters:

- Texas Joe Vaughn Pool

I am pleased to recommend to the Grand Masters of their respective Grand Lodges the following worthy brethren as Grand Representative of their Grand Lodge near our Grand Lodge.

**LODGE DEDICATIONS & CONSECRATIONS**

I am very pleased to have the opportunity to attend and participate in the following dedications and consecration in our Grand Jurisdictions.

**September 21, 2017**

The consecration of the second True Observance Lodge in Ontario at Stratford Templus Lucis Lodge No. 747.

**October 4, 2017**

The consecration and re-establishment of Masonry in Parry Sound Goodfellows Lodge No. 748.

**June 12, 2018**

The re-dedication of Weston Temple after a criminal act which saw the basement completely burnt out and heavy smoke damage to the Lodge room.

**AMALGAMATIONS**

Every year Lodges decide it is in their best interest to amalgamate for the betterment of Masonry, this year was no exception with the following amalgamations.

**December 13, 2017**

Amalgamation of Doric Lodge No. 289 & St. John's Lodge No. 81 in London West District into Rising Star No. 81.

**May 26, 2018**

Amalgamation of Algonquin Lodge No. 536 and Sudbury Lodge No. 658 in Sudbury-Manitoulin District into City of Lakes Lodge No. 536.

**SPECIAL THANKS**

I would like to take the time of this Grand Lodge to say thank you to several outstanding Brethren who have served this Grand Lodge this year and past years.

**R.W. Bro. John Matthew Forster**, who has served this Grand Lodge as a member of the Board of General Purposes and Chairman of the Blood Donors Committee has indicated he will step down this year. John, I thank you for your years of devoted service and wish you good health and more days which you can say "this is the best day of my life."

**R.W. Bro. The Reverend Blair R. Paterson**, *The Grand Chaplain*, has served this Grand Lodge in many ways, he has travelled extensively across this Grand Jurisdiction during this past year, participating in official ceremonies of this Grand Lodge, attending District Church services and always bring his faith, his smile and his gentle ways to the Brethren of this Grand Lodge.

**R.W. Bro. Edward Charles Denbeigh**, *The Grand Director of Ceremonies*, has taken the duties of his position to a new height. He recognize early on that he could make personal contact with the organizer of events and given them direction and take the “mystery” out of the arrangements necessary for a reception, a formal Grand Lodge ceremony and a fraternal visit. Gloria and I have travelled with Wendy and Ed many hundreds of kilometers together and we look forward to the upcoming year.

**V.W. Bro. Daniel Lee Richter**, *Asst. Grand Director of Ceremonies*, carried out his duties pertaining to his office whenever called upon whether assisting or directing the ceremonies of Grand Lodge. I appreciated his efforts and enjoyed his company.

**V.W. Bro. Brian A. Arnold**, *The Grand Piper*, has fulfilled his duties with great enthusiasm, distinction and very large toasting cup. The Grand Piper has travelled across Ontario to serve his Grand Lodge and I must acknowledge how pleased it was as a former fire-fighter for to have a Deputy Fire Chief as the Grand Piper. Brother Grand Piper will perhaps agree with me, that one of our highlights of the year was when he shared his duties with a well adorn senior Scotsman by the name of “killer” who was known as a ladies man in Waterloo District.

I further acknowledge **R.W. Bro. Thomas Wallace Hogeboom**, *The Grand Treasurer* for all his work regarding the financial matters of this Grand Lodge and has through his advice and guidance successfully held the line on raising the assessment to the Lodges of this Grand Jurisdiction for the last five years.

*The Grand Senior Warden*, **R.W. Bro. Nicholas Pawluch**, *The Grand Junior Warden*, **R.W. Bro. Elito Lim** along with *The Grand Registrar*, **R.W. Bro. Dennis Saikaley** have this year undertaken the duties of their respective offices with dignity and attachment and at the same time enjoying a great deal of camaraderie as they travel this Grand Jurisdiction.

I also acknowledge and thank the forty two District Deputy Grand Masters who served the several Districts of this Grand Lodge.

Although I wasn't able to visit all Districts, the Districts that were on my agenda treated myself with respect and were forthright in giving their opinions.

I trust you enjoyed your year as short as it was and to those who will be repeating a second year, I know you will enjoy the experience as a seasoned veteran.

I extend to each of you my personal thank you and congratulate you for a job well done.

To the members of the Board of General Purposes who give of your time, your talent and finances.

I thank you for all your support and I would want you to know that all your efforts have not gone unnoticed as you crisscross this vast Grand Jurisdiction bringing the programs of our Grand Lodge to the Brethren whether in seminars, workshops or one on one training, for all of this I say thank you.

To the five members on the Management committee who oversaw the work of the committees of this Grand Lodge, I say thank you for sharing your honest opinion, your recommendation to the Grand Master and your hours of work to insure timely execution of project and files to insure another successful year of our gentle craft.

## PAST GRAND MASTERS

The Past Grand Masters are the keepers of the corporate knowledge of this Grand Lodge.

In the formation of the Management Committee on or about August of 1997 the mandate for that committee recommended the following; that the minutes of the Management Committee and the attendance of the Past Grand Masters at the Management Committee be part of the mandate. This year, I authorized the completion of that mandate.

A representative chosen by the Past Grand Masters themselves attends each Management meeting with no voting rights however he is encouraged to participate when asked or when he feels a comment is necessary.

The minutes of the Management meeting are distributed to all Past Grand Masters. This initiative has proven very successful and I recommend its continuation in the future.

I have been faced with a couple of what can be best described as worrisome situations and I have called on the Past Grand Masters' for their knowledge and advice. The Past Grand Masters have always provided frank insight, sound advice and have volunteered to lead and be part of several Ad-Hoc committees.

At the several especial Past Grand Masters meetings this year every effort including tele-conference was used to make sure the Past Grand Masters of this Grand Jurisdiction were able to participate with their advice.

The Past Grand Masters are one of two advisory groups which have guided me through my first term, the other group is the Management committee and I look forward to working with them in the upcoming Masonic year.

## AD-HOC COMMITTEES

An ad hoc committee under the Chairmanship of **M.W. Bro. D. H. Mumby** and consisting of **M.W. Bro's. D. Garry Dowling** and **John C. Green** was formed and charged to bring forth recommended Constitutional guidelines for the Creation of the Position of Office Manager. At the same time they were asked to formulate guidelines for the advertising of this position, subsequent interviews of all applicants and to bring forth recommendations relative to remuneration levels and overall duties and responsibilities for the Office Manager.

This ad hoc Committee was also asked to put forth recommended Constitutional amendments covering changes in the duties and responsibilities of both the Grand Secretary and the Office Manager.

Recommendations of this Committee have been received and acted upon.

## MOTORCYCLE RIDING CLUB

I begin by stating clearly that the Grand Lodge of Canada in the Province of Ontario does not recognize any motorcycle riding club and or associations.

I further state that under registration number TMA881,232 issued by the office of the Canadian Intellectual Property Office that the Square & Compasses listed in the Constitution of the Grand Lodge of Canada in the Province of Ontario Section 3.1 is trade-marked until July 4, 2029.

On September 26, 2017, I met with representatives of a Motorcycle Riding Association that uses our trademark Square & Compasses on a patch worn on the front of their uniform. At the meeting the representatives verbally agreed to remove the patch but this verbal agreement was subsequently rejected by the membership.

At their request we met again on February 6, 2018, and I am pleased to say we both agreed to and signed an agreement to remove the Square & Compasses Patch thereon. It was further agreed not to use the Square & Compasses on Banners, Website, printed material etc. Finally it was agreed that no Degree Teams formed and composed of members of this riding association would appear in any lodges within this jurisdiction.

I received notification that on February 17, 2018 via e-mail that the membership of the Motorcycle Riding Club was “favourable to complying with the agreement.” At this time no further action is contemplated regarding this concern.

### **CONFERENCES**

I and Lady Gloria had the pleasure of attending the 2018 Conference of Grand Masters of Masons in North America in Indianapolis Indiana which was chaired by M.W. Bro. Jeffrey M. Williams of New York starting on Saturday February 17, 2018 and ending on February 20, 2018.

The conference started with a social event on Saturday with an indoor tailgate party where every delegate and their ladies were encouraged to wear their favourite “team sweater” and yes we both wore Ottawa Senator proudly.

The opening ceremonies were done with the usual pomp and ceremony along with reports of committees including the Time & Place committee of which I have been a member for several years.

The break out groups which followed often draw the most interest and by my count nearly twenty subjects were covered, three of the most popular being Millennial Apprentices-the next revolution, Social media and Masonic renewal.

I found this a very enjoyable, informative conference where education on many subjects ensured that you made a daily advancement in Masonic knowledge.

At the same time the 2018 Conference of Grand Secretaries of Masons in North America was held under the leadership of our own Grand Secretary M.W. Bro. Terence Shand and by all reports it was considered to be a great success.

### **ALL CANADA CONFERENCE**

I along with the Deputy Grand Master and Grand Secretary attended the Conference of Grand & District Grand Lodges A.F. & A.M. of Canada on April 26-28, 2018 which was chaired by M.W. Bro. André Boivin Grand Master of Quebec.

This Conference is held in Winnipeg each year and this year for the first time in a number of years the Grand Lodge of Prince Edward Island was present which meant we had coverage from coast to coast. The conference began on Thursday with the Grand Master of Ontario giving a report on the Conference of Grand Masters of North America followed by jurisdictional reports from all Provinces which included the report of Newfoundland & Labrador, District Grand Lodge of Scotland.

The breakout groups covered subjects designed for Grand Masters, Deputy Grand Masters and Grand Secretaries and the guest speakers were M.W. Bro. Chibu Uson a member of the Masonic Renewal Committee and M.W. Bro. Robert Conley, Grand Secretary of the Grand Lodge of Michigan who spoke on shared services. The round table subject Indictable & Summary offences as a postulant and existing member garnered much discussion.

This type of home town conference, that is to say all Canadian proved to be very informative at the conference and the afterhours with fellow Grand Masters.

**SPECIAL ANNIVERSARIES AND ANNUAL COMMUNICATIONS OF  
OTHER GRAND LODGES**

In October of 2017, Gloria and I along with the Grand Secretary, M.W. Bro. Terence Shand travelled to London England to participate in the 300<sup>th</sup> Anniversary of the formation of Grand Lodge.

It was a very well organized event beginning with the opening dinner at Grand Connaught Room with five hundred guests with the Deputy Grand Master, to the reception of the Grand Master H.R.H. the Duke of Kent in Freemason Hall where each Grand Master had a few moments of introduction, to a reception that evening at the Lord Mayor of London Mansion and concluding the next day at Royal Albert Hall where close to four thousand Masons witnessed an outstanding play “Bringing Light to the World” and concluding with the pomp and ceremony of dedication of the new Soane Ark which contained the Great lights, Wren Maul the original Ark was destroyed in the Great Fire of London.

Your Grand Master feels very blessed that he had opportunity to represent the Masons of this Grand Jurisdiction in a once in a lifetime event.

This notwithstanding it was an honour and pleasure to also attend the following Grand Lodges; the Grand Lodge of Newfoundland and Labrador, Grand Lodge Nationale Française, Washington D.C., Pennsylvania, New York, Indiana, New Hampshire, Rhode Island and Belgium.

**SPECIAL EVENTS**

I was pleased to attend the following special events some which were strictly Masonic and others were with members of our Masonic Family.

Cornerstone Laying at Windsor City Hall	Windsor
Lodge Lorraine Gala Ball	Gatineau P.Q.
Scottish Rite, Supreme Council	Montreal P.Q.
International Plowing Match	Walton Ontario
Greater Toronto Area 300th Anniversary Gala Ball	Toronto
Friendly Lodge No. 383	Montego Bay
Moore Sovereign Consistory	Hamilton
Weston Temple Re-Dedication	Weston
Hanover Steak Fry	Hanover

## GRAND MASTER'S BANQUET

It is with great honor and pleasure that I announce that W. Bro. Andrew Hammer, the author of "Observing the Craft" the pursuit of excellence in Masonic Labour and Observance is the key note speaker this evening at the Grand Master's Banquet.

## DISCIPLINE

On March 5, 2018 pursuant to Section 410 (d) and (e), a Masonic Trial of un-masonic conduct against Brother 'A' occurred at Thornhill Masonic Hall. Conviction was registered and a penalty of indefinite suspension was given. Further a recommendation of expulsion of the order, has been referred to the discipline committee.

## APPRECIATIONS

I begin my acknowledgements by recognizing M.W. Bro D. Garry Dowling, *The Custodian of the Work*, who once again this year with his Team of knowledgeable Masons traveled throughout this vast Grand Jurisdiction providing information, instruction and answering questions regarding our ritual. We thank him for his tireless attention to the responsibilities of your office.

I acknowledge and I am personally most grateful to M.W. Bro. Terence Shand, *The Grand Secretary* for his untiring assistance over this last year. The Grand Secretary began his tour of duty on October 1, 2003 and will finish his tour on July 18, 2018, with fifteen years of continuous service to our Grand Lodge in general and to more than seven Grand Masters in particular.

He has performed his duties, using a vast amount of corporate knowledge accumulated from over a decade and half years of service, and sometimes even delivered with a touch of humour.

As he lays down his working tools in the Quarries of Freemasonry in Ontario, I on behalf of those Grand Jurisdictions gathered here today at this Annual Communication and other Grand Jurisdictions from around the world in general as the Grand Master of the Grand Lodge of Canada in the Province of Ontario and on behalf of all Ontario Masons I say thank you for duties well done and we all wish for you good health and happiness in the upcoming years.

I am also grateful to the dedicated staff of our Grand Lodge in particular Office Manager, Louis Domjan along with Gail Nickerson, Stacey Birks, Kathy White and Barbara Lee for their willingness to assist and their devotion to duty when called upon and I recognize the extra effort given by the staff with the changes in the office structure.

R.W. Bro. David J. Cameron has gone above and beyond the call of duty as Deputy Grand Master. He has been given several very important files to work on this year besides organizing and directing the Committees of Grand Lodge and has always willingly and knowledgably accepted the challenge. He has streamlined the workings of the Management Committee and he finishes the year by assisting the new Office Manager in the restructuring of the office, for these reasons and more I say thank you Deputy Grand Master.

To the Brethren of this Grand Jurisdiction I simply say thank you for all your efforts in promoting our Grand Lodge and practicing the tenets of Freemasonry. Simply put you are the reason why Freemasonry in Ontario is so admired in North America perhaps even in the world.

Finally, to the one person who cannot hear these words today, I speak of course of my best friend, my chief critic and the love of my life, Gloria.

Gloria came into my life when all seemed dark, Gloria assumed a role as a step-parent to my two children and I became a step-parent to a daughter. Gloria was aware of my love of family, church and Masonry and she became my partner in a journey neither of us could imagine. Although it doesn't seem like enough all I can say to my life partner, is I love you and you are truly the winds beneath my wings.

### CONCLUSION

I have chosen for my theme for my first term and continuing next year "effectiveness & efficiency-going forward" which comes from the fact that our membership which was over 100,000 in the 1960's is now reduced to mid-thirty thousand and it now appears to some we are beginning leveling off.

Our Grand Lodge recognized a couple of years ago that the management structure of our Grand Lodge needed to be downsized and last year we completed the downsizing of the Board of General Purposes by some twelve members.

I have for the last two years as Deputy Grand Master and this year as Grand Master produced for information and discussion at every opportunity where I was asked to speak.

What I called a "Blueprint for the Future" under three headings, "how we elect our Senior Officers," "middle management, the District Deputy Grand Masters role" and finally the structure of the Board of General Purposes

No I'm not going to deliver that talk today but I will leave you with this quote from the famous Brother named Anonymous who attends Google lodge.

**If We Are Not Willing To Learn and Change,  
No One Can Help Us,  
If We Are Determined To Learn and Change,  
No One Can Stop Us**

I thank you for your attention.

Kindest personal & Fraternal regards.

Paul E. Todd

## **Independent Auditor's Report**

To the Most Worshipful Grand Master, Officers and Members of  
Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario  
Inc.

Most Worshipful Sir and Brethren:

We have audited the accompanying financial statements of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc., which comprise the statement of financial position as at April 30, 2018, and statement of operations and change in fund balance, statement of operations and changes in fund balances for the General and Segregated Funds, statement of expenses – General Fund, and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

## **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. as at April 30, 2018 and the results of its operations, changes in fund balances and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### 1. Description of the Organization

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. (the "Organization") is a not-for-profit organization which serves as the central administrative body for Masonic Lodges in the Province of Ontario.

The Organization is exempt from income tax under section 149 of the Income Tax Act.

### 2. Significant accounting policies

#### *Fund accounting*

The Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. follows the restricted fund method of accounting for contributions.

The General Fund reports the Organization's administrative activities.

Revenues and expenses related to the 175th Anniversary Fund, Special Retirement Fund, Commutation Fund and Memorial Fund are combined and reported in the Segregated Fund.

#### *Cash and cash equivalents*

Cash and cash equivalents include cash on hand, balances held with banks, and highly liquid temporary money market investments with original maturities of three months or less from the date of the acquisition.

#### *Capital assets*

Capital assets are recorded at cost less accumulated amortization. Only expenditures in excess of \$5,000 are capitalized.

#### *Revenue recognition*

Restricted contributions related to general operations are deferred or recognized as revenue of the General fund in the year in which the related expenses are incurred. All other restricted contributions are recognized as revenue of the appropriate restricted fund.

Unrestricted contributions are recognized as revenue of the General Fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

#### *Financial instruments*

The Organization's financial instruments are comprised of cash and cash equivalents, funds held for committees, accrued dues, receivables, investments, notes receivable and accounts payable and accruals.

Cash and cash equivalents, funds held for committees and investments are initially recognized at fair value when the Organization becomes a party to the contractual provisions of the financial instrument. Subsequently, they are carried at fair value with changes in fair value recorded in the statement of operations. All other financial instruments are measured at amortized cost.

Transaction costs related to financial instruments measured subsequent to initial recognition at fair value are expensed as incurred. Transaction costs related to other financial instruments are added to the carrying value of the asset or netted against the carrying of the liability and are then recognized over the expected life of the instrument using the effective interest method. Any premium or discount related to an instrument measured at amortized cost is amortized over the expected life of the item using the straight-line method and recognized in operations as interest income or expense.

2. Significant accounting policies (continued)

*Financial instruments (continued)*

With respect to financial assets measured at cost or amortized cost, the Organization recognizes in operations an impairment loss, if any, when there are indicators of impairment and it determines that a significant adverse change has occurred during the period in the expected timing or amount of future cash flows. When the extent of impairment of a previously written-down asset decreases and the decrease can be related to an event occurring after the impairment was recognized, the previously recognized impairment loss is reversed to operations in the period the reversal occurs.

*Use of estimates*

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenue and expenses during the period. Actual results could differ from these estimates. Significant areas requiring management estimates include amortization of capital assets, determination of useful lives of assets and calculation of accrued liabilities.

## 6. Defined contribution pension plan

The Organization participates in a defined contribution pension plan with eligible employees. The Organization matches contributions up to a maximum of 5% of individual employee gross earnings. The assets of the plan are held separately from those of the Organization in independently administered funds. During the year, the Organization incurred pension expenses totaling \$11,088 (2017 - \$12,120).

### *Post-retirement benefits*

The Organization offers post-retirement benefits to retired former employees which consist of health insurance benefits. Amounts have been appropriately expensed in the current year through administration expenses in the General fund. The post-retirement benefits are offered until the date of death of these former employees; therefore an obligation has not been disclosed as the amount is not measurable.

## 7. Related party transactions

During the year, Grand Lodge paid rent to Masonic Holdings in the amount of \$99,800 (2017 - \$99,800) and received management fees in the amount of \$8,000 (2017 - \$8,000). These transactions are in the normal course of operations and are measured at the exchange amount which is the amount of consideration established and agreed to by the related parties. Masonic Holdings is a not-for-profit organization whose board of directors are members of the Board of General Purposes of Grand Lodge.

Rent paid to Masonic Holdings consists of the following:

	2018	2017
	\$	\$
Office rent - General Fund (Statement of expenses - General Fund)	88,100	88,100
Library rent - General Fund (Note 4)	3,800	3,800

## 8. Related entities

The Board of Directors of both The Masonic Foundation of Ontario and Masonic Holdings consists of members of the Board of General Purposes of the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

The object of The Masonic Foundation of Ontario is to receive, maintain, manage, control and use donations exclusively for charitable purposes within Ontario. The Foundation is permitted to use its donations for the relief of poverty, the advancement of education and the advancement of other purposes beneficial to the community. The Foundation is committed to funding bursaries, hearing research, drug and substance abuse, education in the school systems and other specific and community projects which fall within its guidelines.

8.     **Related entities (continued)**

Title to the land and building, situated at 363 King Street West, Hamilton, Ontario was taken in the name of Masonic Holdings Inc., an entity incorporated as a not-for-profit corporation within the meaning of the Income Tax Act (Canada) and without share capital. Masonic Holdings Inc. was incorporated in 1957 to acquire and operate adequate premises for the administration, personnel and staff of the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc.

9.     **Commitments**

The Organization has commitments for leases of office, museum and library space as well as office equipment with various expiry dates up to 2022. Future lease payments aggregate \$308,810 and include the following amounts payable over the remaining period:

	\$
2019	102,852
2020	102,852
2021 and beyond	103,106
	<hr/> 308,810

10.    **Financial instruments**

*Financial risk*

The value of a financial instrument can be affected by changes in interest rates, foreign exchange rates, equity and commodity prices and credit spreads.

*Market risk*

Market risk is the potential for loss from changes in the value of financial instruments.

The Organization is exposed to market risk in the investment portfolio as well as through non-trading activities. Market risk in investment activities is managed by the senior management of the Organization and every investment transaction is guided by policy and regulatory limitations.

*Interest rate risk*

The interest rate risk is the risk that arises from fluctuations in interest rates and the degree of volatility of these rates. The Organization does not use derivative instruments to reduce its exposure to interest rate risk.

*Liquidity risk*

Liquidity risk is the risk that the Organization cannot meet a demand for cash or fund obligations as they come due. Liquidity risk also includes the risk of not being able to liquidate assets in a timely manner at a reasonable price. Management manages liquidity risk and monitors the cash and funding needs on a daily basis.

*Fair value*

The fair value of cash and cash equivalents, accrued dues, receivables, notes receivable and accounts payable and accrued liabilities approximate their carrying values due to their short-term maturity.

The fair value of investments are marked to their market value.

## 11. Funds held for committees

At April 30, 2018, the Organization held funds totaling \$nil (2017 - \$12,042) for the Reflections Newsletter Committee. On behalf of the College of Freemasonry, the Organization held funds of \$45,416 (2017 - \$46,723). On behalf of the Library, the Organization held funds of \$13 (2017 - \$nil).

## 12. Amalgamation

Immediately subsequent to year end the Grand Lodge of Ancient, Free and Accepted Masons of Canada in the Province of Ontario Inc. amalgamated with Masonic Holdings Inc. with the objective to carry on their operations under a single new organization, effective May 1, 2018.

## REPORT OF THE COMMITTEE ON AUDIT AND FINANCE

*This Report was presented by R.W. Bro. J. C. Sutherland, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. J. C. Sutherland, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The past year has been one of highs and lows for the Audit and Finance Committee. We started the year on a high with the hiring of a C.O.O. to begin the transformation of the Grand Lodge Office structure and ready our Grand Lodge for the challenges of the future. The low came when our new C.O.O. found it necessary to resign at the end of August. Thus, our Grand Master and Deputy Grand Master had to begin again the search for an Office Manager. That search has been successful and we began the new Masonic year on May 1, 2018 with Louis Domjan as our temporary Office Manager. We look forward to working with him during the coming year.

Two items mentioned in last year's Proceedings were completed. The \$12,042 held in trust for the Reflections Newsletter was designated by the Management Committee for use by the Library, Museum and Archives Committee. The new Committee Budget Form has been completed and hopefully going forward the budget requests from committees and their expenditures will be more closely aligned.

The membership should take note and remember that when the Grand Lodge Assessment was last raised it was anticipated that we would run a surplus in the first few years and then a deficit for a few years before the need to increase the assessment again. The budget for the Grand Lodge General Fund for 2017 to 2018 forecast a loss in Net Operating Income of \$84,710.00. At year-end, the actual loss in Net Operating Income came in at \$6,555.00. This better than expected outcome was due to two reasons. First, our C.O.O. resigned at the end of August 2017 and thus no salary was paid until the hiring of our new C.O.O. on May 1, 2018. Secondly, your Grand Lodge Committees only spent 56% of the funds allocated to them for the year.

Your committee continues to monitor the new Investment Account for Lodges, which now has a market value of \$412,000.00. The Management Committee during the past year has authorized this account to not only accept funds from Lodges and Temple Corporations, but also accepts funds from concordant bodies that may wish to take advantage of professional money management.

The tasks completed during the past Masonic Year included the following:

- 1) Financial Statements of all the Grand Lodge Funds were reviewed on a monthly basis.
- 2) Financial Statements for the College of Freemasonry were monitored. As of April 30, 2018 Grand Lodge held in trust for the College of Freemasonry \$45,416.00.
- 3) Grand Lodge staff salaries were reviewed.
- 4) The annual reports of the Grand Secretary and the Grand Treasurer were reviewed and your committee recommends the adoption of these reports.
- 5) A budget was established for Grand Lodge for the 2018-2019 Masonic Year.
- 6) The rolling 5 year Budget projections for Grand Lodge was updated.
- 7) The Investment Policy Statement was reviewed and no changes were made.
- 8) Grand Lodge insurance policies, the Grand Lodge Insurance Program and the Grand Lodge Pension Plan were reviewed. The Masonic Holdings insurance

will be rolled into the Grand Lodge insurance policy so that going forward there will be only one policy covering Grand Lodge and the building.

- 9) Grand Lodge expenditures were reviewed twice during the year and found to be in order.
- 10) A Job Description for the Audit and Finance Committee was completed and approved by the Management Committee. A copy of the Job Description has been filed with the Grand Secretary.
- 11) The Financial Policies of Grand Lodge are reviewed on an ongoing basis. The Audit and Finance Committee this year made one change to formally align the policy regarding the Commutation Fund with our actual practice of withdrawing from the fund at the same rate of the per capita as outlined in the Book of Constitution.

### **Investment Portfolio:**

During the past year, your committee met 3 times with 1832 Asset Management L.P. to review our investments and the income generated. As of April 30, 2018, the General Fund of Grand Lodge stood at \$3,596,725 as compared to \$3,434,828 on April 30, 2017. The other funds under the purview of this committee (Commutation Fund and Memorial Fund) totaled an additional \$3,215,639 which is detailed in the notes of the audited financial statements. The overall Investment Portfolio of Grand Lodge as of April 30, 2018 stood at \$6,812,364 compared to \$6,742,225 on April 30, 2017. All investments have been expressed at market value. We recommend along with the Grand Treasurer that 1832 Asset Management L.P. continue to be engaged as the Grand Lodge portfolio manager.

### **Financial Statements:**

The Audit and Finance Committee met with our auditors, Deloitte L.L.P. on May 29, 2018 to review and discuss in detail the audited financial statements of Grand Lodge for the year ending April 30, 2018. The audited financial statements can be found elsewhere in the Annual Proceedings. For the year ended April 30, 2018 the General Fund of Grand Lodge experienced before the application of unrealized capital gains or losses on investments a loss of revenue over expenses of \$6,555 for the fiscal 2017-2018 year. The consolidated financial statements for all funds shows an excess of revenue over expenditures of \$59,007 before the application of unrealized capital gains or losses on investments. The committee recommends that the audited financial statements for the year ended April 30, 2018 be adopted as submitted. We also recommend the continued engagement of Deloitte L.L.P. as our auditors. We thank David Tonin CA and his team for conducting the audit to meet the timelines required by Grand Lodge.

### **Budget:**

In the preparation of the annual budget for Grand Lodge for the year ending April 30, 2019, the requirements of all Grand Lodge Committees were considered. The requirements of the Grand Lodge Committees for the coming Masonic Year total \$80,750. The budget for the General Fund for the coming Masonic Year is set out in the appendix of this report and reflects anticipated revenue of \$891,900 and expenses of \$887,595 before the application of unrealized capital gains or losses on investments. The anticipated budget surplus is \$4,305.

Your committee submits for your consideration and approval the estimate of revenue and expenses as they relate to the General Fund for the period ending April 30, 2019. The committee believes that the budget set out in this report is realistic and provides for items that can be reasonably foreseen to meet the obligations, financial responsibilities and commitments of the General Fund of Grand Lodge for the coming year.

**Charitable Donations:**

The committee reviewed the donations made by the Grand Master on behalf of our Grand Lodge. Donations totaled \$1,922 (\$1,500 USF) to the Masonic Relief Association for hurricane and flood relief in Texas.

I would like to express my thanks to the long serving and hard working members of my committee R.W. Bros. Norman McCarthy, Paul Skazin, Randy Hawken and V.W. Bro. Alan Stoddart who have made it a pleasure to serve as Chairman. To the Grand Secretary and the staff of Grand Lodge your assistance to this committee is truly appreciated. To the Ex-Officio members M.W. Bro. Paul E. Todd, R.W. Bros. David Cameron, Tom Hogeboom, Edward Standish and Brian Koivu your guidance and insight is invaluable to this committee.

JAMES C. SUTHERLAND, Chairman

## REPORT OF THE GRAND TREASURER

*This Report was presented by R.W. Bro. T. W. Hogeboom, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. T. W. Hogeboom, it was adopted.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Again this year, at the 163rd session of our Annual Communication, I have the honour and pleasure to submit the Grand Treasurer's Report for the Masonic year 2017 – 2018. I am pleased to assure you that, as the 'Financial Conscience of our Grand Lodge,' the finances of our Grand Lodge continue to be in a sound and satisfactory state and that the bottom line indicates further growth in our financial assets, though not to the extent we have been enjoying in years past. Our financial base continues to trend in a positive direction, though as you might well imagine after the year that we have just experienced, not as strongly as we have come to expect. Capital preservation and modest growth over time continue to be the goals of our investment strategy. Over reacting is not an option of this strategy. It also gives me a great deal of pleasure to be able to repeat my comments from last year that those responsible for the administration of the affairs of your Grand Lodge are worthy of much credit for the excellent financial statements and unmodified audit that is printed in these Proceedings.

The foundation of our sound financial position is due in no small part to the professional management of the Grand Lodge investment portfolio under the direction of our Portfolio Manager, Marcia Wisniewski, of Scotia Private Client Group 1832 Asset Management L.P. During a year of volatility in the world financial markets, we have been most pleased with the wisdom and care exhibited in the management of these funds and recommend the approval of continuing this relationship on the existing terms with Scotia Wealth Management.

As for the Grand Lodge investment strategy, There have been no asset allocation range changes in our Investment Policy Statement since October 2013 when we last made a change to allow for a heavier weight of equities. The Investment Policy Statement was last reviewed on May 29<sup>th</sup> with our Portfolio Manager where no changes were made. As of the year-ending April 30, 2018, our investment asset package was at 57% in equities, 38% in bonds and 5% in cash. We continue to employ fixed income securities rated at a minimum of BBB: equities from an approved listing while avoiding derivative instruments and hedge funds. Tactical shifts to asset allocation are made periodically to ensure that we take advantage of economic conditions. Stock selection criteria is consistent with our primary goals and adjustments are made on an ad hoc basis with new names being added as deemed appropriate. We invest in companies which provide essential goods and services, many of which you and I pay our household bills to every month like clockwork. The world would have to change dramatically for these companies to cease being good investments and this would likely only take place over a protracted period in which we would react. Even in the current volatile marketplace, you can rest assured that your Grand Lodge will continue to invest prudently and conservatively enough to never risk the advantages made in this area by our predecessors.

At our last investment portfolio review after the year ending April 30, 2018, Scotia noted an annual total return in our portfolio percentage yield at year-end of 1.83% - a down turn of almost 10%. The annual investment income of \$219,293 – over \$300,000 less than last year – (due to a difference of realized – year ending 2017 - and unrealized losses - year ending 2018) has still increased our consolidated portfolio asset base to a closing market value of \$6,812,364.

As for the 2018 – 2019 portfolio year, Scotia is again projecting a modest rate of return of 3.73% or a total return projection of \$255,809 less the management fees of 65 basis points.

I am most pleased to report that we are going to be able to continue our promise made at the Annual Communication of 2011 that we would not have an increase in the Grand Lodge Assessment for the next five years. The surpluses generated in the first few years of the original five-year plan have more than covered the increased expenditures over the latter part of this term to the point where we will not be increasing the assessment again this year. Although we are budgeting for a very marginal surplus of \$4,304 this year, I would point out to you the \$32,068 deficit of the past fiscal year. You will remember this was part of the five-year plan – to collect more assessment up front, to cover the deficits scheduled for the latter years of the plan. I am sure many of you are now reading ahead as we finish the seventh year of the five-year plan that our fortunate set of circumstances over the past few years, may be drawing to an end. As with each of these last seven years now, this has been an item of review as R.W. Bro. Paul Skazin runs the numbers during the budgeting process and we will continue to do an annual review to assure we don't fall behind and continue to set an example for the Lodges to follow.

We wish to express our sincere appreciation to the Grand Secretary, M.W. Bro. Terry Shand, and the Grand Lodge staff again this year for having a 'clean/unmodified' audit by Deloitte LLP. It is very comforting to your Grand Treasurer to hear David Tonin report from our audit firm that "the significant accounting practices, selected and applied by management are, in all material respects, acceptable under Canadian accounting standards for Not-For-Profit Organizations and are appropriate to the particular circumstances of Grand Lodge."

The Audit and Finance Committee of our Grand Lodge continues to review monthly, report to the Management Committee and the Board of General Purposes of our Grand Lodge when called upon and reports annually to the membership as a whole on all sources of income and items of expenditure. This job of managing every financial aspect of what is a very successful business, with an annual budget in excess of \$800,000, is a daunting task and we must recognize all those volunteers involved, the Grand Lodge Committee Team Leaders and the Grand Lodge staff who monitor and manage within these boundaries. We commend each of those involved for their stewardship and commitment to the financial stability of our Grand Lodge. I continue to pledge my support and thanks to each and every Grand Lodge Committee, Team Leader, Grand Secretary – and now the Grand Lodge Officer Manager - who spend so much time detailing accurate and accountable annual budgets and then living within them as approved by the Management Committee and the Grand Master. Thank-you my Brethren!

Sincerely and fraternally submitted.

THOMAS W. HOGEBROOM, Grand Treasurer

## REPORT OF THE MANAGEMENT COMMITTEE

*This Report was presented by R.W. Bro. D. J. Cameron, Chairman, and on motion of R.W. Bro. D. M. Sheen seconded by R.W. Bro. D. J. Cameron it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Management Committee acts in an advisory capacity to the Grand Master in accordance with Section 135g of the Constitution. It is composed of five members of the Board, three elected by the Board members and two appointed, as well as the Grand Master, DGM, Grand Secretary, Grand Treasurer and the Chair of Audit and Finance. Each of the five elected and appointed members chairs a Management Committee and we

regularly received updates on all the committees' activities, offering advice, encouragement and approvals. This year we tapped the experience of our past Grand Masters by inviting one of them to sit in on each of our meetings.

The following issues were discussed and recommendations made when appropriate:

- We reviewed the chairmen's reports from last year's Proceedings and considered their recommendations, then where necessary assigned them to the proper Chairman for possible implementation.
- A Privacy Policy for our Grand Lodge was created and approved by the committee for presentation to Grand Lodge.
- Qualifying requirements for DDGM candidates were discussed and modifications to the DDGM Orientation sessions, including a test were endorsed as a path to qualification. A constitutional amendment to enact this was proposed.
- Building Compliance has been ensured for the two outstanding temples.
- An arrangement was made with Brock University for the future use of the moneys raised by M.W. Bro. Daniels such that an endowment will be created which will fund an annual scholarship to a graduate student.
- A plan to reorganize the Board committee structure to better reflect the Strategic Plan and the reduced number of Board members was endorsed.
- An Investment Fund for Lodges was put in place and advertised.
- A concern regarding materials used at display lodge at Upper Canada Village was examined and a recommendation to update the text was made.
- The Public Awareness Committee was encouraged to develop and implement a Facebook site for our Grand Lodge.
- A white paper on the Blood Donors Committee was commissioned, received and approved. This paper, while recognizing the importance of donating blood, recommended that there was no longer a need for Grand Lodge to have a committee dedicated to tracking donations.
- A white paper from the Grand Archivist's entitled "Guidelines for the Preservation of Your Masonic Heritage" was commissioned and will be published.
- Issues relating to staffing at the Grand Lodge office required the hiring an office manager which has been completed.
- The blocking by Hotmail and Outlook of our domain address was addressed although it is not yet fully resolved.
- It was recommended that Reflections and Education Monthly be consolidated into one publication. The committees involved then went further to suggest that the above be merged into the Ontario Mason Magazine, with the Education Committee acting as major written content generators/sourcers.
- Mailings to DDGMs were reduced by instituting a system of monthly Event and Resource Digests.
- A trial of direct e-mails to all lodges was done and was well received.

- A series of seminars in the North-West by the DDGM Orientation team was approved.
- Duplication of effort by various committees and teams was examined and reduced.
- The Grand Master updated the committee on the two meetings with the Widow Sons which produced a signed agreement.
- A recommendation that Moneys held in trust for Reflections be used for refurbishing books of valued and rare titles in the Library was approved.
- Merger of Masonic Holding and the Grand Lodge Corporation was supported.
- Our liability insurance policy was separated from that of the Royal Arch. Dispensations will require proof of insurance.
- A production of a print friendly version of the Ontario Mason Magazine was felt to be an extra effort that was not widely accessed.
- A rewrite of the College of Freemasonry modules was thoroughly examined and approved by the committee.
- Procedures documents for all committees were commissioned.
- The Benevolence Booklet was updated. The new version will be posted on the website and the hard copy reprinted when we run short.
- The resources “Not Just a Man. A Mason.” created by the Northern Jurisdiction of the Scottish Rite for the use of Craft Grand Lodges were accepted.
- With the requirements for lodges to have adequate insurance which was introduced last year, a method of tracking this was instituted. Lodges will be asked to submit a copy of their Insurance Certificate with their January semi-annual returns.
- The tactical plan projects were received, reviewed and appropriate action planned. These included:
  - Five year marketing plan
  - Completing the unified resource for candidates
  - Creating a membership exit questionnaire
  - Report on staffing Grand Lodge committees
  - Report on electronic voting

The Management Committee accepted and acted on the concept that, with our present number of members, we should have a smaller structure which puts less demands on the individual lodges. I thank all the members of the Committee, as well as all the Chairmen and Team Leaders for their support and fine work.

Respectfully submitted on behalf of the Committee: M.W. Bros. Paul E. Todd, Grand Master; Terence Shand, Grand Secretary; R.W. Brothers Barry Burchill, Communications; Iain Wates, Craft Stewardship; John Hay, Education and Training; Tom Siemiernik, Lodge Resources; H. Edward Standish, Operations; Tom Hogeboom, Grand Treasurer; and James Sutherland, Audit and Finance.

Respectfully submitted.

DAVID J. CAMERON, Chairman

## REPORT OF THE COMMITTEE ON CONSTITUTION AND JURISPRUDENCE

*This Report was presented by R.W. Bro. F. Halpern, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. Halpern, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Your committee has received FOUR (4) proposed amendments to the Constitution of Grand Lodge.

**The 1<sup>st</sup> proposal deals with Sections 113, 121-129 (R.W. Bro. Ronald Campbell)**

To segregate the individual administrative responsibilities of the Grand Secretary and the Office Manager, revise **Section 113. Grand Secretary** as follows:

Delete the current Section 113. (c) and insert a new Section 113. (c) to read as follows: attend all meetings of Grand Lodge, of the Board of General Purposes, and of any Committee as he shall be directed by the Grand Master or Grand Lodge, and take minutes of their proceedings.

Delete the current Section 113. (d) and insert a new Section 113. (d) to read as follows: duly report at each annual meeting of Grand Lodge the receipt of the returns from the constituent lodges as entered in the book of Grand Lodge.

Delete current Sections 113. (e), (f), (g), (h), (i), (j), (l), (n) and (o).

Re-number current Section 113. (k) as Section 113. (e).

Re-number current Section 113. (m) as Section 113. (f).

Re-number current Section 113. (p) as Section 113. (g).

Re-number current Section 113. (q) as Section 113. (h).

It is proposed that the revised Section 113. would read as follows:

113. Grand Secretary

The Grand Secretary shall:

- (a) have custody of the seal of the Grand Lodge and affix the same to all documents issued by authority of Grand Lodge or the Grand Master;
- (b) sign and certify all instruments issued by Grand Lodge under seal or otherwise;
- (c) attend all meetings of Grand Lodge, of the Board of General Purposes, and of any Committee, as he shall be directed by the Grand Master or Grand Lodge, and take minutes of their proceedings;
- (d) duly report at each annual meeting of Grand Lodge the receipt of the returns from the constituent lodges as entered in the book of Grand Lodge;
- (e) attend the Grand Master or the Board of General Purposes, and take to him or the Board, the books and papers he or the Board may direct;
- (f) consider the petition of a lodge working under dispensation for a warrant, to examine the books and records, to study the recommendation of the District Deputy Grand Master and to recommend the granting of a warrant;
- (g) serve as an ex-officio member of the Management Committee of the Board of General Purposes; and
- (h) perform all other duties pertaining to his office and as directed by the Board of General Purposes.

## **Moneys and Accounts of Grand Lodge**

Revise Section 121 by substituting certain reference to “the Grand Secretary” with “Office Manager”, the individual appointed by the Board of General Purposes to receive, record, deposit and report to the Grand Treasurer all moneys payable to Grand Lodge and perform other designated administrative functions.

It is proposed that the revised Section would read as follows:

121. All moneys payable to Grand Lodge shall be received by the Office Manager appointed by the Board of General Purposes, who shall forthwith deposit the same in the bank or trust company in which Grand Lodge keeps its accounts to the credit of the appropriate account, and shall forthwith send a duplicate of the deposit slip showing the particulars of the transaction to the Grand Treasurer who shall keep an account of all moneys so received and deposited.

Revise Sections 122, 125, 128 and 129 by incorporating “Office Manager.”

It is proposed that the revised Sections would read as follows:

122. The accounts of the Grand Secretary, Grand Treasurer and Office Manager shall be kept in such manner and form and subject to such rules and regulations as the Board of General Purposes may from time to time prescribe in accordance with the provisions of Section 126.

125. The auditor shall audit the books of the Grand Secretary and Grand Treasurer and the books and accounts maintained by the Office Manager once each year and shall report to the Grand Master, the Grand Secretary, Grand Treasurer and Office Administrator.

128. The Grand Treasurer, the Grand Secretary, the Office Manager and such of their assistants as the Board may decide, shall give bonds for the faithful discharge of their duties, in such form and for such amounts as the Board may determine, and the premiums on such bonds shall be paid by Grand Lodge.

129. The books of account of the Grand Secretary, Grand Treasurer and Office Manager and the securities of Grand Lodge shall always be open for inspection by the Grand Master, the Deputy Grand Master and the Board of General Purposes or its nominee.

Your committee finds these proposals: **REGULAR**

### **The 2<sup>nd</sup> proposal deals with section 50**

**(R.W. Bro. David Cameron)**

50. (b) A candidate for office as District Deputy Grand Master or Grand Registrar must be in possession of a “Past Master’s Course Certificate of Completion” as offered by our Grand Lodge, College of Freemasonry on or before June 15, of the year seeking office.

It is proposed that the revised Sections would read as follows:

50. (b) A candidate for office as District Deputy Grand Master or Grand Registrar must be in possession of a qualifying certificate as offered by our Grand Lodge, on or before June 15 of the year seeking office.

Your committee finds this proposal:

**REGULAR**

### **The 3<sup>rd</sup> proposal deals with amending section 393**

**(R.W. Bro. John Forster)**

The proposal is to add the position: “Mentor – the Crossed Chisels”

Your committee finds this proposal:

**IRREGULAR**

### **The 4<sup>th</sup> proposal deals with amending section 217**

**(R.W. Bro. John Forster)**

The proposal is to add the words: “a Mentor”.

Your committee finds this proposal:

### Warrants

Since the 2017 report; Mattawa Lodge No. 405 and National Lodge No. 588 have surrendered their charter. Algonquin Lodge No. 536 and Sudbury Lodge No. 658 have amalgamated to become City of Lakes Lodge No. 536.

Amalgamations in process are; Harmony Lodge No. 57 and Enniskillen Lodge No. 185. Corinthian Lodge No. 513 and Wardrope Lodge No. 555. Perfect Column Lodge No. 510 and Sunnylea Lodge No. 664, Muskoka Lodge No. 360 and Golden Rule Lodge No. 409, Clifton Lodge No. 254 and King Edward Lodge No. 471.

### **Conferences**

In February 2018, I attended 'The Conference of Grand Secretaries in North America,' held at Indianapolis, Indiana. Several presentations included: "Digitizing Records", "Masonry in Mexico". "Shared Services", "Lodge Security and Safety", "Commission on Information for Recognition" and the upcoming 2019 Convention, in South Dakota. Four Group Break-outs discussed issues; such as "Positive and Negative changes affecting office performance", "Incompatibility issue trends, how are they dealt with?", "Administrative relationship office manager and grand secretary", "Building safety standards" and "officer insurance liability coverage, what is adequate."

In April 2018, I accompanied our Grand Master and Deputy Grand Master to the "All Canada Conference" held at Winnipeg. Jurisdictional questionnaire reports; on specific issues, concerning their present office were presented by each Grand Master. Reports were received on: The Western Canada Conference, the World Conference, the Conference of Grand Masters in North America, Conference of Grand Secretaries in North America and the Commission on Information for Recognition. The conference included Keynote Speaker, M.W. Bro. Robert Conley, P.G.M. and Grand Secretary, Grand Lodge of Michigan. His presentation entitled, "Shared Services" was well received.

### **Semi Annual Returns**

As of this writing, five Semi-Annual Returns, due January 8, 2018, have not been received at the Grand Lodge office. Subsequently, the July 8th return forms have not been mailed, negating the three principal officers and the opportunity to vote at this Communication. Please consider this responsibility an important one. It is essential that any replacement of a Lodge Secretary receive adequate information and training prior to assuming his arduous duties and not just left with several boxes of secretary data at his feet.

### **Transitional Events of Note**

Due to numerous enquiries regarding the proposed changes to Grand Lodge operations, the following information overview is provided.

January 1st – The proposed amendments were placed before the Constitution and Jurisprudence Committee for changing the business operations of our Grand Lodge Inc. by establishing a paid employee position as Officer Manager and relegating the position of Grand Secretary to a non-employee ceremonial and related duties, work from home status.

February 1st – R.W. Bro. David Cameron, D.G.M. was assigned the task of obtaining a Labour Relations, Law firm, who in turn, provided a review and analysis of law regarding office holders and employees and the termination of elected officials. Two documents were prepared and presented to our D.G.M. for Grand Lodge use on the subject.

March 1st – The first document, as provided above and under the heading 'Office of Grand Secretary', was transmitted throughout the jurisdiction for the

attention of our membership over the signature of our Grand Master and Deputy Grand Master.

April 6th - The second provided document, entitled 'Candidate Consent Agreement Office of Grand Secretary' was circulated to the four nominees by our Deputy Grand Master. It prudently indicated changes to the business role model of our Grand Lodge Inc. to be implemented following our annual communication in July.

May 1<sup>st</sup>. R.W. Bro. Louis Domjam was employed, on a temporary contract, by Grand Lodge as an addition to our office staff in the capacity of Office Manager.

In addition, May 1st, 2018, Grand Lodge Inc. and Masonic Holdings Inc. Amalgamated into one entity entitled: "Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario Inc." Legal documentation is on file at the Grand Lodge office. The intent is to streamline operations of our Grand Lodge building and provide a cost saving incentive by merging two separate annual audits into one.

Society today, appears to necessitate the operation of Grand Lodges into business entities. Several are cognizant of that fact and are initiating the process. Brethren, in so doing, let us be ever vigilante to ensure the basic tenets and principles of the teachings and philosophy of our fraternity remain embedded in our minds and at the forefront when dealing with the members of our Craft.

Personal thanks are extended to; Mrs. Gail Nickerson and Mrs. Stacey Birks, with whom I served alongside throughout my entire tenure in office. In addition, Mrs. Kathy White and Mrs. Barbara Lee. Thanks to all, for their thorough and courteous service in dealing with Grand Lodge office necessities.

### **Closing Remarks**

In closing, the past almost 15 years, I have had the great privilege of attending and serving on your behalf; the All Canada, North American and World conferences in a variety of positions. Most importantly Brethren, in serving you the Masons of Ontario.

Respectfully and fraternally submitted.

TERENCE SHAND, Grand Secretary

On motion of the Deputy Grand Master, seconded by the Grand Secretary, the Report was adopted by Grand Lodge.

### **REPORTS OF THE DISTRICT DEPUTY GRAND MASTERS**

Forty-two reports of the District Deputy Grand Masters were presented to the Deputy Grand Master and, on motion of the Deputy Grand Master, seconded by R.W. Bro. R. Kaufman they were referred to the Board of General Purposes.

## REPORT OF THE DISCIPLINE COMMITTEE

*This Report was presented by R.W. Bro. D. E. Jacklin, Chairman, and on motion of the Deputy Grand Master, seconded by R.W. Bro. D. E. Jacklin, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year there was one Masonic trial. A Brother was charged with offences set out in S. 410 of the Constitution of (1) violating the bylaws of the Lodge and (2) disobeying and showing disrespect for Masonic authority. Evidence was heard before a properly constituted Trial Commission after which the Brother was found guilty.

Because of the damage done by his actions over a number of years and the failure of repeated efforts to have him amend his conduct, the Committee imposed a penalty of indefinite suspension with a recommendation of expulsion from the Order.

No appeal was taken by the accused Brother.

After careful review, the Discipline Committee agrees with that recommendation. The Committee wishes to commend the Trial Commission for conducting a thorough and fair trial.

The Committee fully endorses the actions of the Grand Master and Grand Secretary with regard to all matters brought before them.

Your Committee will be undertaking a review of the Masonic offences in the Constitution with a view to modernizing them to reflect the realities of the 21<sup>st</sup> century.

Respectfully submitted on behalf of the committee.

DAVID E. JACKLIN, Chairman

## REPORT OF THE GRAND CHAPLAIN

*This Report was presented by R.W. Bro. Blair R. Paterson, Grand Chaplain*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been an honour to have served this jurisdiction as Grand Chaplain for 2017-2018; and in doing so, to have accompanied our Grand Master, M.W. Bro. Paul E. Todd, when at all possible throughout Ontario. As I continue in full time ministry in four rural United Church of Canada congregations, this appointment has only served to strengthen my faith and masonic duty.

As we have been told many times at festive boards and the like, visitation is a cornerstone of the Craft. I have tried hard to live up to this lesson. I learned this from my "elder brothers" in my home Lodge, Central No. 110, and from St. Lawrence District. And so I thank the Brethren and Master of Central Lodge (W. Bro. Ron Shannon) for their understanding and support over the year. I also would like to thank the brethren of St. Lawrence District; and in particular R. W. Bro. Michael Humes my D.D.G.M., and R.W. Bro. Giles Loshaw (Grand Master Meritorious Service Award) for their wisdom and support throughout this year. This is not to mention the various Grand Lodge Officers with whom I have travelled and shared friendship and brotherly love: R.W. Bro. Tom Hogeboom, R.W. Bro. Dennis Saikley, R.W. Bro. Ed Denbeigh; R.W. Bro. Barry Burchill; R.W. Bro. Brian Adams, R.W. Bro. Mike Nagroski, R.W. Bro. Paul Riddell, V.W. Bro. Jim Brown, V.W. Bro. Mac Phillips, V.W. Bro. Gary Tristam; V.W. Bro. Philip Pilon, V.W. Bro. Kevin Zeigler, V.W. Bro. Gordon Echlin.

I have, so far, visited 26 different lodges (most of them several times) in 8 different Districts. I have been present at: the Railway Tunnel Rededication in Brockville; the awarding of a William Mercer Wilson Medal at Simpson Lodge No. 157; the Constitution and Consecration of Goodfellows Lodge No. 748; Fraternal Visits by the Grand Master at various Lodges; assisted in conducting District Divine Services; been Exalted to the most sublime degree of a Royal Arch Mason; Assisted at the Amalgamation of Doric No. 289 and St. John's No. 81; assisted with the dedication of the Mosaic Pavement at Sussex No. 5; been present for the presentation of two 70 year pins (plus a number of 25, 50 and 60 year pins); accompanied the Grand Master to view the newly renovated Lodge Room at the Ingleside Masonic Centre; attended the Grand Master's homecoming banquet hosted by the Ottawa Districts; Attended the Deputy Grand Master's reception in Spencerville; hosted a Church Parade for my home lodge in one of my churches where Central Lodge's Junior Warden, Bro. Josh Bennett preached; and have attended 21 D.D.G.M. official Visits in 5 districts; and drove 7650km in doing all this (so far). I have a much more detailed list of activities which can be forwarded if so desired.

Becoming Grand Chaplain had never entered my thoughts. To be honest, I was close to leaving the craft - mostly for selfish reasons. But the G.A.O.T.U. has plans - or jobs - for all of us. And with the words "Do I have a job for you" (uttered by the then Deputy Grand Master at a meeting of North Dundas Lodge where the regalia of the late R.W. Bro Lyle Byers were donated by his family) little did I know, even after a coffee or two with a retired fire-fighter at Tim Hortons, what a blessing this year this would be.

In places like Parry Sound, Lombardy, Renfrew, Komoka, Cardinal, Ottawa and Peterborough there are men, who gather ... once a month (*the greatest lie in masonry!*) ... to do their best to uphold the principals inculcated in the Volume of the Sacred Law; namely, loving the Lord our God with all our Heart, with all our Soul, with all our Strength and with all our Minds. And added to this: loving our neighbours as ourselves. I have witnessed, and continue to witness this in and out of lodges throughout our beloved jurisdiction. I am honoured, proud and blessed to be counted among you.

Respectfully submitted.

BLAIR R. PATERSON, Grand Chaplain

### **REPORT OF THE COMMITTEE ON THE GRAND MASTER'S ADDRESS**

*On motion of the Deputy Grand Master, this Report was presented by M.W. Bro. T. Shand, on behalf of M.W. Bro. R. E. Groshaw.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is my privilege, on behalf of the Past Grand Masters, to present the report on the Grand Master's address.

We endorse the welcome, extended to our members and invited quests and share in the hope that they will enjoy their time spent with us.

Your committee shares the sadness of our Grand Master in the passing of so many of our distinguished brethren and join in his expression of sympathy.

We support the proposal of Past Rank as well as Honorary Rank pursuant to Section 73. Our congratulations are extended to the William Mercer Wilson Medal and the Grand Master's Meritorious Service recipients and the Honorary members of the Board who were appointed and we approve the recommendations of Grand Lodge Representatives near other Grand Lodges and those near our Grand Lodge.

The attendance of our Grand Master at so many functions within our Jurisdiction as well as elsewhere is a testimony to his commitment and steadfastness. We are grateful that

he represented us in London England at the 300<sup>th</sup> Anniversary of the formation of the first Grand Lodge in addition to the Conference of Grand Masters of North America in Indianapolis USA and the All Canada Conference in Winnipeg Manitoba.

We note his dedicated treks to so many other Masonic Jurisdictions from Brussels, Belgium, Paris France to Montego Bay in Jamaica.

We applaud the stewardship of our Grand Master in upholding the registered Trade-Marked Square and Compass of our Grand Lodge and that clarity has been delineated for its ramifications.

In another, the referral of Brother A to the Discipline Committee is acknowledged.

We appreciate the Grand Master's expressions of appreciation to the entire Grand Lodge organization, The Deputy Grand Master, the Past Grand Masters, Custodian of the Work, Grand Secretary, Grand Treasurer, Grand Directors of Ceremonies, other Grand Lodge Officers including Members of the Board of General Purposes and their assistants as well as those on the staff at our Grand Lodge.

The Grand Master's wife Gloria, has been a pillar in the Stewardship of our Grand Master and we extend our gratitude to her for all of her endeavours.

One final request. The Committee hopes that every Lodge in Ontario will be presented verbally with the final five paragraphs along with the 4 line admonition at the conclusion of our Grand Master's very fine address.

Respectfully and fraternally submitted.

R. E. GROSHAW, Chairman

## **REPORT OF COMMITTEE ON MASONIC EDUCATION & TRAINING**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committees and Teams that comprise this Committee it is my pleasure to outline the many activities and achievements that have occurred this year through the sincere dedication and many hours of hard work put forth by the five Chairmen and Team Leaders and the valued Committee members who attended meetings, participated in conference calls, spent numerous hours on their computers, and dedicated themselves to enhancing the Masonic Education experience provided throughout the Jurisdiction by this Grand Lodge. 2017-2018 has been a busy year and we are proud of what has been accomplished as will be evident in the following Reports.

REPORT OF THE COLLEGE OF FREEMASONRY TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Once again, the College has been very busy dealing with fulfilling the demands of this jurisdiction through stable enrolment and new graduates on a regular basis.

Immediately after our Annual Communication, the Deputy Grand Master hosted a meeting in Hamilton to discuss how to proceed with the District Deputy Orientation Course and working with the College of Freemasonry. I am proud to report that a consensus was reached which will be available for the coming Masonic year in 2018-2019.

In the interim, the prerequisite would continue for this year where Board Members and those aspiring for the Grand Registrar or District Deputy Grand Master position in their Districts must have completed the Past Master Course as currently required by the Book of Constitution of this Grand Lodge.

Based on this direction, the College continued business as usual. The list below is of those graduates who, through their hard work and perseverance have completed their advancement in Masonic Education by completing the Masonic Arts and Sciences course and have earned the appellation “FCF”. Congratulations to each of you.

Name	District	Lodge	Name	District	Lodge
William Calder	Algoma	Port Authur Lodge No. 499	Curtis Sealock	Toronto West	Connaught Lodge No. 501
Larry Steele	Frontenac	Victoria Lodge No. 299	Garrett Forrest	Wilson South	Erie Lodge No. 149
Murray Lund	Toronto West	West Gate Lodge No. 734	Ian Casey	Toronto Humber Valley	Anniversary Daylight Lodge No. 733
Corey Turnbull	Toronto West	Victoria Lodge No. 474	Christopher Reid	Prince Edward	Eureka Lodge No. 283
James Thwaites	Niagara A	St. Georges Lodge No. 15	Amiel Blajchman	Toronto Don Valley	Mt. Sinai-Pillars No. 522
Alexander Harper	Toronto West	Unity Lodge No. 710	Samuel B. Spagat	Toronto Don Valley	Mt. Sinai-Pillars No. 522

The College continues to stay busy with fulfilling the demands of the jurisdiction through stable enrollment and graduates as shown below. *(as of March 31<sup>st</sup>,2018)*

	New Registrants	New Graduates
Masonic Arts and Sciences Course	50	12
Past Master’s Course	64	45
Worshipful Master’s Course	<u>15</u>	<u>2</u>
	129	54

The College wishes to thank and show its appreciation to the following 35 brethren for mentoring the many brethren/students by evaluating those assignments passed to them for their guidance. These brethren have graded over 600 assignments in the past year.

## Active Mentors

Ken Pierce	Elliot Zovighian	Bryce Graham FCF	Darian Bacon FCF
Peter Harbert	Louis Domjan	Fred Hoffner FCF	

We also wish to announce the retirement of R.W. Bro. Alvin Gillies, Wellington District and R.W. Bro. Godfrey Golding, Toronto Humber Valley. They have both put in many years helping the future leaders of our Craft. Thank you both for your 6 years and 19 years respectively of time and dedication to the brethren of our jurisdiction.

The College also wants to recognize at this time the work done by our Assistant Administrator, W. Bro. Mark Kapitan. Mark tendered his resignation as Assistant Administrator on April 30<sup>th</sup>, 2018. After five years of serving the College with an absolute dedication, Mark has decided to step down from his Administration duties with the College to continue in his Masonic journey. Mark will remain as a College mentor so that our future leaders will continue to benefit from such a valuable resource.

On behalf of R.W. Bro. Rick Cadotte, (College Administrator and the many College Mentors) they will miss Mark's unwavering dedication, tireless work ethic, long hours of dedication and positive support that was truly unprecedented. Good luck Mark, continued success in all your future Masonic endeavours (College Brethren).

The College Team decided on September 28, 2017 to rewrite the Education Modules offered by the College of Freemasonry. The objective was to make them current and up to date with relevant material which would provide learning and address the plagiarism happening. To share and assist with information to the District Deputy Grand Master Orientation Team to ensure like information was being used by both Teams.

We are happy to report that all the College Modules have been rewritten approved and are ready for an official roll-out at Grand Lodge in July 2018. The Custodian of the Work had graciously accepted the job of reviewing the answers to the 646 questions for the new Modules.

The College believes that the Brethren will find our innovative approach both challenging and rewarding.

We, once again, ran a successful Essay contest and thank the twenty-four Masons who submitted interesting and thought-provoking essays for our evaluation. Congratulations to the three winners. You can review their essays in the May issue of the Ontario Mason Magazine. We hope to maintain this annual tradition.

Brethren, in closing the College of Freemasonry has presented a new package that is educationally sound and ideal for those seeking Masonic knowledge while enjoying the learning process. It is ideal for the seasoned mason or new inquisitive mason. We also took a huge step this year to change a paradigm of Grand Lodge by working with the D.D.G.M. Orientation Team to formalize our programs with like material. We hope this is a start for all the Grand Lodge teams going forward.

We also hope the Brethren will seek to look at our innovation of the College programs. The old module structure for the College was 19 Modules and three courses. The new proposed structure is 20 Modules and eight courses - The Worshipful Master

Course; The Past Master Course / D.D.G.M.; The Past Master Course / Board of G.P.; District Secretary Course; History Modules; Philosophy and Symbolism, Esoteric and The Masonic Arts and Sciences Course.

We are raising the education bar, my Brethren. Time will tell the measure of our success.

I wish to thank the administrative team of the College of Freemasonry for their success in the running of the day-to-day operations again this year without the help of the Assistant Administrator and his special Team. (R.W. Bro. Rick Cadotte, F.C.F. R.W. Bro. George Warner). To W. Bro. Kapitan and his Special Team of Mentors for the successful rewrite of the College Modules on our timely schedule. To the Deputy and Management Team for taking their time to review our draft questions; make comments and give support as the entire process unfolded, thank you. To the Custodian of the Work for agreeing to review our answers to the over 600 questions.

Finally, to R.W. Bro. John Hay, our Management liaison, thank you for your open and positive responses to this very hectic and demanding year as we all worked together to meet our goals and deadlines.

Respectfully submitted.

DAVID ARMSTRONG, Chairman

## REPORT OF THE MASONIC EDUCATION AND REFLECTIONS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This year the Masonic Education and Reflections Committee has four core objectives.

- **A Masonic Education publication**
- **A Reflections publication**
- **Using Social Media**
- **Drafting a Policy and Procedures Manual**

**Objective 1:** The objective of the **Education publication** is to include articles of an educational and historical nature or best practices from our jurisdiction and other jurisdictions in Canada and beyond.

There were five publications issued every two months from October to June. These publications included best practices in various jurisdictions. Some of the articles we have included are the Nature of Leadership in this jurisdiction, and the minimum and optional requirements for new members to complete for each degree before proceeding to the next degree etc. In terms of historical articles we have included Native American Rituals and the Influence of Freemasonry especially the Number 4 which is a sacred number to the American Indian.

**Objective 2:** The objective of the **Reflections publication** is to include articles written by Ontario Masons who have made presentations in their own lodges, prepared articles that have or have not been published, presentations by DDGMs at official visits, etc. There were five publications issued every two months from November to July. Included are essays written for The College of Freemasonry 2017 essay competition, presentations made to Templum Fidelis Lodge etc.

The Education Monthly and Reflections had new cover pages to make it more attractive and easy to read. Also all articles in both publications are on the Grand Lodge website under the heading Education.

**Objective 3:** Also, one of my objectives this year is to use **Social Media** like Facebook, LinkedIn, videos etc. to generate discussions on the published articles, or view the social media forum as outlets of Masons' personal expressions. I felt that opening up discussion will reach an audience we are not currently making contact with. However, we were unable to use Social Media, as it was not part of this committee's portfolio.

**Objective 4: A Policy and Procedures Manual** was prepared and approved by the Management Committee. The aim of this policy is to provide direction on the publication of Masonic education documents for distribution to our members. The Policy outlines its Vision and Mission statements, publication review and the review and updating process annually. This document will be used by future Education committees.

**Other:** The committee discussed merging the Education Monthly and Reflections publications and issued quarterly. Also, any educational articles received by the Editor, Ontario Masonic Magazine can be forwarded to be included in the Education publication. We also recommended that eight contributors, two each from the East, GTA, West and North districts be appointed to collect and forward articles from their lodges etc. However, after discussions with the Deputy Grand Master and the two relevant Management Committee members, it was agreed that the three publications i.e. Education Monthly, Reflections and the Ontario Masonic Magazine be merged under the Ontario Masonic Magazine which is a branded publication.

It was also suggested that members of the Education committee be not only contributors and researchers of Masonic material to be sent to the Ontario Masonic Magazine but also make Masonic educational presentations around the province.

I would like to thank the following members of my committee R.W. Bro. Al Wright, R.W. Bro. Gerald Newall, R.W. Bro. Robert Clarke, W. Bro. Gary Bruder, W. Bro. Adam Thompson and Bro. Michael Doucette for their assistance and commitment in researching articles for our publications.

Respectfully submitted.

LEYLAND A. MUSS, Chairman

## **REPORT OF THE MUSEUM AND ARCHIVES TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Museum and Archives volunteers working with the Grand Archivist continued with two priority projects. The Graves of the Grand Masters project has located almost all the burial places of the deceased Grand Masters in Ontario and Quebec, except for a handful in the Toronto area. It is planned to have these outstanding Toronto graves identified by late fall 2018.

The document, Guidelines for the Preservation of Our Masonic Heritage, was written to provide Lodges with common sense approaches to the historic resource conservation of their archives and artifacts. In addition, Museum and Archives replied to enquiries from local Lodges and the public on conservation of Masonic collections and local Masonic history.

Respectfully submitted.

DANIEL J GLENNEY, Grand Archivist

## **REPORT OF THE BOOK SALES TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

My double-phased mandate as Team Leader for Book Sales was to set up a dialogue with the DDGM's of the jurisdiction to ensure that the District Librarians had a working inventory of Grand Lodge publications available to accommodate the requests of the Lodge Secretaries and members. A letter was distributed to the respective DDGM's regarding proper procedures when ordering needed publications from Grand Lodge.

The other phase of my mandate was to promote the College of Freemasonry and this was accomplished by having the proper reference materials necessary for the courses available at the DDGM Orientations that I attended throughout this Grand Jurisdiction. The response received from aspiring DDGM's and District Secretaries was profoundly positive and myself being an FCF added to my ability to accurately field any questions pertaining to completion of their FCF certificates.

The specific books that are available for purchase are divided into two categories:

- Grand Lodge Publications (only available through Grand Lodge)
- Non-Grand Lodge Publications (available only through a private supplier)

Although the publications offered through Grand Lodge are subject to publisher ordering / printing, and processing timelines, which at times makes some titles unavailable (i.e. Book of the Work) are then backordered until inventory can be restocked.

The non-Grand Lodge publications are only available through a private dealer and are mostly available at the Grand Lodge Communication in July, with some unsold titles available at Grand Lodge for purchase at the front desk.

More and more Grand Lodge publications are being offered in PDF format on the Grand Lodge website but I do observe a certain preference to obtaining the written word rather than the electronic medium at the orientations. It should be noted that the non-Grand Lodge publications are usually written and published outside the jurisdiction and therefore are subject to additional costs making these publications expensive. I believe that domestic Masonic authors are available and that we should look at researching these Canadian Masonic thinkers to add that Canadian Masonic flavour to our current inventory. After-all Canadian Masonry is subtly different in some respect to the Craft practices of the USA, Mexico and Europe.

The 2018 Grand Lodge Communication will once again have a table setup where both types of books will be offered for purchase. We will have the Grand Lodge publications for purchase and we will have another 46 titles of non-Grand Lodge publications for sale. I have witnessed a thirst for the deeper, more esoteric philosophy that is intrinsically woven into the essence of our Craft and I believe that this is where we need to direct our Masonic thinking to better serve our membership.

Respectfully submitted.

KEVIN J. FURLONG, Team Leader

## **REPORT OF THE BROCK UNIVERSITY PARTNERSHIP TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This has been a year of transition for the Brock University Partnership as the long-time chairman R.W. Bro. Gareth Taylor stepped down and a new committee was formed. Preparations for the Sankey Lecture commenced in August 2017 and the University selected Dr. William Moore, Professor at Boston University as the keynote speaker for the 2018 lecture. The lecture was scheduled for April 15<sup>th</sup>, 2018 but due to the Ice storm a decision was made to cancel the event and reschedule for the fall of 2018.

The highlight of this year has been the establishment of the Grand Lodge of Ancient Free and Accepted Masons of Canada in the Province of Ontario Scholarship. This scholarship will be made to an entering graduate at Brock.

University who demonstrates academic excellence and who is earning a Master of Arts in History. Preference will be given to a student studying Freemasonry/Fraternalism. The first scholarship is planned to be awarded in 2019.

Respectfully submitted.

HOWARD ADAMS, Chairman

Brethren, it has been my sincere pleasure to work with these six dedicated leaders of our Grand Lodge. Throughout our many interactions they have demonstrated a sincere love for the Craft, diligence and professionalism in their quest to advance the mandates of their respective Committees and Teams, and have never wavered in their work ethic while

always maintaining a positive outlook to the future. We are very fortunate to have Brethren such as these, who are willing to give freely of their time and talents to serve this Grand Lodge. To each of them, on behalf of us all we say, Thank you.

Respectfully submitted.

## **REPORTS FROM THE CRAFT STEWARDSHIP COMMITTEE**

### **REPORT OF THE COMMITTEE ON STRATEGIC PLANNING**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It was been my pleasure to Chair the Strategic Planning Committee and to present this report to our Grand Lodge. The Committee has undertaken at the request of our Grand Master to make planning for the future (Strategic Planning) more lodge focused.

The information gathered by the Committee on the Condition of Masonry clearly indicates that our lodges appreciate the need for and importance of planning for their future. The information also very clearly demonstrates that our lodges are not developing and/or implementing strategic plans for their lodge. Therefore, the Committee has worked on developing an approach to Strategic Planning that is manageable for our lodges and that will allow lodges to see immediate results for their efforts. The Committee has presented for approval, a plan to introduce the concept of "Strategic Action" to our lodges.

The Strategic Action approach will guide lodges through the process of evaluating their Strengths and Weaknesses and prioritizing the weaknesses for action. The second phase of the process will be the creating and executing specific (tactical) plans to transform the identified weaknesses.

Subject to the approval, the Committee will develop the necessary materials and introduce the Strategic Action approach to our lodges next Masonic year.

### **Key Performance Indicators**

Over the past number of years, this Committee has reported on the trends in the decline of membership as a Key Performance Indicator. This trend of declining membership continues as can be measured by the number of our lodges and districts either amalgamating or considering the same. As an alternative to amalgamation, a number of our lodges chose to close their doors releasing their members to choose the lodge they wish to continue Masonic journey with.

Declining membership is a shared issue across the fraternity and service organizations alike. There are several "reasons" assigned to explain the "why" both fraternal and service organizations are experiencing this long-term decline in membership. In response some of these organizations have attempted to implement strategies many short-term to either stabilize or reverse this trend.

The data clearly identifies two elements that make up the total decline. They are member retention and initiations. In order to stem the tide of declining membership both these elements will have to be addressed in parallel and with equal vigor!

### **Recommendation**

It is the recommendation of this Committee that a Task Force be formed with the mandate to develop the necessary Strategic Actions to first stabilize the membership numbers of Craft and then to design a roadmap for modest sustainable growth, based on seeking out potential members of "quality".

This recommendation aligns with and supports:

**Our Vision** – “Ensuring the timeless vitality of Freemasonry in Ontario”  
**Theme No. 1** – Timeless Vitality - Ensuring the long-term growth and effectiveness of Freemasonry in Ontario.

**Theme No. 4** – Answering the Knock at the West Gate - Aligning Freemasonry’s timeless value to today’s modern culture.

**Strategic Goal No. 5** - Better understand, serve and support the needs of our current members and their families.

**Strategic Goal No. 6** - Ensure that a vital membership continues to grow and expand in Ontario.

**Reporting on the 2017/2018 Tactical Plans**

Project No.	Project Name	Responsible Chairman	Status
2015-02	Five Year Marketing Plan	R.W. Bro. Perry McConnell <i>Public Awareness</i>	Deferred
2015-03	Unified Resource for Candidates	V.W. Bro. Dan Hutt <i>Brother to Brother</i>	EA and FC resources completed and approved. Resource for MM in progress
2016-03	Membership Engagement and Retention	R.W. Bro. Barry Burchill <i>Management Committee - Communications</i>	Ongoing evaluation to measure success of initiatives
2017-02	Membership Exit Survey	R.W. Bro. George Warner <i>Friend to Friend/Mentor</i>	Proceeding with a Pilot in six Districts

2017-04	Electronic Voting	R.W. Bro. Edward Standish <i>Management Committee - Operations</i>	Final Report Submitted - COMPLETE

**Seminars and Workshops**

The Committee is thankful for the opportunities to present at various lodges and Districts throughout the jurisdiction. As the new toolkit to support lodges is rolled-out in the next year, such opportunities will be an important part of both the communication and implementation strategies.

**Creation of the 2018 – 2019 Annual Tactical Plan**

Input for the next Annual Tactical Plan has been solicited from the various Chairmen and Team Leaders of the Board of General Purposes as well as ideas taken from past survey results, the reports from the Committee on the Condition of Masonry, Fraternal Reviews and the 2017 – 2018 Annual Tactical Plan. A list of potential projects will be developed, prioritized and presented for approval, which will result in the 2018 – 2019 Annual Tactical Plan.

Respectfully submitted.

## REPORT OF THE DDGM ORIENTATION TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am truly privileged to present this report on behalf of the DDGM Orientation Committee, which consists of: R.W. Bro. Jamie Ireland, Chairman; R.W. Bro. J. Paul Johnson, Secretary; R.W. Bro. Hugh Fleming; R.W. Bro. Jim Smith; R.W. Bro. Stephen Durham; R.W. Bro. James Wark. Also, I would like to mention and thank R.W. Bro. Brian Simpson for his dedication and assistance with the DDGM Orientation Sessions.

The DDGM Orientation Committee held a total of 11 Sessions which were at Harriston, Paris, Ridgetown, Oshawa, Brockville, Barrie, Sturgeon Falls, Guelph, Thunder Bay, Dryden and Toronto. The Sessions in Thunder Bay and Dryden were added this year to better serve the members from the Northern Districts. These Sessions were extremely well received and supported by the Brethren and will hopefully be on the schedule again next year. Each host Lodge received a \$75.00 donation for welcoming our Committee into their building and providing refreshments and a light lunch to the attending brethren. We certainly appreciate those Lodges support and are honoured to be in their company.

There were 200 brethren from almost all of the 42 Districts that attended the DDGM Orientation Sessions. They are aspiring to be future DDGM's and District Secretaries and we would like to thank them all for their support and dedication to gaining the extra knowledge that we know will help them achieve their masonic goals and aspirations. Also, many current DDGM's and District Secretaries attended the Sessions and added their own personal comments and experiences. Their continued involvement makes their respective Districts stronger and our Sessions more relevant to that part of the Jurisdiction.

The material that the Committee presents to the aspirants is constantly reviewed and updated. We want to make sure that the latest information from the most up to date Grand Lodge Publications is relevant and conveyed to the brethren. Our PPT presentation is constantly revised and is treated as a living document, ever changing to meet the needs of today's aspirants. We now offer, as a part of our information package that we send to the attending brethren, certain Grand Lodge Policies that will undoubtedly allow them to have a better experience and a more successful Masonic Year. A greater understanding of Grand Lodge Policies and Programs makes better leaders and Lodges.

Our Committee would like to thank W. Bro. Kevin Furlong, the Team Leader of Grand Lodge Book Sales, for travelling to almost all the DDGM Orientation Sessions and making the various Grand Lodge Publications available for the attending aspirants to purchase. Job well done Kevin, you made our Sessions easier to conduct and made the books more accessible to the brethren. The Chairman for the Condition of Masonry, R.W. Bro. Michael Locke, made his team members available at our Sessions to better explain the "L" forms and how the required information is collected and analyzed.

In conclusion, the DDGM Orientation Committee is doing an exceptional job presenting and promoting the important information that the DDGM and District Secretary aspirants need to enable them to better conduct their duties, once they receive that high office. I would like to congratulate the entire Committee on their fine work, their desire to instill confidence in the aspirants and their dedication to bringing excellence to the DDGM Orientation Committee.

Respectfully submitted.

JAMIE IRELAND, Chairman

## REPORT OF THE CONDITION OF MASONRY TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am pleased to present the report from the Committee on the Condition of Masonry to this One Hundred and Sixty-Third Annual Communication of Grand Lodge. It has been my privilege to lead this dedicated committee of knowledgeable and experienced masons who conduct the reviews of all the lodges.

### Condition of Masonry – General

As Chairman of Condition of Masonry I am pleased to report that I have received all reports in accordance with Section 104 (b) of the Book of Constitution from the forty-two District Deputy Grand Masters.

As prescribed in the Constitution, reports to the Committee on the Condition of Masonry are to be submitted within 14 days following the Official Visit. **92%** of the reports are received within the prescribed timeline. The Committee wish to acknowledge and compliment the following Districts for achieving 100% on-time submission of all reports; **Algoma, Chatham, Grey, Hamilton A, Hamilton B, London East, Niagara A, Nipissing Muskoka, Ottawa 2, St. Lawrence, Sudbury-Manitoulin, and Wilson North.**

The following Districts receive Honourable Mention as there were only one or two tardy submissions from the following Districts; **Algoma East, Brant, Bruce, Eastern, Essex County, Georgian North, London West, Niagara B, North Huron, Ontario, Peterborough, Temiskaming, Toronto East, Waterloo, Wellington and Wilson South.**

The current system of reporting relies heavily on e-mails to distribute the L-Forms to all parties. To this end it is requested that care be given to providing accurate e-mail addresses to ensure correct delivery of the forms.

### CoM Lodge Report

This is the second year of the “CoM Lodge Report” which is sent to all lodges in an effort to encourage discussion within the lodge and to assist in the development of long-range plans for the lodges. This report is a summary of the findings of the Committee based on the information provided in the four L-Forms submitted for review from each lodge. This report endeavours to provide feedback in those areas that are considered an essential ingredient to a healthy and happy lodge. These include Membership, Finances, Ritual, Fellowship-Social Intercourse, Masonic Education, Officer Progression, Family Activities and Community Awareness and Involvement. Contact information for the various Grand Lodge Committees that may prove beneficial to improvement is also provided.

As this is the second year for the CoM Lodge report, the Committee will use the data collected this year to compare to last year’s data to establish the effectiveness of the CoM Lodge Report. This work is currently underway and will take some time in order to prepare a detailed analysis. Generally and broadly speaking we are only seeing modest changes year over year. While some lodges are moving from a ‘conditional’ rating to a ‘healthy’ rating, almost as many lodges are moving in the other direction.

This year **53.4%** of our lodges received an overall “Healthy” rating from the Committee, which indicates that they meet or exceed the expectations in their quest to *ensure the timeless vitality of Freemasonry in Ontario*. This is a modest improvement over last year’s 52%.

As the result of the review process, **38.4%** received an overall “Conditional” rating. This is a drop from last year’s 46%. This rating identifies that there are some areas of

concern and/or areas that need improvement.

Sadly the Committee rated **8.2%** of our lodges “At Risk”, a slight increase from last year’s 5%. This rating indicates the need for immediate remedial action.

At the One Hundred and Sixty Second Annual Communication a constitutional amendment regarding dues was passed. At this point in time, we are seeing an improvement on the outstanding dues that lodges are carrying on their books. At the Mid-term, the effects of the amendment had only shown modest results and lodges were still reporting a total of \$131,272 of dues arrears. This was probably due to the fact that many lodges had not had their year-end when the reports were prepared in anticipation of their Official Visit. It is projected that when all lodge reports have been received for this masonic year, the total arrears reported will be \$357,143. This represents an improvement over last year’s \$433,946. Moving forward there should be no dues more than 12 months in arrears.

### A Quick Overview

The Committee is pleased to provide the following statistics to paint a general picture of the lodges in our jurisdiction.

#### Lodge Statistics

Average Lodge Membership – **71**

Dues Paying – **63**

Life Members – **8**

Average Resident Dues – **\$ 148.00**

Average Member Attendance – **17** members or **23.9%** of the lodge

Average Number of Visitors (Regular Meetings) – **6**

Applications Received for Initiation:

**0 – 17%**

**1-2 – 43%**

**3-5 – 27%**

**>6 – 13%**

**32%** of lodges have 3 or more Past Masters in the Officer Line-Up (WM, SW, JW, SD, JD)

Average per capita cost of accommodation – **\$97.19.**

**31%** of lodges reported an operating deficit in the current masonic year.

**57%** of lodges reporting deficits, report reoccurring deficits of more than 2 years.

**60%** of lodges prepare a written budget.

**60%** of lodges reported having a long range planning committee.

**21%** of lodges report having a written long-range plan.

**7.2%** of lodges have requested assistance from the Financial Advisory Committee.

**93%** of our lodges consider themselves “*Financially Sound.*”

**27%** of our lodges reported having no investments.

### Recommendations

- 1) Lodges be encouraged to develop a written long-range plan covering a minimum period of 5 years and that the plan be reviewed at regular intervals and updated. Such plans will contain measurable goals and objectives.
- 2) Lodges be encouraged to develop multi-year financial plans.

- 3) Lodges be encouraged to evaluate their dues structure, which realistically reflects their costs. These costs would include accommodation, Grand Lodge assessments and district assessments at a minimum and also include contributions to reserves.

**Closing**

I would like to recognize and thank the many skilled brethren who devote many hours analyzing the L-forms and developing useful feedback to the lodges. The full analysis of the more than 2,000 L-forms will be posted on the website for the use of all brethren.

A guide to completing the L-forms has been prepared and will be published on the web site well in advance of the 2018-2019 Official Visits so that lodges can see exactly how performance is measured.

It has been my distinct pleasure to serve this Grand Lodge and on behalf of the Committee, I thank everyone for their assistance and timely reporting throughout the past year.

Respectfully submitted.

Michael Locke, Chairman

**REPORT OF SEMINARS AND WORKSHOPS TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Committee on Seminars and Workshops, it is my pleasure to report on the presentations made throughout Ontario during this 2017-2018 period.

**OUR MANDATE**

“Providing informative, instructional and interactive seminars and workshops on topics important to the Masons of Ontario.”

**SEMINARS DURING THE YEAR**

Early in September, committee members identified Districts that may not have had presentations in the last year or two. Contact was then made with the DDGMs of identified Districts and dialogue began to identify a venue, date and time, and topic. Once these details were decided, it was not long to receive overwhelming support from Chairmen and Team Leaders to oblige our requests.

At the time this report was submitted the attendance at the events was respectable, with attendance ranging from 22 and 40 at each session.

Evaluation cards were distributed after many of the seminars and the committee was pleased to read that almost every response was a “good” or an “excellent”. Often, the only criticism noted was that workshops were not long enough and there was not enough time to discuss or to tend to all the questions from the audience. We do not hesitate to acknowledge the fraternal/social benefits of the seminar event.

## REPORT ON THE MASONIC FOUNDATION OF ONTARIO

*This Report was presented by R.W. Bro. Allan C. (Al) Dvorak, President.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

This Report does not appear in the Preliminary Reports and Fraternal Reviews of Grand Lodge.

On behalf of the Directors, it is my privilege to present this report of the fifty-fifth Annual General Meeting of Masonic Foundation of Ontario at this, the Fairmount Royal York hotel, in the City of Toronto, on Tuesday July 16, 2018.

**Year in Review:** This year marks another year your Foundation provided relief and assistance to members of our society. The first Annual General Meeting of the Foundation occurred on July 14, 1964.

In the last fifty-four years your Foundation has provided over \$16 million in funding several causes, most notably hearing research, family support for children with autism spectrum disorder, drug and substance abuse education for our youth, bursaries for post-secondary school students, prostate cancer research, cochlear implants for deaf children, audio-visual therapy for children with low lever hearing, youth groups, including 4-H, DeMolay, Girl Guides, Boy Scouts, Rainbow for Girls, and other grants of charity too numerous to list.

In 1985 the Foundation's support of District charity projects was formalized and since that time the number of Districts participating has continued to overwhelmingly grown in support.

The Annual Report highlights the programs supported by the Foundation as described by Directors and Committee Chairmen. As you read through these reports you will appreciate the great work of the various recipients of your Foundation's funding.

Your Directors vigilantly oversee the programs to ensure your funding is used efficiently and effectively.

**Appreciation:** Your Foundation, like all charities could not operate without the countless hours of work our volunteers donate. Without their labour of love for the Foundation's work, we could not provide the support for our charity program recipients. To them we say a big THANK YOU. We thank the members for their support and the confidence they have placed in the Directors and staff. Thank you to all who participated in fund raising activities of the District and Lodge charity projects. We sincerely hope the fellowship and friendships made as you worked together for a common goal are lasting bonds of fraternal affection and respect.

We thank our many donors and benefactors whose donations are thankfully received and faithfully applied. Not only our own brethren, but so many family members who have made donations in honour of our brethren.

At our Annual General Meeting last year we welcomed Chad More, Barry Burchill and Dan Graham as new members to the Board of Directors. Likewise, Ivan Elliot and

Brian Koivu have returned as Directors to the Board of Directors and have remained active members of the Foundation over the past years. Brian Koivu is the Treasure of the Foundation. The combined and individual experience these dedicated brethren bring to the Foundation will greatly benefit the future success of its endeavours.

Ex-officio Director Paul E. Todd was elected Deputy Grand Master, and by virtue of his office will continue as an Ex-officio Director of the Foundation. David has been instrumental in overseeing the medical aspects of the prostate cancer research projects sponsored by “Prostate Hope”.

No organization could succeed without the dedication of its staff, and the Foundation is no exception. We have been blessed to have Melvyn Duke, our Secretary, and Kathy Crombie, our administrative assistant. The Directors salute them for their loyalty and dedication to the success of the Foundation.

The Foundation has been the beneficiary of the unwavering support of the Grand Master, Grand Lodge and the Officers of Grand Lodge, and we are most appreciative of their continuing support.

**The Work of the Foundation:** I urge you to read the complete reports of the Foundation programs which follow. As you read through the reports of the committee chairmen you will appreciate the wide spectrum of social needs which are being addressed by the Foundation. Our main focus has been, over the years, children and young people, but as you read the reports, a great emphasis has been placed on our “more experienced Masons, especially with our support of prostate cancer research through the “Prostate Hope” campaign for four years.

**Prostate Hope:** The “Prostate Hope” campaign was initiated by Most Worshipful Brother Donald A. Campbell and President A. Douglas Nichols on July, 2013. A fund raising goal of \$1 million was set. “Prostate Hope” continued with the support of Most Worshipful Brother John C. Green and formed a very active portion of my term as President, with Lindsay Reiach as the chairman. On July, 2017, “Prostate Hope” reached over \$1.3 million for prostate cancer research projects.

**Closing:** Lastly, on a personal note, I advised the Board last year that this would be my final year as a Director and President of the Foundation. I have been involved with the Foundation in one capacity or another for the last fifteen years. Without the backing of my wife Gerry, there would have been no possible way I could have donated so much time and effort to the Foundation. My appreciation of her support is an understatement, to say the least. I have enjoyed every minute I’ve spent with the wonderful people associated with the Foundation; the recipients of the grants, my colleagues of Grand Lodge, people I have reached out for assistance, and especially the Directors, committee members, Mel, Marlene and Kathy.

Together we have accomplished much; **there is still much to do**, but that will be up to others as they will write the new and future chapters of the Foundation.

I want to thank all of you for affording me the confidence and privilege of serving as the President of YOUR Foundation.

ALLAN C. (Al) DVORAK, President

## REPORT OF THE ADVISORY TO LODGE BUILDINGS

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Grand Lodge Mandate for Lodge Buildings and Operations was adopted to ensure the on-going and relative safety, comfort and longevity of Temples and Lodges on behalf of the membership jurisdictionally. The mandate itself is extensive and comprehensive so far as it relates general construction and the updating of building improvements. It endeavors

to cover the necessary elements that insure Temples and Lodge rooms are brought into line with present Municipal and Provincial Building Standards.

Certificates relating to Insurance, Fire Regulations, alarms, lighting and Handicap accessibility are among the most key items for Lodges to up-date and maintain. In this respect, a fair number of Lodges fail to comprehend, understand; or perhaps accept, that there are very real and present dangers to be aware of and to prepare for the potential of. The state of many older buildings has remained in a neglected position for some time. Therefore, the personal resolve and financial base vital to remedying such things has been hard to impart, reluctantly accepted and difficult to implement across the province. Understandably, when things have been a certain way for some time, the will to change drifts, and is difficult to have others come to terms with as time marches on.

It's to be acutely noted however, that examples highlighting those who have taken steps to adopt and include updated Municipal and Provincial Standards has curbed disaster and helped save an otherwise lost building. One such case was in Humber Valley District where arson was the unrealized danger which presented itself. In a later letter to the Grand Master, the Temple Board noted that if it hadn't been for recent upgrades, fire doors and other improvements, the entire building would have been lost. The above highlights the necessity for and the benefit of, embracing the Grand Lodge Mandate and really putting it into action.

Among other things, the Committee for Lodge Buildings endeavors to connect with Lodges to solicit and secure valid certificates of insurance and fire protection compliance. This is currently achieved through a series of phone conversations requesting such, supplemented with visitation to those Temples and Lodges that may not be forthcoming with the appropriate documents. The system is tedious, singularly repetitive and virtually redundant as it operates almost entirely at arm's length and through the good graces of willing individuals.

With some 548 Lodges to contact and follow up with; even though broken into three segments with differing time lines of completion, the task provincially is quite onerous. The committee therefore recommends, that standard Certificates relating to Insurance and general Fire compliance be forwarded with the Semi-annual Return. Each Lodge submits these twice annually and it would be far easier to record this information at that time; keeping a running spreadsheet controlled by office staff.

Most Lodges are willing and of assistance, however, the time lag between initial request and final follow up varies greatly and can require a number of calls and pleas for compliance. As this information is critical on a number of levels, the above recommendation is a logical application, especially as Grand Lodge is in touch with Lodges for a variety of reasons over the course of the year. In this manner, the regularity of submissions and full information stands to be more organized, complete and maintained for review where deemed prudent.

Respectfully submitted.

TERRANCE H. VAN HORNE, Chairman

### **REPORT OF THE COMMITTEE ON FRATERNAL RELATIONS**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of  
A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure to present the Fraternal Relations report on behalf of the committee.

Recognition requests were received from the Symbolic Grand Lodge of Paraguay and the Grand Lodge of Kosovo.

A split occurred in Paraguay that resulted in two Grand Lodges with similar names and addresses and it is reported only one meets the standards for recognition. It is recommended the request be placed in abeyance until the two Paraguay Grand Lodges settle their differences amicably.

On February 17, 2018, The Grand Lodge of Kosovo and its three lodges were consecrated in Pristina, Republic of Kosovo by the Grand Lodge of Albania, an action that was deemed an infraction by other area Grand lodges and specifically on the Grand Lodge of Serbia. It is recommended, recognition not be granted until such time as a sharing of jurisdiction treaty is established.

Recognition requests reported last year and received from four Grande Oriente jurisdictions located in Brazil: Rio Grande Do Sul, Mato Grosso, Parana and Santa Catarina. It is now recommended; their recognition requests be granted.

Correspondence received on March 14, 2018 from the United Grand Lodge of England and April 16, 2018 from the United Grand Lodge of Germany indicating both Grand Lodges have suspended relationship with the Grand Lodge of Albania.

Correspondence received dated April 13, 2018 indicates the Grand Lodge of Kansas has suspended fraternal relationship with Cuba due to its invasion of the sovereign jurisdiction of the Grand Lodge of Florida. Also, it has suspended relationship with the Grand Lodge of Arkansas, alleging their willful disregard of two basic principal landmarks of Freemasonry; that of, the right to trial and the right to appeal.

Respectfully submitted.

TERENCE SHAND, Chairman

### **REPORT OF THE ADVISORY COMMITTEE ON LODGE FINANCES**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I am grateful to our Grand Master to have had this opportunity to serve our Grand Lodge as the Chairman of the Advisory Committee on Lodge Finances.

The Committee reports to the Management Committee through the Operations Chair R.W. Bro. H. Edward Standish and functions as a resource to individual lodges and districts and to the Grand Lodge on matters pertaining to financial management including those impacting lodge facilities.

The focus in recent years both for myself and several of my predecessors has been on financial best practices. These activities include those related to budgeting, accounting, auditing and longer term financial planning. Over the past two years, this list has been expanded to include lodge investments. In this regard various templates, sets of guidelines and checklists have been developed and maintained by the Committee and are available on the Grand Lodge website.

Referrals and requests for the assistance of the Committee come from a variety of sources but the principal one is the L4 Form prepared by Lodge Treasurer and Secretary in advance of the Official Visit of the District Deputy Grand Master. The Form is designed to capture relevant financial data and is submitted through the DDGM to the Grand Lodge Committee on the Condition of Masonry. It also provides the opportunity to request the assistance of the Lodge Finances Committee.

As of this writing, 13 such requests for contact from lodges have been received for the 2017-18 masonic year via the Condition of Masonry Committee. Most of the requests come from lodges which have been experiencing operating deficits for several years usually due to declining revenues related often to declining membership thus requiring them to draw down on reserves.

Part of the L4 invites those preparing the form to assess and report as to the “financial soundness” of the lodge. It is interesting to note that some lodges which have incurred deficits for five years or longer regard themselves as being financially sound, possibly due to reasonable reserve balances. Reserve amounts, even those which are moderately large will eventually disappear if the problems which contributed to the year-over-year shortfalls are not addressed.

In its communication with individual lodges the Committee has worked to define “financial soundness” in more objective terms related to the operating results, the balance sheet, the general situation regarding dues in terms dues structure and dues reconciliation and the general approach to budgeting, financial reporting and the lodge audit.

The Committee wishes to emphasize again that its role is advisory not compliance enforcement. Our mandate is to respond to requests for assistance and to provide advice and guidance so as to enable those who are responsible for the well ruling and governing of a lodge and its finances are fully equipped to fulfill their responsibilities.

The financial practices followed by lodge building entities and Temple Boards continue to be a focus of concern for our Committee. It is reasonable to say that financial management of a building entity regardless of organizational structure is more complex than that of a lodge and thus risk elements and their attendant consequences are more prevalent. Your Committee has continued to support lodge building entities as they deal with a range of issues notably those related to the filings required by regulatory agencies.

I am pleased to submit this report on behalf of the Committee, R.W. Bro. Syd Schatzker, V.W. Bro. John Scott and V.W. Bro. Neil Friedman to all of whom I express sincere appreciation for their service to the Committee and to our Grand Lodge. In like manner both I and the Committee are indebted to R.W. Bro. Michael Locke, Chairman of the Committee on the Condition of Masonry and to R.W. Bro. Ed Standish, Operations Chair and Member of the Management Committee for their collaboration and support.

Respectfully submitted.

BRIAN V. KOIVU, Chairman

## **REPORT OF THE COMMUNICATIONS COMMITTEE**

### **REPORT OF THE WEB TECHNOLOGY TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Website Team continues to work with other members to ensure that the information on the website is secure, up to date and accurate. Our team is part of the Communications Committee under the Chairmanship of R.W. Bro. Barry Burchill. The website continues to be a source of information for the members and public and is also used to access forms for the Grand Lodge Office and now this year for the entry online of the Condition of Masonry “L” forms. It also provides links to other useful sites in both our own jurisdiction and for outside jurisdictions. The team also dedicates considerable time to securing and updating the website and to answer questions and provide assistance to the members.

The Grand Lodge website has had 46,259 visitors in the last year (April to April), 45,063 new visitors. It had 82,895 sessions with an average of 1.79 sessions per user. The average time for a session was 4 minutes and 21 seconds. 65% of the users were on a desktop, 26% mobile and 8.8% tablet. 47% of the users used the Chrome browser, 29% use Safari, 12% Internet Explorer. 54% of the users use Windows 22% use iOS (iPhone), 13% use Android, and 8% use Mac OSX. Average page load time is 2.64 seconds with the Chrome browser providing the best performance by a factor of 2. The majority of the users used the site to view and access documents and to fill in “L” forms.

Server system loading is moderate and loading is appropriate with cpu loading average 2%, Disk usage and 70%, and memory usage at average of 20%. The website is backed up daily and the whole server weekly. We average 5 attempts at security breaches a day on the website, and many more on the server itself. There have been no security breaches or failures of the website this year, but the administrators have taken precautions to be able to restore the site in a few minutes in the event of a server failure. The system has automated diagnostics and provides a heartbeat to indicate the major components are working properly.

The year started out with goals to further integrate with the Grand Lodge Office and to investigate opportunities for technology improvements and Grand Lodge Office involvement with the website. Unfortunately, with the departure of the newly hired Office Manager these new objectives had to be deferred. So the primary focus for the team this year was service to the membership and site maintenance and security.

Our website continues to be an active contact point for new membership inquiries and we have made minor improvements with the addition of separate calendars and blogs for the Grand Master and the Deputy Grand Master.

Finally, I would like to thank the Website Team for their help and assistance this year and for R.W. Bro. Mike Locke who stepped in for me in January while I was in the hospital recovering from surgery. Also a personal thank you to R.W. Bro. Barry Burchill our Communications Chairman for help and guidance this year.

Respectfully submitted.

ROBERT LEDINGHAM, Team Leader

## **REPORT OF THE INTERNAL COMMUNICATIONS – PUBLISHING REVIEW TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Internal Communications – Publishing Review Committee continues to promote accurate, informative and creative communication strategies among Lodges and Districts, and annually rewards the most outstanding District Websites. The Committee also stands ready to assist Chairmen, Team Leaders and Committee members in our Publishing Review role. Written presentations of all kinds may be submitted for review, and may receive recommendations for improvement in terms of grammar, spelling, font sizes, format and consistency. We look to ensure that outgoing documents and communications comply with the Grand Lodge Communication Strategy.

We made the decision to no longer review District Newsletters, as we have in the past, due to the ever-decreasing number of submissions. We have noted that there has been corresponding effort made in improving the District websites, and this is where we are focusing our efforts this year. Plaques will once again be presented at Grand Lodge.

Over the course of the year-to-date our committee has received 38 submissions, numbering 287 pages for review. Our team provided any necessary corrections, along with other recommendations and returned them to the authors within 4-5 days on average. We trust that our efforts have been well received.

Respectfully Submitted.

ROBERT LEFFLEY, Team Leader

## REPORT OF THE BLOOD DONORS' COMMITTEE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Blood Donor Team consists of a team leader and the District Chairmen of Blood Donors. The team's Goals and Objectives this year were:

1. To promote and encourage Masons, their families and friends to give the gift of life when able to do so.
2. To assist and improve awareness of the need and use of blood and its by-products to the brethren, their families and friends within their community.
3. To raise the awareness of and encourage their brethren, family and friends to consider participation in the Unrelated Bone Marrow Donor Registry.
4. To establish and support a viable relationship with the Canadian Blood Services.

I'm pleased to report that Masons in Ontario continue to make a major contribution to the cause of blood supply. Through the efforts of the District Chairman and the many lodge volunteers they have collected some **24,244** units of blood from Masons, their families, friends and neighbours. Well done brethren. These are significant contributions to the wellbeing of the people of Ontario.

These statistics only tell part of the story. Many lodges and individuals spend a lot of time and effort in this task and many go unrecognized. Some of this apparent lack is explained by a failure of reporting. As will be seen from the results in the appended table I've had no report from many Districts and their totals are only those reported through the Partners for life (PFL) data supplied by Canadian Blood Services. The lack of reporting by many Districts makes this project difficult as far as statistical accuracy is concerned. I must stress that they are only a best estimate; the actual total might well be higher than this.

With that proviso however, it is heartwarming to report the major effort put forward by those Districts that have reported. Four Districts, Nipissing Muskoka, Niagara B, South Huron and Georgian South, account for a substantial portion of all donations recorded overall.

### Partners For Life (PFL)

This program of Canadian Blood Services is changing. Each year they renew the pledge and the "champion", a process of re-registration. This takes place at the beginning of the calendar year. In 2017, 13 districts did not re-register and so they have no results for PFL. This year, 2018, there are many more who have failed to re-register.

At the time of compiling this report (April 16th, 2018) 13 Districts have not reported. In most of these no re-registration has been recorded. I have arranged through CBS to automatically re-register every District as a Partner for life "pledge" category. The chairmen of each District will be designated as the "Champion" and will be contacted by Canadian Blood Services.

**Significant Contributions**

The following brethren made significant contributions to our cause. We recognize their efforts and thank them for the special efforts they have made. They are the unsung heroes who can make us all proud to be Masons. The lack of donations can be attributed to an aging membership, medical concerns, drug use, apathy and not impressing on the newer members of the importance of this project.

**W. Bro. Grant Shuttleworth of Niagara B** district reports that:

W. Brother John Mather of Copestone Lodge, because he cannot donate blood in Canada, is a regular volunteer in the community. As a registered and trained spokesman for Canadian Blood Services John spends many days at local events, malls, schools and shopping centres handing out brochures and pre registering donors for upcoming clinics.

W. Brother Bill Hodwitz is celebrating 27 years of volunteer services with Canadian Blood Services. His efforts over the years are beyond outstanding.

**W. Bro. Leslie Fraser of Georgian South,** reports that:

Total number of donations through clinics sponsored by District Lodges was 754 at 12 monthly clinics.

Outstanding Efforts – recognition: Tottenham Lodge No. 467 and their dedicated volunteers namely - R.W. Bro. Milne and wife Janice; W. Bro. Jones and wife Shirley; W. Bro. Devons, Bro Corbett who staffed the clinics every month.

**V.W. Bro. Wayne Snyder of South Huron** has worked hard for many years to further the cause of blood donation. For personal reasons he is stepping down. Well done V.W. Sir, for all that you have done. You have made a big contribution to our cause.

**W. Bro. Ben Dawson of London West** district recently completed his 200th donation.

**W. Bro. Herb Koch** reports that:

Bro. Gino Sgovio, W. Bro. Les Gough, Bro. Paul McIntosh, W. Bro. Scott Ryckman, Bro. Ed Dallal of Rising Sun Lodge have each made a significant effort in volunteering time in local Aurora blood donor activities.

Bro. Joe Williamson of Corinthian Lodge has done an exemplary job in leading volunteer efforts to Newmarket blood donor clinics and has ensured every clinic is well supported by lodge volunteers and have provided over 270 hours of their time. Ten brethren are actively involved, and each has a personalized red shirt that is worn to identify them as volunteers at the clinics. In particular, Bro. Ron Hamilton, W. Bro. Sam Lochran, W. Bro. Dave Henrickson, and Bro. Charles Backhouse have been identified as the most active.

W. Bro. Gord Elder has been very active in organizing volunteer activities for Tuscan Lodge. W. Bro. Errin Janes, V.W. Bro. Don Emerson, V.W. Bro. Terry Alderson, Bro. Peter Gabriel and Bro. Rik Ellery comprise Gord's team of volunteers for blood donor clinics in the Newmarket area.

Members who have made their first, or multiple of 25 donations:

W.Bro. Mark Young, Zeredatha Lodge No. 220, Total 47 donations.

W.Bro. Emilio Testa, Zeredatha Lodge No. 220, Total 91 donations.

W. Bro. Herb Koch, Corinthian Lodge No. 481, Total 108 donations.

### **Peterborough District**

I made a memorable visit to Peterborough to present W. Bro. Jim Rees with a certificate marking his 250<sup>th</sup> donation (which I did as he was actually giving it!). My wife and I then spent a very pleasant evening with R.W. Bro. Bob McBride and his lady and had dinner with a number of the brethren including W. Bro. Rees and his lady. Thank you to Peterborough District and R.W. Bro. McBride for making this so enjoyable.

### ***What would be the effect of Grand Lodge discontinuing the role of Blood Donor Chairman or Team Leader and not having a Blood Donor Committee?***

The Masonic commitment to donating blood can be traced back to V.W. Bro. William Hoyle of the Electric Lodge No. 495 in 1941 when he persuaded his Master's and Warden's Association to take an interest in donating blood. At this time, blood was not collected and stored, but donated directly to the recipient. As a result, a list of donors was required to ensure that when blood was needed, a donor was available. V.W. Bro. Hoyle and a dedicated group of Masons made up the majority of that list. On the evening of May 23rd, 1944, the Moose Hall was the scene of a horrific fire. V.W. Bro. Hoyle was contacted to rally the Masons and report directly to the hospital to help save the lives of the people who had managed to get out of the fire. Shortly after this truly charitable act of brotherly love and relief, V.W. Bro. Hoyle, and the Hamilton Masons, joined forces with The Red Cross to improve the system by which blood donors were recorded and could be contacted.

As time progressed, and the ability to store blood arrived, the Masons continued to aid The Red Cross, and later Canadian Blood Services, in their work.<sup>1</sup>

For the last reported year, of 42 Districts, only 20 were able to report more donations than reported under Partners for Life (PFL). This implies that little or no activity was occurring beyond that which would have occurred without any input from lodges or districts.

Of the 22 Districts that reported greater numbers than the PFL report, 10 clearly had a significant involvement in sponsoring or assisting physically at blood donor clinics or provided input into the activities of Canadian Blood Services. A handful of brethren associated with these districts stand out as champions of blood donation. I would contend that these brethren would continue to act in that capacity if the Grand Lodge Committee, Chairman or Team Leader no longer existed. Many Masons are involved with charitable work in their community, through churches, United Appeal etc. without Grand Lodge doing anything to "organize" such activity.

David Macdonald  
Blood Donor Chair, Hamilton Masonic District 'C'

*Are there any negative consequences of discontinuation?*

A small number of brethren, I estimate about 12 at most, could feel that their work has been found valueless and unrecognized. This is emphatically not warranted. Their activities, have been recognized in annual reports and would undoubtedly be valued by CBS should they continue as they are by Grand Lodge.

Certificates are presented to brethren donating “milestone” numbers. These are valued by the recipients. The numbers however, are small and if a District or Lodge wished to, recognition could be given by them rather than the Grand Lodge.

**Conclusion**

Discontinuation of this activity at the Grand Lodge level would make very little difference in the ultimate purpose of blood donation (the collection of blood and blood products) in Ontario and would free up personnel and resources for other activities. We focus on collection of STATISTICS of doubtful accuracy.

Our Masonic Blood Donation program began when blood was in extremely short supply and could only be donated DIRECTLY into the recipient and not collected, preserved, stored and moved as it is today. The amount of blood being collected from Masons themselves forms only a small fraction of the total reported and would probably not diminish should we proceed with discontinuation.

There are some negative consequences of such an action, but I believe these are outweighed by the need for contraction of the scope of our activities.

Respectfully submitted.

**REPORT OF THE YOUTH INITIATIVES COMMITTEE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

R.W. Bro. Allin Brown, Guelph area; V.W. Bro. Gerry Oulellette, Toronto area; W. Bro. Steve Barendregt, Barrie area; W. Bro. Derek Freizen, Windsor area.

**Goals:**

To enhance the relationship of Grand Lodge with the Youth Organizations.

Jobs Daughters

Rainbow for Girls

Demolay

**Objectives:**

We as a Committee will strive to promote the Youth Organizations and the work that they do within their Communities.

At the time of this report the following events have taken place and are being planned for the remaining portion of the Masonic Year 2017-2018.

**1) International Plowing Match 2017 - Walton Ontario in South Huron District**

The Brethren of South Huron District welcomed the Youth Organizations to take part in their Masonic Tent at the above-mentioned event. Although Youth Members may have been involved in education and employment, a display was present for those in attendance to see. This was a great opportunity to inform the public of the great work and all that they are involved with throughout their Community. The International Plowing Match 2018 will take place in Chatham, Ontario in Chatham District. It is our hope that the Youth Organizations will participate once again. We will invite and encourage the Members to

be present if possible; however, if there is a parent, grandparent or anyone that could attend on their behalf, it would be greatly appreciated to answer any questions the visitors may have.

## 2) Seminars and Workshops

We were approached by the Grand Lodge Seminars and Workshops Committee to participate on two separate occasions throughout the year. One was held at Ingersoll in the fall and the second one will be in London in the spring. We, as a Committee feel that this is an opportunity to share with the Brethren in attendance, the work of the Youth Organization Members, in order that they may gain a clearer understanding of the contributions being made, (ex. information of a recent experience, and involvement in Community etc).

## 3) Annual Communication July 2018

We have requested to be included in the Grand Lodge Annual Communication Schedule for Seminars and Workshops on Tuesday July 17, 2018. This is in the preliminary stages of being organized and we would proceed further, provided we receive approval to our request.

We have also invited all the Youth Organizations to display information for all the Brethren in attendance to view. These displays will be set up on the Convention Floor of the Royal York as in the past. An invitation has also been sent to each organization to be Guests at the Grand Master's Banquet held on Wednesday evening. This would include one Leader and two Members per organization.

## 4) District Meetings

The Committee was asked to participate at the Sarnia District Association Meeting this spring. A presentation was made by the President of Demolay Canada, Dad Ernie Loiselle. The Brethren in attendance were very receptive to his presentation and appreciated the time and effort taken by Dad Ernie Loiselle to share such valuable information. It is our hope that other Districts will take such opportunities as well.

## 5) Youth Awards

The Youth of the Year Awards were presented to the following Members

- **Female Youth of the Year** - Rachael Magilsen, Primrose Assembly, Presented Oshawa Ontario.
- **Male Youth of the Year** - Nikhless Ramputty, Mississauga Chapter, Presented Barrie Ontario.

The successful essay participants each received a monetary award and a plaque for their own personal keeping. The Assembly and Chapter, which they are a member of, received the same as well. They are to be commended for their efforts.

The topic for this year has been distributed to the Youth Organizations with a May 31 2018 deadline for submissions. The topic is as follows: **"Choose 5 symbols or objects that best represent you and why did you choose these things?"** The essay will be in written format (300-500 words) The Grand Lodge Youth Initiative Committee Members will review all submissions received. One female award and one male award will be chosen once again. The award structure will be the same as the previous year. We look forward to reviewing all essays. The successful participants will be notified by June 15 2018, with presentations taking place at the appropriate times and event. These have taken place at Provincial Event (ex. Convention/Gala/Assembly).

## 6) New - Rainbow Assembly / Demolay Chapter

We are pleased to inform you that a new Rainbow Assembly is being formed in the Barrie area and a new Demolay Chapter will be in the Niagara Region. This is very positive for both the Members and Leaders of the Organizations. More details will follow in the Grand Lodge Resource Digest or Grand Lodge Event Digest.

## Grand Lodge

The Grand Lodge Youth Initiatives Committee would like to take this opportunity to thank the Grand Master M.W. Bro. Paul E. Todd, Deputy Grand Master R.W. Bro. David Cameron and Member of Management R.W. Bro. Barry Burchill for all their time and effort gave to assist our Committee during this Masonic Year. We truly appreciate your sincerity and all you have done.

## 2017-2018 in Review

One of the most valued highlights for the Committee has been the positive responses from the Brethren in regards to the events that were held throughout the Masonic year. This has been very encouraging, to the Youth Members and their Leaders, to receive this refreshed level of interest at various events, that have been held throughout the Province. The Masonic Brethren in attendance valued, and appreciated the efforts that were made by the Youth Members and their Leaders.

There have been a number of events held on behalf of the Youth Organizations, throughout the Province, during the past months and will continue for the remainder of this Masonic Year. These events have been both formal and casual in nature. Some of these events were Provincial Receptions, Provincial Conventions, Winter Carnivals, fundraisers etc. to name a few. The Youth Members demonstrate, to others the importance of working together to achieve a task and contribute greatly to their Community. There have been numerous occasions that several Grand Lodge Officers and Masonic Brethren have made an effort to attend events of the Youth. This is truly appreciated by the Members and their Leaders.

At the beginning of this Masonic Year, the Grand Lodge Youth Initiatives Committee had hoped to strive to:

Communicate with one another as Team Members throughout the Masonic year.

Communicate with the Representatives of the Youth Organizations.

Attend various events of the Youth Organizations if possible.

The Grand Lodge Youth Initiative Committee would no longer assume that information of the Youth Organization is being shared throughout the Community. We recognized the importance for the work of the Youth, to be recognized by Grand Lodge as well as the General Public. The Grand Lodge Youth Initiative Committee had a vision to begin to move in a positive direction with communications and as a result, enhance the relationship of the Youth Organization Leaders, Members, Masonic Brethren and the General Public.

**The Grand Lodge Youth Initiatives Committee feels, that as a result of the time and the effort that has been put forth by all Brethren, and the respect shown towards Our Youth Organizations, we have achieved our goal “to enhance the relationship of Grand Lodge with the Youth Organizations” and our objective strive to promote the Youth Organizations and the work that they do within their Communities.**

I would like to take this opportunity to express by sincere appreciation for the Committee Members for all they have contributed to the Grand Lodge Youth Initiatives Committee. I appreciated the time and effort you displayed to attend many of the events throughout the Masonic Year in my absence. Your passion and commitment to the Youth is endless and has never gone unnoticed. Thank You.

Respectfully submitted.

LES ARMSTRONG, Chairman

## REPORT OF THE PUBLIC AWARENESS TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The following is a summary of the various activities of the Public Awareness Committee for the year 2017 – 2018:

The goals of the committee were to seek out all media and public relations (awareness) opportunities and activities at Grand Lodge and the District level with a view to creating a better-informed public on the aims and activities of the Masonic order in Ontario and to coordinate all internal and external communications of a public relations (awareness) nature. The committee was also given the mandate to coordinate and promote the use of the Masonic information booths and displays throughout Ontario and also to develop and provide Masonic publications for use and purchase by our membership.

However, the plans to accomplish these lofty but attainable goals were the real work for the committee this year by trying out new technology, looking for more media attention and generally making the “public aware” of who we are and what we stand for throughout the world not just in this jurisdiction.

Making better use of technology as in setting up a Facebook account and the use of Instagram or other new forms of communication to the public and our own members was a challenge. Just to set up and clear all the legal issues involved in a Facebook page and eliminating the concerns over monitoring and acceptable content took a great deal of time.

The Committee was involved in a number of activities with one being the successful completion of the publication of the 300-year history articles and related stories. Again, this year we had our booth set up at the International Plowing Match in Huron County. This activity is an ongoing event each year and is now in the hands of the 2018 IPM planning committee in the Chatham Masonic District. Grand Lodge itself does not participate except to provide funding for the lot space and to deliver the tent.

Increased support of the Lodge Building and display at Upper Canada Village was reviewed by Management and the document that is currently being used by the Upper Canada Village interpreters was discussed. As a result of funding issues and the written material being used in the Lodge building, the project of re-opening the Lodge to the public has been placed on hold while alternative methods of informing the public about our history are being investigated.

The Committee is in favour of continuing with the Masonic Open House Project on an annual basis in June of each year as this activity seems to be widely accepted and is expected to continue in 2018 and beyond.

Finally, we were to investigate media outlets that would promote the Craft including the feasibility of using Public Service Announcements. This activity requires considerable funding to acquire the proper media outlets that are willing to participate in open discussions and to promote the Craft. Currently one member has been assigned to issue any press releases that Grand Lodge or more specifically the Grand Master may want to put out.

Respectfully submitted.

PERRY McCONNELL, Chairman

## **REPORT OF THE E-MAIL DISTRIBUTION TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The E-mail Distribution Team is pleased to report on activities undertaken for the preceding Masonic Year. Our Team is a functional team, fulfilling a mandate of supporting and promoting the various initiatives of our Districts, Committees, Lodges and other groups within our Grand Jurisdiction, through the timely dissemination of information and facilitation of communications between each constituent group. It was with tremendous pride that we continue to assist our various Grand Lodge Committees,

Teams, Districts and Lodges, in announcing, promoting and publicizing their endeavours to other Masons throughout our Grand Jurisdiction.

At the commencement of our Masonic Year, we were ably assisted by our District Deputy Grand Masters and District Secretaries in assembling a comprehensive E-mail database of our new Grand Lodge Officers and District Secretaries, building the roots of our updated E-mail network for the distribution of announcements and information to all parts of our Province. Similarly, the timely receipt of all District Trestleboards, enabled us to publish the activities of each District for the benefit of all brethren.

Our Team's primary ongoing function continued to be the delivery of information and announcements through a series of Digests, one dedicated to Events and the other to Resource Materials. These were generally published on a monthly basis, but more frequently when necessary. In addition to these periodic publications, the Team was pleased to publish a number of special Communiques to assist the brethren with the distribution of time-sensitive and high-priority items and also to support our Grand Master and Deputy Grand Master, with important broadcast announcements and also targeted distribution of information intended for specific segments of our governance and membership. Of note, during this year's Spring Ice Storm in Southern Ontario, our team was able to assist the Chairman of the Sankey Lecture Series, together with a number of D.D.G.M.'s, in announcing event postponements in a timely manner so as to avoid unnecessary travel and risk to those brethren planning to attend events that weekend.

The E-mail Distribution Team was honored to continue its support of the Management Board and Committee Chairmen, with the ongoing administration of the Communications Distribution Policy and were also pleased to commence the construction of an up-to-date and accurate E-mail database of all lodge secretaries, so that future announcements could be distributed directly to each lodge in a timely manner.

Lastly, we were pleased to continue fielding a number of incoming inquiries from brethren of every part of our Jurisdiction, assisting them by directing their inquiries to the correct committee Chairman or Team Leader and also facilitating their efforts to obtain approval and ultimately distribute announcements of events held at the local, lodge and district levels.

Respectfully submitted.

PETER J. SIALTSIS, Team Leader

## **REPORT OF THE ONTARIO MASON MAGAZINE TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

The Winter 2018 issue of the Ontario Magazine was the 18<sup>th</sup> issue of the magazine in the digital format since the release of the first issue in the Fall of 2013. Within the pages of the magazine many momentous events have been highlighted including 100<sup>th</sup>, 150<sup>th</sup>, and even 200<sup>th</sup> anniversaries of Lodges in the jurisdiction of Ontario as well as the 300<sup>th</sup> Anniversary of the United Grand Lodge of England.

In the Winter 2018, issue of the OMM released February 28, 2018 the third Masonic Essay contest in conjunction with the College of Freemasonry was promoted. The winning essays will be printed in the Spring 2018 issue of the magazine.

Local content from the Districts is needed to ensure that the magazine continues to strike a balance between educational and social content.

The magazine will continue to reflect the needs of Grand Lodge and promote Masonry in Ontario.

Respectfully submitted.

DAN DIGNARD, Team Leader

## **REPORT OF THE COMMITTEE ON BENEVOLENCE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Benevolence Committee, I am pleased to issue this report for the year ended April 30, 2018.

I am pleased to report that the Committee reviewed and approved 12 Applications for Benevolence resulting in total grants paid out of \$41,000. In addition to the forgoing and in accordance with past policy, Christmas Gifts of \$50 each totaling \$300 were paid to 6 past recipients.

Some of the Applications were the result of medical issues that created financial difficulties for the recipients. Two Applications were for assistance to two widows of deceased brethren. You will be gratified to know that lodges also contributed to the requests. In particular, I would like to thank W. Bro. Mark Kapitan for arranging to supply and deliver an almost new power wheelchair to one of the applicants, without cost.

The Committee utilized teleconference facilities exclusively to consider and provide responses to applications in a timely manner.

I am pleased to advise that two projects, which began last year, have been completed. The Benevolence Application has been revised. A problem with the form became apparent soon after it was loaded to the Grand Lodge webpage. R.W. Bro. Richard Kaufman came to the rescue. He corrected the original file, and made it a fillable and savable PDF file and this version is now available for download. I wish to thank him for his efforts. The Benevolence Booklet was also revised. A future project would be to add a section to the booklet on the history of Grand Lodge Benevolence. It is recommended that the completed version be made available as a PDF download from the Grand Lodge website.

Detailed financial information regarding the Memorial Fund (aka "Benevolence") can be found in the Auditors Report and Financial Statements of "Grand Lodge" for the year ended April 30, 2018. The Constitution limits the amount that can be distributed in any one year to the net income from Investments (Interest and Dividends). Donations from the membership are encouraged, as are legacy gifts.

The participation and contribution of Lodges, and their membership, both in time assisting members in need and providing funding to same, at the local level, is gratefully appreciated and acknowledged.

The District Benevolence Chairmen provide a vital service by: approving applications before they are submitted to Grand Lodge; advising Lodges on Benevolence and encouraging donations to the Benevolence Fund.

The Committee would like to express their appreciation to Mrs. Stacey Birks, of our Grand Lodge Staff, for her work and diligent assistance and to the Supervisor of Benevolence, M.W. Bro. Terrance Shand, for his wisdom and guidance.

Respectfully submitted on behalf of the Committee: R.W. Bro. Leonard Bedford (Belleville), R.W. Bro. Thomas Hogeboom (Napanee), R.W. Bro. Robert E. Kerr (Grimsby), R.W. Bro. Paul Mullen (London), V.W. Bro. James A. Keith (Ottawa), V.W. Bro. Joe Whiteley (Guelph), W. Bro. Michael Millard (North Bay) and Bro. Brian Patterson (Newmarket).

## REPORT OF THE LODGE RESOURCES COMMITTEE

### REPORT OF COMMITTEE ON LEADERSHIP DEVELOPMENT/OFFICER PROGRESSION

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Following is a summary of topics discussed at Committee meetings as well, a summary of presentations by the Committee during the Masonic year as well as some comments on future planning.

This year, the two Committees, Leadership Development and Officer Progression were joined together for the first time and we pondered whether Leadership Development (LD) and Officer Progression (OP) are synonymous or separate entities. The consensus of the Committee members was that, while OP is almost universally considered a natural leadership development “tool”, this depends on certain necessary elements being involved. If, in a “perfect lodge” every Officer was made aware of his duties and responsibilities and they were mentored individually, by assigned Past Masters, executed their offices to the utmost of their abilities, while also fully learning the charges and duties of their next chair, OP would then be a very effective and efficient learning tool for basic leadership development.

If we are really honest, this is NOT what happens. All too often, Officers are not tutored or mentored and follow the somewhat imperfect performance of their predecessors, picking up bad habits along the way, barely squeaking through their chairs and, “voila!” they are in the Chair of Solomon. Even if they have not made their best efforts possible, they expect to be promoted each year to more responsibility due to that awful entity that we are all too unfortunately familiar with – ENTITLEMENT. This is where a Lodge suffers due to poor performance and poor leadership and chaos and conflict ensues.

There is much room for improvement here!

Leadership development in, and of itself, has many other elements such as Team Building, Emotional Intelligence, Situational Leadership, Conflict Resolution, Negotiation, etc. These are not part of Officer Progression, but could be resources for OP.

#### Succession Planning

The Committee discussed the often neglected importance of consistent leadership succession planning which applies to all levels of Masonry from the Ledge, the District and even up to Grand Lodge.

The all-too-common lack of Long Range Planning as well as that of Succession Planning inevitably leads to problems or crises. Good leadership uses both of these and this requires vision as well as generosity of character in developing leaders - “floating their boats”!

At the District level, some Lodges are in rotational systems of selecting DDGM's as their turn comes up. Others select DDGM's by election. Both have their positive and negative aspects. In the first case, it may indeed be a Lodge's turn, but there are no worthy or qualified candidates, but the Lodge will put a Mason forward anyway. In the second case, just because a Mason has fulfilled the constitutionally mandated requirement of obtaining a Past Master's Certificate, does not mean he is a leader, but gets elected not on merit, but on popularity.

Some Districts have Past Masters' Associations wherein aspirants are advised and coached and they have DDGM aspirants lined up a number of years in advance. Perhaps DDGM aspirants should have to be Chairman of a District Committee for at least a few

years and have taken the DDGM Orientation Seminar before being acceptable to the District as a leadership candidate. This would avoid the so-called “apron chasers”!

### Conflict Resolution

It is indeed ironic that, as a fraternal organization, we even have to mention this issue. But, unfortunately, it is readily apparent that “private piques and quarrels” are becoming increasingly prevalent in our Grand Jurisdiction, whether due to squabbles over two Past Masters from one Lodge vying for the office of DDGM, the Officer line-up within a Lodge or even between Lodges within a District.

This was mentioned by R.W. Bro. Jacklin in his report in the 2017 Proceedings and, in surveys taken after our presentations, Conflict Resolution has consistently been requested as a topic for future presentations.

The good fellowship, fairness, respect for others’ opinions and just plain good manners so essential to Masonic gentlemanly behaviour in the past, would go a long way to avoiding these unpleasanties as we are exhorted to comply with in the Apron Charge of the Entered Apprentice Degree.

### Masonic Branding

The Committee also feels that a revitalized “branding” of Masonry in all of its endeavours is urgently required whether in the media, our workplaces, communities and charitable works.

The old “to be one, ask one” is a puzzle to a non-Mason and doesn’t mean anything so such logos are useless.

When asked what we do as Masons, the trite, and perhaps somewhat insulting adage, “we take good men and make them better, the man expressing genuine interest in masonry, may feel that, since he’s not already a Mason, he’s not a “good man” and therefore an unsuitable candidate.

Most of us, when asked why Masonry is so secret, attempt to fend off inaccurate slurs on our noble Craft, and then mumble incoherent explanations of why we became Masons and we forget to describe the pride we feel in belonging to one of the largest and most elite fraternities in the world. When I was younger, I heard a phrase criticising elitism. The response was “Elitism - why not? Is everything to be done by grey mediocrity?” We should never be ashamed to feel that we are an elite group of men in being masons.

We need to focus on creating a five-minute talk on our personal feelings and that sense of belonging we experienced on becoming Masons.

R.W. Bro. Joe DeMello has created a Power Point Presentation on “branding”.

### Tactical Plan Project 2017-03 – “Staffing Grand Lodge Committees”:

The Committee tackled this and came up with the proposal of creating a “Job Board” on the Grand Lodge Website where interested masons could post, on a proscribed form, their Curricula Vitae and skill sets with the proviso that just posting their CV did not necessarily ensure a position on a GL Committee. These would remain on the “Job Board” for a year and then be discarded. The various Chairmen could review and contact them, if interested, and investigate further.

This would require continuous oversight of the “Job Board” with manpower.

The LD/OP Committee was asked to do a Risk/Benefit assessment on the above and this was sent to R.W. Bro. Richard Kaufman, Chairman of Strategic Planning on March 31st, 2018.

### Committee Face-to-Face Meetings during the 2017-18 Masonic year:

Some members of the Committee joined meetings either via Skype or via teleconferencing.

Meetings took place in 2017 on September 17<sup>th</sup>, November 20<sup>th</sup>, 28<sup>th</sup> and 29<sup>th</sup> and, in 2018, on March 20<sup>th</sup> and April 10<sup>th</sup>.

Presentations:

- September 19, 2017, at Acacia Lodge, Ottawa, by Chairman, R.W. Bro. Charles Woods.
- November 16, 2017, at Hamilton Craft Association by Chairman, R.W. Bro. Charles Woods.
- January 2, 2018, at Victoria Lodge, Sarnia, by R.W. Bro. Fred Hoffner.
- March 3, 2018, at Board of General Purposes meeting, Cambridge, by R.W. Bro. Elliot Zovighian and R.W. Bro. Charles Woods.

Scheduled Presentations:

- April 28, 2018, in London Districts East and West by the LD/OP team.
- May 22, 2018, in Toronto Don Valley District by the LD/OP team.
- June 9, 2018, at the Brant District's Wardens' Retreat by the LD/OP team.
- September 8, 2018, in Peterborough District by R.W. Bro. Charles Woods and R.W. Bro. Elliot Zovighian.

This year, R.W. Bro. Elliot Zovighian and R.W. Bro. Joe DeMello created a LD/OP "Teaser" Power Point Presentation covering the main topics that the Committee deals with so that any team member would present a consistent message.

R.W. Bro. Richard Loomes and R.W. Bro. Lindsay Reiach developed the Manual of Procedures for the Committee.

Recommendations for the future include continuing what we are doing now, with more emphasis on succession planning in all areas of Masonry, encouraging Districts to "vet" and develop their candidates for DDGM more thoroughly, to emphasize gentlemanly behaviour in all of our interactions and to avoid conflict among ourselves and to consider the well being of the Craft before our own interests.

As the oldest adult learning institution in the world, our "product" is Leadership Development and our pride in our Masonic endeavours should reflect this.

I have enjoyed working with, and learning from, my wonderfully dedicated and creative team and thank them for their tireless efforts and valuable contributions to our deliberations and our presentations throughout our Grand Jurisdiction: R.W. Bros. Joe DeMello, Fred Hoffner, Richard Loomes, David Neave, Lindsay Reiach, Fred Sebring and Elliot Zovighian.

Respectfully submitted.

CHARLES A. WOODS, Chairman

**REPORT OF THE COMMITTEE ON BROTHER TO BROTHER**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

**Strategic Imperative: Craft Stewardship****Project: 2015 - 03**

The All Masons Survey of 2011 indicated that 70% of respondents believe we should provide programmes of instruction prior to each degree, including the entered apprentice degree (18% were undecided and 12% thought it unnecessary).

The 2013 GAP Survey reported that understanding the critical elements of the new member experience is a high priority while our effectiveness is average.

**Strategic Goal:**

Create high quality educational programmes and training courses for all brethren in the jurisdiction.

**Deliverables:**

Following the completion of year two of this project information for both the Entered Apprentice Degree and Fellowcraft Degree have now been approved and posted on the Grand Lodge website.

Work on the Master Mason Degree has been drafted and prepared for approval prior to posting on the Grand Lodge Website. Unlike the two prior degrees, all of the resources of Grand Lodge are now available to the Master Mason. The final part of this work refers to the information already created by others and names resources where it is available. The writers strongly encourage visitation to other lodges.

New Master Masons are encouraged to participate in the offerings of the College of Freemasonry and continue research in the Grand Lodge Library.

There is a short reference to concordant bodies and Masonry beyond the Craft Lodge.

**Carried Forward from Previous Years**

The Five Steps to Application continues to be a popular item for Masonic Education. Six presentations have been made to Districts across Southern Ontario. It is expected to continue in the next year.

**Continuing Work**

The development of the B2B Nuggets has proven to be useful to impart information in an efficient manner to Brethren. The Lodge Resources Manual is over 450 pages printed and has not been updated for several years. Using the B2B Nuggets model, the various chapters of the Lodge Resources Manual is being rewritten for presentation in an electronic format although it will be able to be printed if desired.

Because it is widely referred to in the Cornerstone Project and The College of Freemasonry, this will be a collaborative work and is expected to proceed through the 2018-2019 Masonic Year.

Respectfully submitted.

DANIEL HUTT, Team Leader

**REPORT OF THE FRIEND TO FRIEND/MENTOR TEAM**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It has been proven in many Grand Lodge jurisdictions the Friend-to-Friend/Mentor Program has enlightened and brought awareness of Freemasonry to communities. In addition the program has rekindled the masonic awareness in members that became dormant.

To be effective in implementing the program a Committee of four (4) and a Chairman were formulated. The jurisdiction then divided into five (5) regions based on the cardinal points. Each region was assigned a member of the committee with a number of Districts allocated to their leadership.

The committee's goals and objectives may be somewhat overwhelmed in its expectations. We did not see an influx of request for assistance or direction of the Friend-to-Friend/Mentor program.

Of the 537 Lodges only 15 dispensations have been issued representing about 2.8% Lodges hosting an event. This statistic may not be accurate as some Lodges may host an

event on an evening other than their regular scheduled meeting and elect not to place it in their summons. Still this reported figure is extremely low. Further, it appears that more events of this program are initiated in the rural areas rather than urban areas. This raises the question "Are we satisfied with the membership growth in the urban areas"?

The Committee found it necessary to revamp the Friend-to-Friend Program, to promote it as a guideline document and to allow the lodges the flexibility of initiating their customized program based on their needs and circumstances. It is important to note in revamping the program that we have not infringed upon the document titled "Preparing Prospective Applicants Considering Freemasonry" which consists of five steps.

It is imperative the Committee continue diligently to communicate, assist and provide direction where and when it is required in encouraging the Lodges to utilize the Friend-to-Friend/Mentor Program. Having said that, it is our fervent belief we must consider amalgamating the Friend-to-Friend/Brother-to-Brother/Mentor Programs. The rationale is based on the declining membership, demographics and decrease in Lodges and human resources.

In concluding allow to me to thank the following members of the committee for their unrelenting commitment: R.W. Bro. Chris Johnson, Sarnia; V.W. Bro. Malcolm Parish, Burlington; W. Bro. James E. Brien, North Bay and W. Bro. Shawn Todd, Ottawa. Our gratitude and appreciation is extended to the Grand Master for the opportunity affording us to serve Grand Lodge.

Respectfully submitted.

GEORGE M. WARNER, Chairman

## REPORT OF THE CORNERSTONE TEAM

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

On behalf of the Grand Lodge Cornerstone Committee, I am pleased to report on its progress and activity during this Masonic year.

The focus of the Cornerstone Committee for this term was to enhance the experience of the Cornerstone program with a further emphasis on Regional representation and support. The format of the Committee has Brethren overseeing the Cornerstone Program in four to six Districts within their respective Regions. These Brethren have been instrumental in the established presence of the Cornerstone Program within their Districts and surrounding regions, and as Regional Representatives, they continue to identify local trends, strengths and weaknesses, in enrollment and participation. Their Regional representation has also been instrumental to the Committee in identifying any concern or issues that the Lodges and the Brethren may have with any aspect of the Program. These concentrated efforts have afforded the Committee further opportunity to review current concerns and suggestions from the Brethren regarding our current tools, effective recording of supporting documentation, Submission reporting, and the criteria required for our Program Standards. In summary, the Committee is pleased to note the following:

- Direct and personal interaction in the form of Lodge visitation, local promotion and presentations, workshop participation with the Workshop and other Grand Lodge Committees, within the Districts and their respective regions, continues to be a most effective approach in assisting the Brethren with the Program. To date, presentations and workshops have been well received in York District, Wilson Districts, Hamilton and Niagara Districts, Toronto Districts and St. Lawrence District, with additional presentations slated for Frontenac, Essex and Brant District.
- Recurring feedback, noted from Lodges enrolled in the Program, concern the reporting and supporting documentation for their Designation deadline, as a possible

deterrent for enrolling in the Cornerstone Program. As an area of concentration for the Committee this term, the focus was to determine ways to streamline and assist the Brethren with the process of recording their Standard activity and the filing of the supporting documentation. To that end, the Committee forwards for review and consideration, the Lodge Activity Submission Package as a separate and stand-alone document.

- Overall enrollment as of the end of March of this year, show 87 Lodges enrolled for the 2018 reporting period, 60 Lodges enrolled for the 2019 reporting period, and 20 Lodges enrolled for the 2020 reporting period. These summaries show 167 Lodges currently enrolled in the Cornerstone Program, and suggest a 15 to 20% overall increase in Lodges currently participating in the Cornerstone Program.
- We are also noting a substantial enrollment increase in the Cornerstone Program where 45 percent of the current Letters of Intent received, for the collective reporting periods of 2018, 2019 and 2020, are from Lodges enrolling in the Cornerstone Program for the first time. This suggests a growing general interest and commitment to the Program.

A special note of gratitude to the District Deputy Grand Masters, their District Cornerstone Chairmen, and the Lodge Cornerstone Chairman. The indicators noted above are a direct result of their hard work and commitment in promoting the benefits of the Cornerstone Program to the Brethren of their Lodges. I also extend my appreciation to the members of our Committee: R.W. Bros. Rob Parker, Nezam Soltanzadeh, Dennis Saikaley, Graham Tait, Phillip Laundry, Lorne MacDonald, John Kroezen, W. Bros. Scott Ryckman, Scott Jackson, Neil Sammy and Bro. Nilo Espino for their valued assistance and support, and their tireless commitment and passion for the Cornerstone Program.

In summary, the Committee is pleased with the ongoing activity and progress of the Cornerstone Program, and we look forward to continue working with the Brethren of our Jurisdiction towards its continued success.

Respectfully submitted.

ART DI CECCO, Chairman

## **REPORT OF THE COMMITTEE ON PROTOCOL AND ETIQUETTE**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & AM. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

Masonic Protocol and Etiquette is something that is not to be left to an individual to carry out according to his own taste. It is far too important for that. Indeed, it is important enough to be considered one of the means by which your character, image and behaviour can be shaped and refined.

No Mason is exempt from the fundamental rules of civility. Your behavior, both in and out of lodge, determines what kind of a Mason and man you truly are, much more than the number of pins on your lapel or the proficiency in which you might deliver ritual. For undeniably we size people up by their appearance, the words they speak, their manners and their overall behavior.

If Masonic Protocol and Etiquette is indeed so important, what is it?

All Masons know that the Ritual is the foundation and framework of our Order. As directed by Section 7 of our Constitution, no individual Mason can change it, (with the exception of the Ritual Committee). It is sacrosanct, unerring and inviolable.

In contrast, Protocol and Etiquette is nothing more than a set of guidelines – but they are not ordinary guidelines. As described in *The Masonic Manual*, most are necessary. Certain traditions, landmarks, customs, usages, laws, edicts and regulations have evolved through the ages to form these guidelines. They are meant to govern our behaviour in

Lodge and also in life. These rules of good manners are designed to make our lodge meetings pleasant and respectful for everyone. Just as importantly, good manners earn you respect from Masons and non-Masons alike. They are a trait that people will fondly remember about you forever.

No one can dispute that some Protocol and Etiquette guidelines carry more weight than others. Some guidelines fall into the realm of mere common courtesy. Others are simply rules based upon a long and successful usage. Where no such rules have been formulated at all, whether in writing or by tradition, the good taste and sensitive feelings of the individual Brother remain as our only guidance.

Protocol and Etiquette, therefore, has no distinct and unvarying boundaries. You may think of P&E as a concept, an agreed set of standards so everyone does the same thing, and a set of rules to govern our behaviour in most situations, to bring about uniformity throughout our Grand Jurisdiction.

As was so eloquently expressed by the late R.W. Bro. Henry G. Meacham, a former Grand Lecturer of the Grand Lodge of New York, who was such an inspiration to me and a countless number of other Masons:

*"There is a certain grave beauty in the practice of Masonic etiquette. The Masonic life as it is lived out in our assemblies is a conscious work of art, with each and every part coordinated to every other, and instinct with the feeling of the whole.*

*If a man enters into that system without preparation or forethought, and trusting only his instincts, his manner will strike an awkward note, like a discord jangling across a strain of music; but if he has trained himself in his part and caught the spirit of the whole, the genius of Freemasonry will shine through his actions, and will express itself through ritual, symbol, law, philosophy, fellowship and daily deed.*

*To have one's self thus become a part of a great and living whole is a kind of satisfying pleasure nothing else can give, a participation in the very life of beauty, appreciated as much by the beholders as by the actor. This ability to confer pleasure upon one's fellows when gathered in communication or in ceremony is not the least of etiquette's rewards."*

The mandate of the P&E Committee is to communicate those standards of Protocol and Etiquette which are applicable in our Grand Jurisdiction, thereby creating a heightened awareness of them and to assist the brethren in becoming competent in them.

We endeavour to carry out our mandate by making presentations throughout the Province, by preparing and distributing educational material, and by responding to a multitude of questions from the brethren.

Our most successful initiative to date has been the electronic distribution of a monthly educational bulletin called ***P&E Essentials***. It is estimated that over 10,000 brethren read each Issue, including Masons in Newfoundland, Nova Scotia, Quebec, Saskatchewan, Alberta, British Columbia, the United States, Europe, and even in Asia. The key to its success has been its easy-to-read, easy-to-download, and easy-to-distribute format. We are most grateful for the assistance of our District Deputy Grand Masters and so many of our Lodge Secretaries in the distribution effort.

Now that the committee's eleventh year of activity is coming to a close, it is a pleasure to report that there is a very strong awareness of the importance of Protocol and Etiquette in each of our 42 Districts. Our standards have definitely improved.

The questions asked by brethren – at our presentations, by telephone and by e-mail – about all aspects of P&E, reflect their genuine desire to learn our standards and to practise them correctly. This year we also witnessed a commendable depth and complexity to the questions that were raised.

Formal requests for the Committee to conduct a P&E presentation came close to reaching an all-time high this year. Some 29 separate P&E presentations were conducted throughout the Province by Committee members during the twelve month period ending in July, 2018. Both the interest levels and the attendance at these workshops and seminars were most encouraging.

The Committee continues to address the importance of specific aspects of Protocol and Etiquette in our presentations, namely:

- The Candidate Experience;
- The Masonic Memorial Services;
- The Reception of Grand Lodge Officers;
- Banquet Hall Protocol;
- The Ceremony of Installation and Investiture;
- The Committee of Inquiry; and
- How to Conduct the Ballot.

Comprehensive educational guidelines have been developed by the Committee for all of these topics. These guidelines are designed to compliment and expand upon those contained within our Grand Lodge's two primary texts: *Meeting The Challenge* and *The Masonic Manual*.

Hard copies of our Committee-produced educational documents are made available to brethren who attend our presentations. They can also be found on the Grand Lodge web site, as well as on several District and Lodge web sites. Many copies have been distributed electronically.

The task facing the Committee since its formation in 2007 has been an immense one. It will likely never be complete. However, our approach of using the electronic medium of web sites and e-mail messaging, together with the more personal "hands-on" venue of District and Lodge workshops, appears to be fairly effective.

The pleasure of addressing this formidable task was considerably enhanced by the opportunity of working with an outstanding and accomplished Committee. The following brethren have deservedly earned my deep appreciation – and hopefully yours as well – for all their efforts and contributions: **R.W. Bros.** David Purvis (*Secretary*), Saliem Khoury, Michael Litvak, George McCowan, James Pearson, Kennard Pratt and David Stevens, together with **V.W. Bros.** Bryan Middleton and George Pohle.

The P&E Committee reports directly to the Custodian of the Work. All of our material is reviewed by him before it is disseminated. A significant number of the questions we receive from the brethren are referred to him. We also endeavour to keep him fully-informed about all our activities.

On behalf of the Committee, I would like to express our sincere appreciation to **M. W. Bro. D. Garry Dowling**, Past Grand Master and Custodian of the Work, for all the assistance he has provided to us during this and in previous Masonic years. He has been an outstanding resource, mentor, and friend.

Respectfully submitted on behalf of the Committee.

M.W. Bro. Terence Shand was appointed a member of the Awards Committee for a three year term.

## REPORT OF THE GRAND HISTORIAN

*This Report was presented by V.W. Bro. S. Michael Jenkyns, Grand Historian, and on motion of the Deputy Grand Mater, it was received.*

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

I would like to thank you, Most Worshipful Brother Todd, for honoring me with the office and title of Grand Historian. This report is submitted in accordance with the book of Constitution which requires the Grand Historian “to record matters that are connected with the history of Freemasonry in Ontario.”

What a year 2017 was!

As Canadians and Freemasons we celebrated the Tercentenary of the formation of the first, or premier, Grand Lodge of England in June 1717, what we all accept as the mother Grand Lodge of Freemasonry. It was also the Sesquicentennial of the establishment of the Dominion of Canada (July 1, 1867) and the Centennial of the important World War I battle of Vimy Ridge (April 9-12, 1917).

Monthly articles were issued to explain our Fraternity to the people of Ontario as well as the role of Freemasons in everyday life. We were able to reflect on the many men who were players in key Canadian events and who were members of the Craft. These articles were distributed from Grand Lodge to DDGMs who passed them on to local media for release and follow-up. Many Districts used these as a basis for their own projects — such as District specific articles, open houses and various displays. Our PR profile was raised in a beneficial manner.

Like many others, I had opportunities to speak and did so on the involvement of

Canada's Freemasons in the development of this country and in Canada's international roles. These internal and external events were not (and are not) just one-time ones: they are constantly with us. Today, for example, Canada struggles with the provision of assistance such as that needed by:

- our veterans: who have suffered on peace keeping and emergency assistance operations,
- our own indigenous peoples, and
- refugees from the world's unsettled areas who are in search of places of peace and stability where they can raise their families.

"Organized Freemasonry" emerged in London in a time of sectarian violence stretching from the sixteenth to the eighteenth centuries. Internally, Freemasons went through their own masonic civil war with two rival Grand Lodges (the "Antients" and "Moderns") which ended in a union in 1813. And these events would ripple through North America reaching, in terms of Freemasonry, into the establishment of our own Grand Lodge in 1855.

Throughout this period our fraternity evolved as it helped good men to improve themselves: morally and socially, politically and in other dimensions. *Our fraternity is deeply personal and works best when brethren talk face to face, sharing their own experiences with each other.* Today, as we grapple with the challenges of the modern age, we can see areas where our craft fills *gaps in life-learning*: for example, teaching the art of memory through learning ritual, improving our public speaking skills by proving ourselves in front of the lodge and also by participating in lodge degrees. In addition, many of us assist our Fraternity with charity projects to help those in need whether they are connected with any lodge or not.

But these activities cover only a part of our personal growth — they are limited only by our ingenuity to visualize, plan and implement our ideas.

Technology allows us to save on repetitive "drudge work" (printing, mailing and distributing of summonses, minutes and other documents). The original idea many of us had in the 1980s and 1990s of working shorter hours for more money as computers took over the routine (and even not-so-routine) work has proven only partly true.

For many reasons not all our members are interested or involved with technology. My Lodge currently has 65 members of which 19 do not receive emailed summonses but receive it by "snail mail." In the Master's Message of another Lodge with a membership of 100, he despairs that only 30% of the members use email as compared with snail mail. We are still caught in an evolutionary change and as advances in medicine contribute to individual longevity, we will have for some time, ageing members who can't or won't change.

We still need telephone trees to maintain a level of personal contact and it is even better if increased lodge participation can be encouraged, allowing members to have that important face-to-face contact. Imagine a real-life scenario where an older member sponsors a new candidate, mentoring him and participating with him through his degrees, taking him to visit other lodges, and so on. If, later in life, this sponsor falls on hard times (such as an inability to drive at night as affects a goodly number of our members) and the mason he has sponsored offers to pick him up and bring him to events, it is very likely that we would maintain his involvement. The alternative might well be to lose the member through a lack of contact.

*This maintenance of physical contact is essential.*

In a 2015 report entitled *Trends in Social Capital in Canada*, Statistics Canada noted that these face-to-face contacts allow us to develop and maintain the standards, values and behaviour that benefits the community (in our case the lodge), as well as increasing our trust in one another.

Do lodges ask members to speak on topics of interest? Rarely, in my experience. Perhaps we should ask a new initiate for his impressions about the night he joined the lodge (*we might all benefit from his answers!*). Or ask a lodge member to speak on different styles of lodge meetings if he has had the opportunity to visit a lodge outside our Grand Jurisdiction. Topics are endless.

If a lodge member is well skilled in the piano or organ and there is one in the lodge room, is he encouraged to play it? Or, is he asked to search out the musical accompaniment for our openings and closings? Many of our members are not aware of the existence of such a musical ritual for the lodge. What an opportunity to enhance our meetings!

Some of us may well realize these comments and suggestions can be seen in the operation of Traditional Observance lodges. We now have two in Ontario (Templum Fidelis No. 746 in Bath and Templum Lucis No. 747 in Stratford) and there is one in New Brunswick and one in British Columbia. But, consider this: our lodges can design lodge-specific activities and programs along the lines of a Traditional Observance model within the rules of our Constitution and Landmarks. Enhanced meetings may well contribute to increased attendance of our members.

During my working career B.E. (before email and social media) staff would have coffee breaks and small group lunches (sometimes growing in size for different reasons) to discuss an office matter. These weren't "chat groups" but were conducted face to face. I remember clearly how the conversations sparked from time to time and sent our thoughts into new, and often unconsidered, directions. From many of these informal "discussion groups" would emerge new ideas and possible directions many of which would be brought back to the workplace. I would not like to see these discussion opportunities lost. And as Freemasons we should all realize that this process does not produce winners and losers as some think. Rather, we all win, through the process of evolving a suitable collective response to an issue.

Interesting parallels, I think.

\* \* \* \* \*

Our fraternity and our society in the broadest of meanings will benefit with the personal involvement of everyone, including Freemasons and non-masons. Technology can play a support role when used with care. The challenge will be to attract the young with their high degree of technological networking and our older statesmen for whom the telephone and face-to-face contact are a way of life, and to encourage them to assist each other for the betterment of all.

So mote it be!

Respectfully submitted.

MICHAEL JENKYNS, Grand Historian

## PRESENTATION OF NOTICES OF MOTION

The following Notices of Motion, presented on the floor of Grand Lodge, were duly adopted.

**The amendment deals with changes to Sections 113, 121, 122, 125, 128, 129, and Section 50 (b).**

The amended Section 113 reads as follows:

Section 113. Grand Secretary

The Grand Secretary shall:

- (a) have custody of the seal of the Grand Lodge and affix the same to all documents issued by authority of Grand Lodge or the Grand Master;
- (b) sign and certify all instruments issued by Grand Lodge under seal or otherwise;
- (c) attend all meetings of Grand Lodge, of the Board of General Purposes, and of any Committee as he shall be directed by the Grand Master or Grand Lodge, and take minutes of their proceedings;
- (d) duly report at each annual meeting of Grand Lodge the receipt of the returns from the constituent lodges as entered in the book of Grand Lodge;
- (e) attend the Grand Master or the Board of General Purposes, and take to him or the Board, the books and papers he or the Board may direct;
- (f) consider the petition of a lodge working under dispensation for a warrant, to examine the books and records, to study the recommendation of the District Deputy Grand Master and to recommend the granting of a warrant;
- (g) serve as an ex-officio member of the Management Committee of the Board of General Purposes; and
- (h) perform all other duties pertaining to his office and as directed by the Board of General Purposes.

The amended Section 121 reads as follows:

Section 121. All moneys payable to Grand Lodge shall be received by the Office Manager appointed by the Board of General Purposes, who shall forthwith deposit the same in the bank or trust company in which Grand Lodge keeps its accounts to the credit of the appropriate account, and shall forthwith send a duplicate of the deposit slip showing the particulars of the transaction to the Grand Treasurer who shall keep an account of all moneys so received and deposited.

The amended Section 122 reads as follows:

Section 122. The accounts of the Grand Secretary, Grand Treasurer and Office Manager shall be kept in such manner and form and subject to such rules and regulations as the Board of General Purposes may from time to time prescribe in accordance with the provisions of Section 126.

The amended Section 125 reads as follows:

Section 125. The auditor shall audit the books of the Grand Secretary and Grand Treasurer and the books and accounts maintained by the Office Manager once each year and shall report to the Grand Master, the Grand Secretary, Grand Treasurer and Office Manager.

The amended Section 128 reads as follows:

Section 128. The Grand Treasurer, the Grand Secretary, the Office Manager and such of their assistants as the Board may decide, shall give bonds for the faithful discharge of their duties, in such form and for such amounts as the Board may determine, and the premiums on such bonds shall be paid by Grand Lodge.

The amended Section 129 reads as follows:

Section 129. The books of account of the Grand Secretary, Grand Treasurer and Office Manager and the securities of Grand Lodge shall always be open for inspection by the Grand Master, the Deputy Grand Master and the Board of General Purposes or its nominee.

The amended Section 50 (b) reads as follows:

Section 50. (b) A candidate for office as District Deputy Grand Master or Grand Registrar must be in possession of a qualifying certificate as offered by our Grand Lodge, on or before June 15 of the year seeking office.

The Constitution changes were adopted at the Annual Communications, July 2018.

## REPORT OF THE COMMITTEE ON FRATERNAL CORRESPONDENCE

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

Most Worshipful Sir and Brethren:

It is a pleasure to present the Fraternal Correspondence 2017-18 report on behalf of the team.

### FRATERNAL REVIEWS

- The Committee Chairman has received the following external Grand Lodge Proceedings from our Grand Lodge office:
  - \* New Zealand 2013-16;
  - \* Scotland Annual Report 2016;
  - \* Ireland Annual Report 2016;
  - \* Minnesota 2017;
  - \* Pennsylvania 2015;
  - \* Washington 2016;
- All of which have been summarized into Fraternal Reviews forwarded and posted as complete.

### BEST PRACTICES BENCHMARKING

- Bro. . Craig Wolverton has completed reports on the Best Practices Benchmarking of Grand Lodge web-sites as follows:
  - \* Michigan;
  - \* Montana;
  - \* North Dakota;
  - \* Philippines;
  - \* Quebec.

I am grateful to committee member, R.W. Bro. Colin Heap, for researching and completing the Fraternal Reviews from the various proceedings received from the Grand Lodge office. To Bro. Craig Wolverton for his efforts and contributions accessing and preparing Reports on Best Practices, taken from web-sites of interest that he has researched, and to R.W. Bro. Iain Wates, Management Committee liaison of the Craft Stewardship Committee, for his assistance reviewing and distributing the Reviews and Reports.

My sincere appreciation is expressed to the Grand Secretary, M.W. Bro. Terence Shand and the Grand Lodge office staff for their assistance securing the Proceedings from our sister Grand Lodges.

Respectfully submitted on behalf of the team.

Proceedings of the Grand Lodge of New Zealand for the period 2013-2016.

Triennial 118<sup>th</sup> Communication, Freemason House, Wellington, N.Z., November 2016

M.W. Bro. Mark R. Winger, Grand Master.

Several years ago, the Grand Lodge of New Zealand de-centralized, and created the positions of Divisional Grand Masters for the Northern, Central and Southern regions of the country, with the rank of Right Worshipful, to serve the current Grand Master. These regions were then divided into eighteen Districts, each governed by a Very Worshipful Grand Master. The decision was economic, to reduce the cost of supporting Grand Lodge facilities in Wellington, and to remove the burden of financing an Annual Communication among such a small and widespread membership. A Capitation Fee, payable to the Board of General Purposes, is set at the Triennial Communication for each of the following three years. This requires that the Board endeavour to anticipate the Fees well in advance, looking at future costs vs. membership trends in a fair and reasonable manner, and increasing it by a process that matches the annual Consumer Price Index increase. This has the advantage of being both practical and fair to the Lodges who can then easily manage Lodge Dues with a minimal increase. Ergo, a Communication held every three years, paid for in advance.

The Board of General Purposes, over the last twelve months, and particularly the last three years, had its focus and priority on membership, finance, and communication. The findings, under three broad headings, were presented by the Chairman in this condensed Report:

**MEMBERSHIP**

“We are a membership based organization. We cannot directly grow the membership of individual Lodges, as that is clearly a matter for the Lodge itself to address. But we can provide you with the tools to assist in growth and retention. The challenge has been, and always will be, to get Lodges to take ownership of their own destiny, and to address local issues that relate specifically to them. What has become very clear is that those Lodges that have engaged using the tools that are available have been proactive with their membership and have seen the fruits of that labour.

Those who have attended Divisional Conferences and taken part in workshops, as well as downloading material from the Grand Lodge Website Toolbox have all made significant progress. There are now over 150 individual tools within that toolbox that are available for a Lodge to use, all of which have been developed by the individual Pillar Committees.

I would like to report that our membership is now growing, but as the Grand Master has stated on many occasions, we will never return to the membership numbers of the past. I have always been of the view that our membership will eventually settle in the 7 to 8 thousand range, which would be consistent with several other membership based societies. This is compatible with world-wide trends. What we can see though, is a levelling of that decline, beginning with Initiation starting to improve against mortality. Retention and engagement is the key to our growth.

We have invested in our future leaders over the last year. Workshops were held for those seeking appointment as Divisional Grand Masters, and the subsequent selection of interviews proved how important that development has been. The same formula was used for Brethren who were seeking the role of District Grand Master, and whilst appointed by

the Brethren, their advantage of preliminary training has proved its worth. We are keen to empower our people, so we are pleased that these key leaders have the tools and experience to work well for the Lodges that are under their direction.

## FINANCE

Financially, the year has provided us with our share of challenges. We are very much aware that our source of income is quite narrow. In addition to that, we are now paying tax. We have strived to live within our means. We have made savings over our budgeted expenses, but with that came some big-ticket cost items that we had to address. Major changes had to be made to our National Office in Wellington to conform to new building code earthquake requirements, and strengthening parts of the building in order to retain our tenants. This came at a cost of over \$300,000. Considerable work has been done over the past few years to contain expenditure to a reasonable level based on the services that we are required to provide. Should circumstances indicate a significant shortfall, or where a specific need arises, the Board will have to place a Remit before the Divisional Conferences to obtain approval to increase the Capitation Fee beyond the Consumer Price Index amount.

## COMMUNICATION

We have launched a new Grand Lodge website, which is now our shop window for Freemasonry in New Zealand. All three Divisions now link to the main site, but our focus has been to ensure that only matters that are of a national interest are on the main website, and all local activities will be on the Divisional sites. Brethren will be able to access their Divisional website with specific information for Lodges and Brethren, including a blog from their District Grand Master. They are user-friendly and designed for use by Freemasons; quick, efficient and relevant. Once they are fully launched, you will be stunned by their simplicity and usefulness, and Communications within our Craft will be at an all-time high.

The Freemasons Magazine is a much-respected publication, and we have maintained four issues a year as requested by the Brethren. Articles are of a high standard, and we have been fortunate in securing some local advertising to defray costs. Despite substantially reducing the cost of printing, it remains a major expense within our Budget. In the future, greater use of electronic media is on the horizon as we balance the desire to communicate with the ever-rising cost of hard-copy publications. Our public profile is extremely important, and so these needs are at our constant attention. There is little to be gained from being the best organization in the world if we do not, or cannot, communicate that fact in a positive and constructive manner.

In summary, the Board is pleased with the progress that has been achieved. We strive for efficiencies, and I feel that as an organization, we are prepared for the challenges that lie ahead. We have overcome some of the financial issues we have faced, and we are on a springboard to where our communication is poised to rebound us into the future. And while our membership does not have a silver bullet solution, there are plans to also address this challenge. I commend to you the following Address on the subject given by the Grand Master, and urge each one of you to accept the membership challenge, as the future truly lies in our individual hands.

Condensed Address of newly Installed Grand Master, M.W. Bro. Mark R. Winger.

“Last year we celebrated our 125<sup>th</sup> Anniversary of the birth of our Constitution. I was asked if the principles of Freemasonry are as relevant today as they were 125 years ago. Is the music of Mozart still relevant after 225 years? Has Shakespeare lost relevance because his works are 425 years old? The answer to those two questions is no. Our principles are

entrenched in the fabric of society and are as relevant now as at when this Grand Lodge was founded.

So, if Freemasonry is still so relevant, why do we face challenges in attracting men of calibre to join our organization? And how can we act to stop the long slow decline we have endured for many years? What do we have to change so we may thrive again? I am not prepared to wait and let time alone decide our future. Wishing and waiting for today's society to recognize our noble and magnificent organization will not help us. We must catch up. I believe that I have a way to move forward.

So, let me talk about communication. We need to communicate with those who don't know us, who may have heard of us, but know nothing of our ways, our convictions and principles. Not only that, we need to communicate face to face, man to man. We must communicate Freemasonry in open, easy, plain English – how we make good men better, what we are doing for our communities, the power of good we bring with us, the camaraderie and fellowship we build. We must communicate this. Currently the public, especially younger men, have little or no idea of these things.

We know that most of our Candidates are only drawn to take the first step through direct, one-on-one discussion with a Freemason. Only then can a convincing impression be made of our ancient and honourable institution. And that will invite further enquiry.

My goal in my term of office is to see the long slow decline in membership come to an end. We will do this by communicating; by speaking openly and plainly about Freemasonry. With your support, and with all of us working toward the same goal, I am confident the turn-around can be made. My starting point on this issue is for EVERY FREEMASON TO START TALKING. We have thousands of members across the country who must start communicating. This is a powerful weapon we are not using. My personal experience tells me it works. Many of you tell me it works. I am convinced it can reverse the problem of membership.

Too many of us will not talk about Freemasonry openly, in public, even to friends and colleagues. Why not? Do we believe we are not allowed? Is it all secret? Can't we talk about the good we do? Are we embarrassed or uncomfortable? Is it a lack of knowledge? Yes, some discretion is required. But a beautiful picture of the Craft CAN be drawn, what it is and what it stands for. The question that then remains is – how many of us can do that – draw the picture?

To make our communication work we must be able to answer the fundamental questions every man in the street is likely to ask:

What is Freemasonry?

What do Freemasons do?

Why should I join the Freemasons?

What's in it for me?

I want every Freemason to be armed with the answers – clear, plain and simple. The kind of answers that will provoke the first step. It is time for all of us to SPEAK UP. From Monday on I will urge all of us to speak to lay people about Freemasonry – every week to speak to at least one lay person. Yes, to speak up at every opportunity.

And that is the name we are giving to a new campaign we are beginning today:

“SPEAK UP FOR FREEMASONRY.”

We don't need the Media. It is a mouth-to-mouth campaign, and what is more convincing than face-to-face enthusiasm. The task is to explain Freemasonry in simple direct language one-to-one. Talk to non-masons about our organization – raise the topic with them. Be ready to drop our name and what we do into your conversations. At home,

at work, at the Club, the course, in the café or at the party. I have no doubt you will be delighted with the response you will receive. Experience says it always does.

I make the point that this is not recruitment advertising. We don't do that, and we are not starting now. I am asking you to create a positive image of the Craft, so the good men will HEAR about us, like what they hear and will want to join us. The District Grand Masters invested today are all aware of this project and are 100% behind it. They will be actively encouraging Brethren to SPEAK UP FOR FREEMASONRY, guiding their Lodges and creating opportunities. This project will continue during my tenure as Grand Master. I have confidence in its ability to achieve my membership objective. But King Solomon's Temple wasn't built in a day, and to build Freemasonry will take time, effort and industry.

Success is always related to effort. Every Lodge should bear that in mind. Success can only emerge from the effort and action of the Brethren in our Lodges. If ever we needed perseverance, this is the time. We must start telling our story to the world. We will gather momentum. We will raise our profile. The rewards will follow. I will play my part.

From today, you will see the words SPEAK UP FOR FREEMASONRY and the image we have designed to convey this message on all Grand Lodge correspondence and communications. Be positive and proud of Freemasonry and let us put our organization back on the pedestal where it belongs."

## SCOTLAND

Annual Report, Freemason's Hall, Edinburgh, November 2016

Brother Charles Iain R. Wolrige of Esslemont, Grand Master Mason

The Grand Lodge opened by re-affirming the Aims and Relationships of the Craft and the Basic Principles of Grand Lodge Recognition. The Report presented an overview of the activities of the Grand Lodge over the past year.

The Toast to the Grand Lodge of Scotland was delivered by the Grand Master of the United Grand Lodge of Germany, Brother Christopher Bosbach, who offered suggestions for future topics of discussion, specifically, the place of Freemasonry in the changing modern world.

"We can no longer hide out in our little cocoon over here. Throughout history, Freemasonry has played an important role on numerous occasions, but it has also kept quiet in situations where it should have been more present. On these occasions, Freemasonry has not always left a positive mark, leading up to the question of how relevant Freemasonry is going to be in the near future.

He, who asks this question, forgets that the principle nature of Freemasonry is founded on inspiring efforts, and cannot be reduced to periods of time, no matter whether it expressed itself through social or political activities. The main core of Freemasonry overshadows these activities: a shared ethical purpose.

Freemasonry can, and must keep an eye on undesirable developments, and take a stand against such with ethical moral observance.

We all know Freemasonry will never set foot in the profane world. We disregard talk about inter-confessional-religious and political topics, and we do so because we have learnt that these conversations lead to dissent and disunity.

Nevertheless, is that a good enough reason to be silent about urgent situations? Every one of us should have learnt from history.

Not so long ago, the Grand Lodge of Hungary was confronted with the national institutions pressing them to give out personal information of its members. Thankfully, the Grand Master was successful in opposing these demands.

The Grand Master of Grande Oriente d'Italia has been asked to make member data accessible to the anti-Mafia commission. He was able to make clear this is not going to happen, because once the information is out there, it will spread.

Two Grand Lodges in North America have included a passage in their personal Constitutions, claiming homosexuality to be against God's Will, and therefore not compatible with Masonic values. This act led to banning all homosexual members of their Grand Lodges. All over the world, Grand Lodges have taken a stand against these actions and have withdrawn their recognition from these Lodges and frozen their bilateral relations.

Not so far in the future, we will be asked what role we are playing in society.

We will be asked, who profits from our work?

We will be asked for our opinions; we will be forced to take a stand, and we should be prepared for that.

The modern human is used to every question being answered quickly. Instant reflection of one's actions seems inevitable. Disagreement is often misunderstood. This will lead to the rejection and incomprehensibility of Freemasonry in the public eye.

Take time. Know yourself. Change your mind. Work on perfecting your relations to your fellow human beings and all other things which were demanded from us as young Freemasons.

Let's take ourselves to the test. Are we meeting these demands?

Only in a community like Freemasonry, where there is not only talk about Brotherhood, but also where everyone tries to live it, can Brotherhood take shape.

Even though the Freemason is not able to change other humans, he must never stop trying to change his environment.

In every situation, as marginal as it may seem, within the family, at work, in politics, it is worth it to aim at more human structures that really help the people, and to anticipate actions that meet the demands of our Masonic values. Whether Freemasonry is Christian, humanist, or displays any other religion's values is entirely insignificant when looking at its unifying aspects. The work the Freemason does with himself, the work on the rough body, is the precondition for this social influence. The tools and the manual for this work are given to him in the form of the Masonic symbolism and Ritual. Only he, who can detect his flaws and makes an effort to learn from them and live up to an ideal, can adopt a brotherly, generous attitude towards his fellow human beings.

What is all this self-refining work worth, if no one can profit from it?

We are given the ability to guide people into pursuing the right actions and therefore, at the end of the day, we are doing the right thing. I, for example, never stop reminding my colleagues, friends and family to use their democratic rights and vote in every election. The worst vote is no vote. This is not a political statement. It is a reminder that the right to vote is the obligation to vote. I tell them not to reject the less fortunate. To only talk about brotherhood, humanism and tolerance, and not to live it, is wrong.

As soon as we realize this is our task, we will see that this has always been our task.

It is just our circumstances which change. Throughout all ages, this has been our contribution to humanity. Please ask yourself, in what age are we living now?"

The Grand Master Mason thanked the guest speaker for his eloquent remarks, and responded:

"Brethren, we still have a wonderful Craft and it continues to inspire and develop our Brethren. However, as I have said many times before, our Ritual and ceremonies are sacrosanct, and I would never change them. But that does not mean that we cannot communicate our message in a slightly better way, one that makes candidates think a little

deeper as to the message we are delivering and more importantly, how can we ensure that message is followed through outside our Lodge rooms.

Several years ago, I urged Brethren to concentrate on Masonic Education as a way of increasing their Masonic knowledge, and acting as a stimulus to encourage greater interest in the Craft. Like many Grand Lodges the world over, it is not the number of Initiates that is the problem, but retaining members once they have attained their Third Degree. I have always considered that the completion of the Third Degree is the start of your Masonic Education— not the graduation, and I firmly believe that Masonic Education, in whatever form, can be the answer to falling attendances and inspiring newer members. I fully endorse this Programme and its best-known feature, the Intender Training Scheme.

Intenders, nowadays called Mentors, are being trained to assist both new, and not so new Brethren, aided by the production of an informative booklet for New Entrants plus the production of “Enlightenment Booklets”, explaining the lessons of each Degree and the progress through the Degrees and the Mark Ceremonial.

Our “Walk Through” Degrees are a recent addition to the Programme. They augment the Enlightenment Booklets and explain various parts of the Degree with those who recently have undergone the Degree, watching, listening and learning from their seat in the body of the Kirk. The Education Programme is supported by our PGL Library - a growing Lending Library with currently over 600 books on every aspect of the Craft - and a Digital Library with more than 4000 books on Freemasonry available for any Brother in the Craft to read on-line or download.

The way we administer the Craft may also have to change. It has been agreed at Grand Committee that our present structure is rather too unwieldy, and it may be necessary to reduce the number on Grand Committee. However, the overall direction of Grand Lodge will remain democratic, as no Motion can be passed without the agreed majority of all Brethren of Grand Lodge. Differences of opinion will arise from time to time, but that is the nature of a democratic society, and if the overall will of the Brethren is maintained, then we will see progress.

A small Working Party has recently been set up via the Grand Lodge Information and Communication Committee to pull together information and feedback from the 32 Provinces. A Survey was undertaken to establish how we might learn from each from each other, identify successes and share best practices. An analysis of the returns received to date confirms that Recruitment and Retention feature highly in the challenges we face. Leadership training is also high on the list as identified by the Provinces, as is the sharing of resources required to deal with these matters.

We expect the final results of the Survey to be fully analyzed and supplied to the Provinces before the end of the year. Thereafter, we will identify and confirm our common interests and challenges, and seek to work more closely together, sharing knowledge, experience and resources for the benefit of the Scottish Craft.

Brethren, we need also to consider the changing social environment and the impact this has on the men who have joined the Craft in recent years, and in particular, those who we would seek to attract to our ranks in the future. The world out there has changed...and continues to change. We need to adapt to our changing world and ensure that we modernize without impacting negatively on our Traditions, but recognizing that these social changes should not be ignored.

In this changing world we need to Review, Reconsider and Plan our future. We must of course learn from the past, as we must learn from the present, thereby better preparing ourselves and our Craft for tomorrow. We have a proud history and, without doubt, a bright future. Comparisons to the Craft of yesteryear can be misleading.

The Provinces and Districts recognize the need for forward thinking and action. We cannot settle for simply “keeping things ticking over” or acting as “caretakers.” We must strive to maintain, improve and develop our Brethren and our Lodges, to meet the expectations of a new generation.

Rank does not impose privilege or power. It imposes responsibility. We all have a great responsibility in promoting Freemasonry, in our day-to-day work for the Craft, in our preparations for the days that lie ahead, and for the ongoing welfare of our Institution.

I say simply... "Don't look back. We're not going that way."

## IRELAND

Annual Report, Freemason's Hall, Dublin, December 2016.

M.W. Grand Master Douglas T. Grey

The Metropolitan Board of the Grand Lodge of Ireland launched its Strategic Development Plan for the Future that will run through 2020. The Plan covers many topics, and addresses all facets of the problems facing the Fraternity, under four main headings:

GOVERNANCE – THE STREAMLINING OF GRAND LODGE OPERATIONS

MEMBERSHIP

BENEVOLENCE

FACILITIES AND SOCIAL EVENTS

On the initiative of the Grand Master, a committee was set up to examine how the Grand Lodge might proceed towards an Education and Communication Committee. The members are in electronic communication with each other, and it is expected that they will appear before the Grand Master's Council with their report before the Grand Lodge meeting at year's end.

The Grand Lodge of Instruction holds classes throughout all the Provinces and the Metropolitan area, exemplifying all three Degrees, the Ceremony of Installation and Investiture of Officers. It exists to support Freemasons in all areas by providing instruction and guidance on matters concerning Ritual and Ceremonial. Attendance has declined somewhat than in previous years. The Grand Master encourages all Master Masons to participate in maintaining the high standards of our Ritual which we hold in such high esteem throughout the Sister Constitutions.

What about the image of Freemasonry? In order to reassure the public as to the true nature of the Craft we must demonstrate that it is an organization that espouses the basic principles of integrity, goodwill and charity, and that it is a force for good in the community. This remains a key part of Grand Lodge's efforts to improve and increase membership. Positive Media coverage has led to direct enquiries for membership, which have led to Initiations.

Contact with local newspapers in covering a Masonic event in the Midland Counties resulted in a positive two-page newspaper article, which stimulated an enquiry by Irish Television, who wished to feature a short slot on the event and Freemasonry. This led to an interview with the Provincial Grand Master. Again, the local newspaper came and published another short article and photographs of the event. Irish Television eventually showed the finished Programme on two occasions.

More than one Province reported that membership numbers have remained stable, in fact increasing slightly, despite some vigorous spring cleaning during the year. Part of this was due to the abolition of leave of absence, and also by Lodges taking a more vigorous look at non-attendees who appear to have lost interest. In fact, all Lodges in one province have recruited new members, and that is to be encouraged.

The Masonic Charities remain a vital part of the activities of the Grand Lodge. They encompass the Masonic Boys and Girls Benefit Fund, the Welfare Fund, the Victoria Jubilee Masonic Benevolent Fund, Medical Research, and Masonic Havens Limited, a nursing and retirement facility for active Masons. Two deserve special attention.

The Masonic Girls Benefit Fund and the Masonic Boys Benefit Fund provide financial assistance with the cost of education, maintenance, advancement and benefits (including medical care), for daughters and sons of deceased Freemasons in the first instance, and financially distressed Freemasons in the second. In 2015 the Fund supported 429 beneficiaries, primarily with their education. This represents an increase of 23% over 2015, and will be remembered as a momentous year in the history of Irish Masonic Charity as the amount of support from the Funds exceeded over one million Euros.

Both Funds are tightly controlled. Charities remain under the spotlight in Ireland, as a number of them having been in the spotlight due to financial irregularities. Grand Lodge tightened controls, and kept expenses to a bare minimum of less than 1% of annual income, resulting in an impressive 99% plus being available for assistance.

The Masonic Welfare Fund expressed concerns that they are getting applications from Brethren who may only have just joined the Order, and who have heard that there may be money/grants available. Additionally, applications are received from Brethren who may have been issued grants from other Funds. Another small problem occurs when a Brother gets himself into serious financial difficulties, and we do not have sufficient funds to clear his loans. We have however, been able to pay the odd bill and put some food on the table for their family.

This year has been a very busy one for the Masonic Welfare Fund, and due to the continued support from many of the Lodges we have been able to financially support Brethren and their family members. We recommend that the Lodge Almoner contact the Welfare Fund committee member who represents that particular Province about such cases. We always want to know if the Lodge has tried to assist their member making the application, but we realize that it is not always possible for the Lodge to assist financially.

The Grand Lodge Program –Recruitment- Retention -Retrieval -initiated several years ago, designed to slow the decline in membership, has led to an air of optimism and confidence for the future. There is hope that the decline in membership will bottom out and begin to increase. There is still a long way to go, as the Grand Lodge of Ireland faces the same challenges as all Jurisdictions. They manage them in the way they see most fit to benefit their Jurisdiction. There is no magic bullet.

The former Grand Secretary, R.W. Bro. Michael Walker, once addressed the issue of membership and retention in the following manner:

“In marketing terms, we must view Freemasonry as a product. This is what we are selling for uptake for members and potential members. To increase our sales, we must improve the product or make the packaging more attractive. Freemasonry is a fairly stable product in itself. Little can be done to alter the product without changing it entirely in both essence and appearance. Its principles and precepts have stood the test of time and are as valid today as ever, even if its acceptance rises and falls on the scales of time. We cannot change the product and stay in the same business. We must be true to ourselves in this. What we can do is upgrade the packaging and make it more attractive. We can adopt a higher profile and quietly “let our light shine” before men.

Freemasonry is not for everyone, but at all times there are those men to whom it will appeal. The candle in the window is an invitation understood by all, and some will accept and knock at the door. Our principles must stand firm, upright and visible, lest the Arts and Sciences – in our case the whole body of Freemasonry – should slip from the knowledge of man.”

## MINNESOTA

164<sup>th</sup> Annual Communication, Bloomington, Minnesota, April 2017.

164 Lodges

11,644 Members  
(Loss – 945)

Condensed from the Address by M.W. John B. Studell, Grand Master.

“It’s running like a fine watch,” the Grand Master said in his opening Address, using the analogy to discuss the State of the Craft in the State of Minnesota.

“That phrase means everything. All parts are working in unison and concert to perform a series of essential tasks. In the case of watches, the purpose is the accurate telling of time. When some part of the component fails in its construct or is lacking with regard to its assigned duty, the other interactive parts around it are hindered or completely prevented from performing their intended task.

In many respects, this analogy describes the State of the Fraternity. It is having trouble. It is not running as it should. When I examine this watch I will use a pair of loupes, or possibly a microscope to magnify the movement and identify the issues. Even if I suspect I know what is wrong, I need to get a closer look in order to be sure. I hope to place a glass on the working movement of the Fraternity, and by so doing, identify those elements that are not performing as intended or designed. I hope to explain my wish for the Fraternity, and to provide some food for thought with respect to our relevance and importance in the world today.

We as a Fraternity accomplish many things without seeming to break a sweat. Our charitable endeavours are widely recognized. Our historical lineage is a veritable list of Who’s Who in America. Our long-standing tradition of support of a Brother and his family in time of need, and the many Masonic branches whose supportive efforts affect the lives of those around them in positive in positive life-changing ways can be pointed to in myriad ways. And yet...today we seem to often find ourselves struggling to accomplish many of those things that made us successful. Those things that we espouse but need to practice; those things that perhaps we have lost touch with, if indeed we ever had a firm grip on them at all.

We must reaffirm our commitment to our obligations, not just their words, but their meanings, in a way that will pay homage to our heritage and solidify our standing within the community.

Considering this, I ask-which way do we go? I feel the need to say, let’s take a sharper focus, look things over and pause to reflect. Pause, not a full stop, and then move forward with a corrective and perhaps even a critical eye towards revitalization, correction and even dismissal. A closer look to direct efforts of repair.

We should fix and improve those things that bear fruit. We have data as to what these are, and we have committees that stand ready to act as directed. As always, correct whatever is amiss. Jettison those elements, programs, policies and ideas that are not assisting us in achieving our goals. Entertain experimentation only when the merits point to a high probability of success.

In the last 300 years we have reinvented the wheel many times. Change is a constant and unavoidable fact. The world is changing around us. Do we desire a role in deciding the pattern of such change? The young men who will observe and study us will have different goals than perhaps we have; make different lifestyle choices and hope for things that many of us have never even contemplated. Will we be ready to confidently engage them and discuss their interest in the Fraternity? We must present an accurate and positive view of the Fraternity, especially in Minnesota.”

The Grand Master's direct evaluation and comments were in response to the problem of continuing declining membership, 3.97% in 2016. This number represented Demits and Suspensions only and did not include Deceased. This was accompanied by a corresponding decline in revenue, and an increase of the Per-Capita in 2018 from \$29 to \$40 in order to continue to provide quality programs and services to its members and constituent Lodges, including membership seminars, money management services, mentorship, Lodge educational materials and the Minnesota Mason and e Mason newsletter.

In common with many other Jurisdictions, Minnesota experiences a decline in membership despite having many comprehensive programs designed to guide any Petitioner through the interview process, and Initiation, Passing and Raising. Mentoring, education and training are provided at every stage to ensure he is qualified and knowledgeable enough to progress to the next level. Many of these programs deserve mention:

#### ENTERED APPRENTICE, FELLOWCRAFT AND MASTER MASON PROLOGUES

Prior to Initiation, the candidate is given a document, The Entered Apprentice Degree Prologue. It is a written welcome to the Craft. It emphasizes that what will follow in his initiatory degree is identical with that trod by every Mason who has come before; what he will experience has been shared by every Master Mason. It explains that Masonry is a philosophical system of morality, interpreted by allegory and symbols, all of which will be further explained as he progresses through the Degrees. The historical traditions of the operative Masons are explained, all of whom advanced to higher Degrees on merit and performance. He is told that every object, item and word displayed in the Lodge has symbolic significance; that he may not learn the meaning of every symbol and detail today, but faithful attendance at future meetings will provide the answers to the many questions which will arise. Finally, he is told that whatever he may have heard, there is no levity, horseplay or embarrassment in the ceremony, and that there is nothing in a Masonic Lodge which does not have a direct bearing upon the lessons to be unfolded for his instruction. He is asked to remember that he has entrusted himself to friends, soon to be called Brethren, in whom he can safely place the utmost trust and confidence.

A similar Prologue is given to the candidate prior to the Fellowcraft and Master Mason Degrees.

#### MENTOR PROGRAM

The Mentor Program is not simply designed to assist the candidate to learn the Ritual in preparation for the next Degree. The reasons for an active program are to give new Masons a better understanding of the history, culture and symbolism of Freemasonry; an appreciation of the Ritual and its purposes; engagement in the Masonic culture; a greater connection to their Brethren and the capacity to contribute to the Lodge and its members.

The newly initiated candidate is presented with a collection of books called the Entered Apprentice Degree Packet, consisting of an Overview of the Degree, the Virtues of Masonry, the Tenets of Masonry, the EA Quiz and Answers.

An identical package is provided following the Fellowcraft and Master Mason Degrees. No new Mason advances until his proficiency has been proven and recorded by a Lodge Education Officer who has earned a Lecturer's Certificate, and who must attest in writing that the candidate is qualified to proceed to the next Degree. In this manner, a written record of every Mason's progress is maintained.

Following the Master Mason Degree, he also receives the Further Light Packet, a Minnesota Masonic Book Club Application, with access to titles such as Defining

Masonry, The Eye in the Pyramid, Questions and Answers, all of which he may use at his own discretion.

The goal of this program is that Masonry will:

- Attract higher quality candidates.
- Have stronger healthier Lodges.
- Be more vital in the community.
- Have a greater charitable impact.
- Present a better image to the community.
- Be better positioned to adapt and thrive in the future.

The last word goes to the New Mason, in the form of a 3-6-12 month survey from the Lodge, asking the new member for his list of “likes, dislikes, and any suggestions for improvement.”

The 5 questions are:

I was first interested in Masonry by .....

When I joined the Lodge, the process of going the three Degrees was.....

My Mentor experience has been.....

My experience in the Lodge has been .....

I would be more involved in the Lodge if .....

In summary, the Mentor Program is designed to create enrichment of the candidates experience through the three Degrees, resulting in a caliber of Lodge that displays a higher level of fellowship, charitable outreach, and community leadership.

LODGE LEADERSHIP AND MANAGEMENT PROGRAM AND NOTEBOOK

Leadership may indeed be an elusive idea which has elements that are different according to who you are and what you do. However, this program contends that competent leadership has one element that is always present. That element is the ability to manage. Before one can effectively LEAD, one must effectively MANAGE the entity they are leading and the people that work within it.

The Lodge Management Notebook does not tell a Brother how to manage a Lodge. It is not a magic carpet ride through the years as Senior Warden and Master. It is a tool to help plan and build; it can be the first step toward strong and competent leadership – but only if the Brother will use it.

It begins with the duties of the JUNIOR WARDEN, who must:

- Be prepared to perform the duties of the Senior Warden of Worshipful Master in their absence.
- Act as Master of the EA and FC Degrees.
- Be a member of the Finance Committee.
- Prepare all Degree Work Sheets.
- Attend Grand Lodge Communications, Lodges of Instruction and Masters and Wardens Conferences.
- Organize Degree rehearsals.

- Become aware of and well versed in all Fraternal matters such as Welfare, Relief and Charity.
- Be the Lodge Liaison for DeMolay.
- Be responsible for an occasional article in the Lodge newsletter.

The SENIOR WARDEN has additional responsibilities, including heading all projects initiated by the Worshipful Master to their completion; responsibility for the Mentor Program; assuring there are always sufficient Brethren present to perform any of the Degrees, and membership on the Finance/Budget Committee.

The duties and obligations of the WORSHIPFUL MASTER include responsibility for preparing a Monthly Agenda; a sound Annual Budget based on income and responsibilities, and the publication of a calendar of Lodge events for each regular meeting of his entire year. He must also ensure his successor and all Officers in line are prepared to move ahead the following year.

All the above may be considered basic. The Grand Master considers 'back to basics' as the strengthening of the foundational elements upon which the Fraternity stands; a means to create a future without sacrificing the tenets of Masonry; the only way to weather the storms of declining membership and societal change.

"It takes intelligence to recognize one's faults and courage to confront them," the Grand Master said in closing. "I hope to reaffirm that we are a Fraternity that expects its members, especially its leaders, to comply with the basics. Our Committees, District Representatives and Area Deputies will continue to play critical roles in our ongoing focused and evaluative process. We must all build upon our best qualities and work as though our survival depends on it. We have the expertise, the tools, and hopefully, the desire.

So, what's next? We must find out together."

## PENNSYLVANIA

Annual Grand Communication, Pittsburgh, Pennsylvania, December 2015

411 Lodges

101,745 Members  
(Loss -1,045)

Condensed from the Proceedings, and the Address of R.W. Grand Master, Raymond T. Dietz.

"Thomas Jefferson stated, "We hold these truths to be self-evident, that all men are created equal."

"Our Fraternity practices that well-used statement to this day. Our members come from all walks of life and meet as equals without any concern for race, religion, or socio-economic status. Masonry is more relevant and important to society than ever as we embrace all the fundamental principles of good citizenship. Within our communities we need to be more visible, be happy to acknowledge our Masonic membership and the many ways we benefit society. For the next two years, my administration will focus on expanding some existing programs, as well as starting some new initiatives."

With these opening remarks of his Inaugural Address, R.W. Grand Master Dietz outlined his approach in dealing with the problems facing the Fraternity in Pennsylvania.

"While we must continue to support many secular charities in our communities, we must focus on our Brethren and their families when they need our assistance. With that thought in mind, I am announcing today the creation of the LODGE ALMONER'S

FUND. The details of this fund and the way it will be administered, will be explained to all the District Deputies. This program will require all Masons to support and help financially the members of their own Lodge who need assistance. If we are to bring value back to being a Mason, we must strive to help our Brethren in need on a local Lodge level.

Our MASONIC OUTREACH PROGRAM, administered by the Masonic Villages, provides direction, information and education and a variety of helpful services for our members and families. To be true to my commitment of always helping our Masonic family, my administration will enhance our outreach programs to include home health-care services, care management, personal emergency response systems, and a WIDOW'S PROGRAM.

Also, beginning today, Pennsylvania Masons will support the nationally renowned early childhood literacy program, RAISING A READER. The purpose of the program is to reach out to underprivileged students from kindergarten through Grade 2 who struggle with reading, and to provide them and their parents with the resources to succeed in school and in their life's work.

Just as we have done in 2004 and 2014, we will have a Statewide One-Day Class, in thirteen locations across the State. I expect all DDGMs and Lodges to support this effort and assist in the rebuilding of Masonry in Pennsylvania. It is my hope this year that we will take in more new members than in both two previous One-Day Classes. We are offering several incentives to make it a success. The first will award points to a Brother for being the first signer on a Petition for Membership. They can be redeemed for valuable merchandise on the Pennsylvania Masons Incentive Program Website. Additionally, to thank our military men and veterans, any active or retired military member who wishes to join our Fraternity will have half of the normal Initiation Fee waived by Grand Lodge and the Craft Lodge. It is my sincere hope that by giving things of value to our members, we will attract men of value to our doors.

To begin, I have started a Lodge Greeter Program to make sure that all new Brethren and those who have not attended in a while feel welcomed and comfortable. The Senior Warden, or in his absence, the Junior Warden, in full regalia, will be stationed outside the door of the Lodge 15 minutes before the opening of the Lodge to greet each Brother and ensure he has someone with whom to sit. All new Brethren shall be introduced and placed with an experienced Brother for the evening.

In an effort to make the Lodge meetings more interesting and better attended, I authorize the Lodges to continue to open and close the meetings in the prescribed short method; however, the opening and closing charges must still be presented. If we expect members to attend monthly meetings, it is vital to present interesting programs. To assist in this area, we will provide numerous presentations on the Grand Lodge Website that can be downloaded and presented with simply a laptop and projector.

In the ever-changing technological world in which we live, it is imperative we keep in step with this fast-moving field. We must operate in a 21<sup>st</sup> century mentality in the technology department and in the way we deal with young men who are, or may become, members. We have developed a new state-of-the-art system that will better co-ordinate communications between the Lodges and the Grand Secretary.

To improve the financial health of the Lodges, each will work with a Lodge Compliance Officer to facilitate the Lodge Audits through a new process called Desktop Review. All Lodges should work closely with the assigned Compliance Officer. Grand Masters of the past have worked just as I am doing for the betterment of our Fraternity, but we must work even harder to confront the many problems associated with the Craft. The loss of membership has a profound effect on our finances. Income is decreasing, while at the same time expenses are rising. It is paramount that we keep a vigilant watch on this situation, and I am reviewing many of the Grand Lodge expenditures to determine if there are ways to be more efficient."

The Committee on Masonic Halls, Temples and Lodge Rooms has been working with Lodges, Deputies, and Trustees, to improve the Lodge meeting places in Pennsylvania. Their primary duty has been to assist in obtaining an existing building, remodeling it as a new meeting place and selling the old building. Because of current construction costs, it is very difficult to finance the building of new premises. In a few places, the land the Lodge is built on is valuable, but in most cases, this is not true. In disposing of the buildings that are no longer required, one must consider the holding costs. Merged Lodges have found that the fixed costs of maintaining the property were seriously depleting their funds. Holding onto a property for too long in the hope of realizing a certain price, may, in the end, result in a financial loss. Sometimes it is better to let the property go than allow it to drain your resources. Grand Lodge is always willing to assist in listing options when starting such a project.

A review of the progress made under the leadership of the Immediate Grand Master, Right Worshipful Robert J. Bateman, indicated the following: -

Suspensions were 901 in 2015 as compared to 1,823 in 2014. Retention Committees are doing well in achieving their goals.

An Incentive Program was introduced that rewarded any Masonic Lodge that increased its' Membership while maintaining its' current Membership. The Lodge will receive \$50.00 from Grand Lodge for every new member who has been raised to the Sublime Degree of a Master Mason.

If a member of a Lodge is the first-line signer on a Petition, his name will go into a pool to be eligible for a grand prize drawing of a gift-card in the amount of \$1000.00.

There is also a second and third place drawing in the amount of \$500.00.

Grand Lodge continued its' support of the Masonic Youth Groups; the Mentor Program; the On-line Masonic Education Program; the Grand Master's Award Program; the Master Builders program; Warden's Workshops for all Senior and Junior Wardens, Past Masters, and anyone who was planning to become the Worshipful Master of a Lodge.

The requirements to be elected and installed as a Junior Warden and Senior Warden and Worshipful Master were raised.

R.W. Grand Master Bateman thanked all the Brethren, remarked in closing that progress is not possible without everyone's participation, and left the Brethren to consider these words:

"Before we conclude, let's suppose a few things.

1. Suppose your Lodge was limited to 25 Members. Would you be in or out?
2. Suppose you had to run for membership, as a candidate runs for office. Would you win or lose?
3. Suppose your membership was for one year, and then you had to be re-elected depending on your service. Would you be re-elected?
4. Suppose you were called upon to tell why you should be retained. Do you have a record of service to help in your defense?
5. Suppose every member did as you were doing. Would your Lodge be the most active one around? Or would it disappear into obscurity?
6. Suppose you were charged with being a member. Would there be enough evidence to convict you?
7. Suppose a young man asked you what Freemasonry is, and what it is about. Could you answer him?

Brethren, Freemasonry is ours to share with the world, not to be kept behind locked doors. Remember that the building of King Solomon's Temple was in 955 B.C. Our three Grand Masters and 153,000 workmen not only built a Temple but a Fraternity of which we are all members today. They built the future for us. It is our responsibility to continue to build that future. We must use the blueprints of the past, the tools of the present, and our

dreams to build the future for our Great Fraternity. Brethren, we are the builders of that future, and I believe that it is time that we all got to work.”

## WASHINGTON

159<sup>th</sup> Annual Communication, Wenatchee, Washington, June 2016

177 Lodges

13,392 Members  
(Loss-787)

M.W. Donald G. Munks, Grand Master.

The Grand Master's Report on the State of The Craft reveals that Freemasonry in Washington is growing. Lodges are seeing increases in membership, finances, and recognition within their respective communities. There is an increased quest for knowledge about Freemasonry from men of all ages, but more especially from those eighteen years through thirty. The majority of Lodges in the Jurisdiction are succeeding, but some are dying, often because their community is struggling, and people are moving elsewhere to earn a living.

The Report identified other causes; apathy and a resistance to change. There are Lodges that are comfortable with what they are doing; with what they have always done. They are tired and do not wish to get out of their comfort zone, as they did when they were younger and eager. There is, and has been a black cloud over the Fraternity for some time. It is related to a culture of secrecy about what Freemasons do, how they act, and a reluctance to encourage good men they know to join.

That attitude is changing, but not fast enough to help several Lodges. Rapid growth is occurring in most of the Lodges utilizing some of the Grand Lodge Membership Committee's program, "SIX STEPS TO INITIATION." No matter how many times a Lodge requires a candidate to attend Lodge functions before he can petition for membership, he will have become acquainted with the members and vice-versa. He will have been educated by a Past Master in the realities of Freemasonry and the Lodge's customs and requirements while the Brothers are in their Stated Meeting.

Once he becomes a Master Mason, he becomes immediately involved in what is happening in the Lodge, not in a major role as an Officer, which at that point could be too demanding, but on a Committee, or being assigned minor parts on a Degree Team, or any activity that keeps him involved in the action. Well qualified Mentors and coaches are essential for this process, on the basis that a bored Mason quits attending Lodge. Grand Lodge Committees are being reshaped to accommodate this initiative, and other issues facing the Lodges of today.

The Grand Master also suggested that this program serves another purpose. The Jurisprudence Committee reported that 80% of all Suspensions for Un-Masonic Conduct concerned Brothers that came into the Fraternity between 2004 and 2007, which begged the question, "Were we really performing comprehensive investigations into the character of our Petitioners?"

This guide to the selection process, "SIX STEPS TO INITIATION", is designed to be used for the pre-screening of all candidates prior to the Petition for Initiation being presented to them. It is a tool to help evaluate potential members and determine their suitability for membership in a Lodge. Freemasonry is not for everyone and a Lodge needs to determine, as best they can, who it is for and who it is not.

The Candidate Selection Process consists of six steps: -

1. The initial response to the candidate. (Set the meeting)
2. The first meeting with the candidate. (Homework)

3. The second meeting with the Candidate. (More homework)
4. The third meeting with the Candidate. (Introduction to other members)
5. The fourth meeting with the candidate. (Social function)
6. The Petition and sponsor signatures.

When a potential Petitioner has made contact with a member of a Lodge, he is asked whether he is simply curious, and his interest is trivial, in which case all their questions can be answered over the phone, so that no one's time is wasted. If he is serious about a LIFE in Freemasonry, the Lodge member will ask him to make a list of questions he may have about the Fraternity, and bring it to their first meeting. The format and purpose of this introductory meeting is to impart the following information to the candidate:

The TRADITIONAL MANNER in which men approached Freemasonry is explained; that they came well recommended by another Freemason. Today's world is different, and many contacts are made via the Internet or telephone. There is no personal relationship. We know absolutely nothing about you, and it is not possible for any Freemason to recommend anyone under these circumstances. In order to overcome this, it is necessary to schedule a series of meetings so that both parties can get to know each other, and give you a chance to learn about our Fraternity.

Every new candidate for Freemasonry must be sponsored by two Freemasons who are members in good standing of a Lodge. These two members must sign a statement that they know you, and can vouch for you and your character. The intention of the meetings suggested here, will be to meet this goal. You should know that Freemasonry is not for everyone, and we need to find out if it is for you. This is done in your best interest, for if you are not suited, we would rather find out before you have spent your valuable time and money. If you are okay with this approach there are some very important points you should know about. To them all we require your yes or no response to the question:

“Do you understand this important point?”

1. If your interest in Freemasonry is an attempt to tap into a large membership base for the purpose of furthering your career or business, this has never worked in the past and will not work now. Freemasons do not support this type of activity.

2. Becoming a Freemason today is NOT an event. It is not something you decide you will do on Monday, and be done with it next week. It is a process; it takes time, both mental and physical. It costs money and it requires commitment on your part and on the part of the Lodge that receives your Petition.

3. Freemasonry is a lifetime commitment and most Freemasons remain active until death. Are you prepared to make such a commitment?

4. It is required that you attend your Lodge regularly. There is no point in joining if you don't attend as often as you can. In most Lodges, this would require a minimum of two meetings a month, sickness, emergencies, or work obligations being the exceptions.

5. Freemasonry costs money. There are one-time Initiation Fees. There are Annual Dues that must be paid by the first of January. Would this financial requirement be a problem for you?

6. The members of the Lodge you are petitioning will want to meet your family and answer their questions as well. If your wife or family do not fully support your decision, your application may be rejected.

7. If you think Freemasonry will interfere in any way with your family or career, you should not proceed.

8. During the course of getting to know you we will ask you to attend some of our social functions, or to attend after a Lodge meeting so you can meet

some of the members. This will give you a chance to determine whether you like them or not, and if they like you. It is important that we like each other.

9. You will be expected to ascribe to a high moral standard while dealing with others, particularly with your Brethren in Freemasonry. Is this what you want to do in your life?

10. We want candidates to be fully informed when they join us. We want them to know exactly what it is that they are getting involved in. We will tell you what we can, but this will also require some research on your part.

11. You will be expected to commit certain lectures to memory and to repeat them from memory to the Lodge. Would you be comfortable with this?

12. Finally, no-one is ever asked to become a Freemason. You must make the approach to Freemasonry. With this understanding, it will be your responsibility to call and arrange each of our next few meetings.

In this getting-to-know stage, you will NEVER be called after the first call and first meeting.

If our phone does not ring, we know you will not be proceeding.

\*\*\*\*\*

Should this initial meeting prove successful, the candidate may then proceed through the other stages to the satisfaction of the Lodge, leading to the signing of a Petition, presented in open Lodge for all to hear, and voted on for acceptance.

This detailed and comprehensive procedure is designed not only to ensure, as much as possible, the high quality of Petitioners, but also to reduce the number of Suspensions for Non-Payment of Dues by making the Initiation procedure more demanding by emphasizing the value of Freemasonry.

It is a feature of the Grand Master's theme, "LEARN AND CHANGE."

"It is not always easy to accept change," he said in conclusion. "As we shape our Lodges and Grand Lodge for the future, we must always be as committed as ever in doing what is best for our Jurisdiction. The definition of insanity is to "keep doing the same thing and expecting different results." This, my Brethren, will destroy our Craft, we need to maintain the tenets of Freemasonry while improving our operational functions in all areas. We must look forward to the opportunities change provides, in an immediate and long-term plan to accommodate the needs and welfare of our Brothers."

**Presentation at the  
Wednesday, July 18, 2018**

Most Worshipful Brother Todd, Right Worshipful Brother Cameron, Right Worshipful Brethren, Very Worshipful Brethren, Worshipful Brethren, Brethren all:

I want to express what an honour and a joy it is to be invited here again to share some thoughts with you. When I first stood in this same place five years ago, it was the beginning of many wonderful relationships with brethren in this province, and those relationships have only strengthened with time, as they should. Garry Dowling and his lovely wife Wendy looked after me and my wife so wonderfully, and we got on so well with so many brethren and ladies that when we found ourselves at a function at the Grand Lodge of Massachusetts the following year, other people thought we were part of the Ontario delegation.

I would be remiss if I did not remember my dear friend and brother Ray Daniels, who provided so much light not only to you all here, but also to me, in the discussions I was blessed to have with him. He left us too soon, and I miss him terribly.

I also have to share that last year about this time, I was going through some interesting things in Masonry, and during those interesting moments, I actually found myself among other places in Ontario, in the company of some of the best Masons anyone would like to know. Their brotherly love helped me to keep keeping on, and as a result, I am always eager to take any opportunity I have to come to your beautiful country, so I thank you, Most Worshipful Todd, from the bottom of my heart, for gracing me with the opportunity to visit you here this evening.

I've come here this time to speak to you about change in the Craft. Now of course, we all know that Masonry does not change, right? I mean, that's what we are always told, so it must be so, yes? We just keep doing things the way we have always done them.

But Masonry does change, has always changed, and is still changing today. That's not just my opinion: in 2004 the Conference of Grand Masters of North America stated in a task force report that 'Change is the one constant, and Freemasons have done little to keep pace with change.'

You can look at almost every generation in Freemasonry since 1717 and find some substantial change in the operation of the Craft in some part of the world. It's right there in plain sight, with innovations taking place at almost every turn, especially after 1730.

Ritual, form, purpose, intention; all of these things have changed or been changed.

And on a more local level, many of the things that some brothers may think are traditions of their Lodge often turn out to be nothing of the kind. It's a common issue with older Lodges, and the truth in so many cases is that when some brothers talk to you about so-called traditions in an older Lodge, they are really talking about what their generation did, or the one just before they got there, and not what has always been done by that Lodge. In some cases, you're not even talking about things from more than 30 years ago. Tradition is very much in the eye of the beholder.

So the one thing that we need to settle on straight away is that there is no doubt that Masonry is changing.

The question is why, as well as how, and there are a few answers to that question that bring us right round to the search for the better man.

Let's start by looking at why: Men do not join for the same reasons they used to join.

New men coming to Masonry today are not looking for titles, hats, a social club, or an historical society. They're not coming to us because of their fathers or grandfathers, even though they may have been or are Masons. That alone is not what calls them. More and more we are learning that men today are coming to Freemasonry for what it has to teach, and it is in those things that Masonry has to teach that we really find the search for the better man.

And because these new men coming in are not defining either the Craft or the Lodge as a factory to create members for other bodies or organizations, but seeing it as the educational institution it was always meant to be, that means that when they think of this idea of making a man better, they are seeing it in exactly the way that we know it was always intended to be seen, as an internal, intellectual pursuit of the soul.

If we fail to appreciate that this is the point of interest for so many men who are coming to us today, then we will remain totally unequipped to deal with how the Craft is changing.

We know how the Craft is changing. The most obvious way we see is right before our eyes, in a massive decline in our numbers. This tends to frighten so many brothers for a variety of reasons, but it really shouldn't. It shouldn't because this institution was never founded for the purpose of becoming a large social organization for the masses. It also cannot be an organization which hopes to save the world, because it excludes half of the world from its membership. We fool ourselves if we think that the women of the world are going to let themselves be spoken for by Freemasonry, so there ends the notion that we are or ever were meant to be an organizational force in the temporal world in and of ourselves.

The days of mega-Masonry, and lodges of hundreds of members whom no one knows or has even seen after their raising are over; they never should have occurred to begin with, and they cannot keep the Craft alive. They never could help us because they are based upon an incorrect understanding of our purpose.

We must now learn to be smaller, and think about not only how we survive, but how we thrive as a smaller institution. This question has been with us for generations, Carl Claudy was writing about it in the 1930s, and the solution has never been to widen our appeal to others, to grow our ranks, or to seek safety in those greater numbers. It has never worked for us, it will not work now, and we need to stop doing it. Freemasonry does not depend on the validation of numbers to justify its existence.

If NHL did not exist tomorrow, would that be the end of hockey in Canada?

If Noah and his family are the only ones who believe in God, does that mean that God is somehow less because God does not have hundreds of thousands of followers?

Of course not. It was in that seed of faith that the world was saved, despite itself.

We have also got to be much more than just another charity. It's really not about charity, because everyone has a charity these days. If we keep on down that path, we will no longer understand what it is about Masonry that makes it distinct from other charitable organizations. We go about forming charitable sub-organizations and efforts, each of which has a truly noble purpose, all the while ignoring that the function of charity in Freemasonry—in fact the actual meaning of the word as used by our Masonic forefathers—is not really about raising money at all. It is meant to be an internal transformation of the individual that creates a psychological or spiritual force of charity in him that we hope will be greater than the sum of all his temporal efforts to give money to people. It's also not about the fish fries, because, let's face it, you can get fish anywhere.

So now, if you take away the obsession over numbers; if you take away the attempt to turn us into a service organization or any other charity; and if you take away the fish fries, some will inevitably ask: what are we left with?

What we are left with is what we began with so many generations ago: an idea. It's about the idea... the idea of reaching out beyond ourselves to be more than we thought we could be. And we do not go about doing this by seeking validation by or from others, because no truly great ideas have ever depended on popularity contests to survive or succeed. An idea is either good or it isn't; and if it is good, then it will never die.

The idea is what we must focus on when we consider the future of this fraternity, because it is the very seed of everything we are. When we claim to make good men better, once we get beyond the slogan, we have to confront the question of HOW exactly we are supposed to do that, and when we do confront that question, when we go in search of the better man, the first step on that journey is the idea, and the last step on that journey is the fulfillment of that idea.

That idea is the very essence of Masonry. And the idea can be spoken of in terms of the heart, mind and soul of Masonry.

When we talk about the heart of Masonry, we must return to that very first question each of us is asked in relation to the heart.

Where were you first prepared to be made a Mason? In your heart. That is an answer that is as quick as it is true. And if we look at that man who comes to the Craft as something that might actually transform him in some way, it means that when he says that he is prepared in his heart, he is ready and prepared to accept a journey both into himself, as well as to a deeper form of knowledge and a deeper form of knowing itself.

He is expressing the desire to find something more in himself, the basic desire to begin a path towards an inner awareness guided by a time-honoured method of self-examination. He has come to Masonry with a heart full of expectation that we can assist him in this important task, because at the heart of Masonry itself is the willingness to seek and receive information that can transform the way we see ourselves and others. Our optimistic view is that we can fill the receptive heart with the foundational principles of our Craft that will excite the mind, and inspire that new brother to want to reach higher within himself. But if we do not fulfil the heart, then desire will fail, and we have no chance to reach a man's mind. The heart of Masonry is taking the fraternity seriously, and that is found in that spark of enthusiasm we each felt with our first understanding of the institution, which was signified by our earnestness and commitment to it.

If we feel good about our initial Masonic experience, that heart is then nurtured further towards the direction of the intellect, and we begin to learn more about what Masonry has to teach us.

The idea, knowledge, is the essence of Masonry.

When we talk about the mind of Masonry, we are talking about a hunger to know everything we can know about what we are supposed to be doing, and why. The mind of

Masonry is voracious and insatiable, and is seen when we find brothers engaged in studying our historical rituals, and making diligent efforts to understand not only how the ritual works, in order that they can do it to the best of their ability, but also that we can understand why, to the best of our ability, we have said the things we say, and done the things we do.

So many brothers are eager to do new work in the quarries, but unless we pursue the fullness of mind, by knowing what has been done in our past and why, we cannot properly understand how to do any new work. This, as with the heart, is an ongoing, a lifelong effort in which we should rejoice, savoring the fact that it will take time, and that we are here to take that time to know ourselves in this way.

To fully realize the mind of Masonry we have to restore the fraternity, and restore ourselves as Masons so that we can reignite the creative spark in ourselves that has been quieted for generations. The mind of Masonry is defined by the endless quest for understanding, that understanding which comes from accurate knowledge and reliable research, as well as from the fundamental desire to see things clearly as a result of all those things combined. It is a questioning mind, every bit as much as the minds of those who came before us, and who through their questions raised the issue of the right of all men to learn about any number of things that so many of us take for granted today. The mind of Masonry is a mind that cherishes the responsibility that comes with its freedom, and seeks to find the equilibrium of both.

Some will say that Masonry means many things to many people, and of course that is true. But the one thing we know, and I tell you we know it as a stone cold fact is that the one thing that Masonry can never, never be allowed to mean to anyone is narrow-mindedness, intolerance, and downright damned ignorance. Because, my brethren it is open-mindedness, free thought, tolerance and the search for more and more existential knowledge which is the very soul of Freemasonry.

The very core of this effort from time immemorial is to seek ways to rise up, to rise up from within ourselves, to rise up in our daily lives, to rise up in our search for wisdom and understanding, and to rise up to honour our Great Creator as we prepare ourselves to meet Him.

The soul of Masonry is the effort to understand this Craft to the point where it aids each of us in understanding the soul itself. It is the quest to understand existence, and the meaning of existence, with the same passion for truth as has every man who lives a well-examined life.

That soul is realized when we bring all of these things, along with the heart and mind, together in the experience of the Lodge, creating a space where Masons can contemplate, in serenity and the precious depth of meditation, the totality of their being and its meaning before the Almighty. The journey is an individual one, a sublime one, but shared both separately and together by men who, after being builders, strive as well to be sons of light.

All of this might sound rather lofty, but if what is before us is the complete re-examination of how and why we continue to exist, then we have no choice but to deal with these questions.

Masonry is not and never was meant to be about making good men ordinary; therefore we cannot subject ourselves to the metrics and assessments of ordinary men. This thing we do, is and has always been about aiming higher, within ourselves, in ways we cannot always quantify by outward measures. It is about helping ourselves to become better husbands, better fathers, better souls, and none of that has anything to do with how many bloody members you have or whether or not you can keep every dying lodge alive for one more year. Because sometimes when you put all of your energy in to that kind of endeavour, it's just like trying to save a drowning man.... you risk drowning yourself.

No, my brethren, we need to work smarter, not harder. We need to find ways to grow, not in our numbers, but grow in the strength of our inner development, that development we say we came to seek. Our survival depends on not only accepting that we will be a smaller fraternity, but in learning how to be smaller, to return to being the more intimate, personal organizations of men at the community level who can actually know each other, and benefit

from the reward of working together in small groups to achieve those great things inside ourselves.

We know already that children learn better in small class sizes, where more attention can be given to each person amongst a smaller group. Why then is it so difficult to embrace the possibility of a fraternity with smaller, fewer, and more serious lodges where we spend our evenings giving proper attention to that individual work at hand?

We know that Freemasonry is changing. We know that it always has done. The challenge for us now is to learn how to direct this change to our advantage, and to become all the better for it.

### **Deputy Grand Master's Thanks to W. Bro. Andrew Hammer**

To the Most Worshipful the Grand Master, Officers and Members of the Grand Lodge of A.F. & A.M. of Canada in the Province of Ontario.

W. Bro. Hammer:

The last time you and I were together in Toronto there was a blizzard. We got as far as Milton and had to turn around. We tried to go to lodge in Toronto, but they all closed as well. And I took you back to the airport, enjoyed a lovely evening talking while cooped up in the hotel, and put you back on a plane to Washington the next morning. Just as the weather changes, so Masonry in Ontario is changing. Not innovations, but looking back for our future.

As our Grand Master would want to say, we no longer have 100,000 Masons. We need to accept reality and work with it.

Your message focused on Quality rather than Quantity, and how to get there – by touching a man's heart, by an impressive initiatory experience, and by a continued quest for the mind of Masonry.

Thank you for your message to us, your support of Freemasonry in Canada, and your friendship to me.

Let us re-imagine the future together.

David J. Cameron,  
Deputy Grand Master

**Address of Welcome to Grand Lodge  
by W. Bro. Reynaldo Faraon Jr.  
IPM of Ionic Lodge No. 229  
Toronto West District  
Wednesday, July 18, 2018**

M.W. Bro. Paul E Todd, Grand Master of Grand Lodge of Canada in the Province of Ontario, Distinguished East, Honoured Guest, Brethren all:

It's an absolute pleasure and honour to extend a warm welcome, on behalf of the four Toronto Districts and York district, to all our brethren and guests.

Welcome to Toronto, this capital of the province of Ontario, is the largest city in Canada by population. It is one of the most diverse, multicultural cities in the world, if you walk down our safe streets, will introduce you to almost every nationality on the world, Toronto has award winning restaurants where you can experience a diverse selection of tastes and flavours from around the world.

Speaking of first-class restaurants, 360 The restaurant at the CN tower, the 350-meter-high revolving restaurant offers a panoramic view of the city and free access to CN Tower observation deck. Also, visit the Skydome aka as Roger's Centre Home of the Blue Jays, then across is Ripley's Aquarium, and a short walk also visits Air Canada Centre home of the Raptors the only Canadian NBA team and also home of our beloved Toronto Maple Leafs.

A short walk from the Hotel is the Hockey Hall of Fame, corner of Front St and Yonge St, (Yonge Street) was formerly a part of Highway 11, which led to claims that Yonge Street was the longest street in the world. Running from the shores of Lake Ontario, through central and northern Ontario to the Ontario-Minnesota border at Rainy River, together they were over 1,896 kilometers long.

Yonge St showcase shopping and entertainment district. Includes Eaton Centre, Yonge-Dundas Square.

I am also once a visitor here in Toronto for my Journey in Masonry, started back in the 90's 10,000 kms away from here.

I am also a Proud Senior DeMolay and I was made a member of the Jose Abad Santos Chapter, Order of DeMolay, Mother Chapter in the Far East, First in the Philippines. I am now a Chapter Advisor for Mississauga Chapter.

What I would like to talk about and I beg your indulgence is about the Order of DeMolay and DeMolay Ontario which is our Youth Organization. I can say that it is like Junior Hockey in the sense a source of potential NHL stars.

But what has DeMolay got to do with our Grand Lodge of Canada?

Brethren one of the critical concern of our Grand Lodge or Freemasonry, and in general, is membership.

The Order of DeMolay is our diamonds in our own backyard... a good source of prospective Masons.

I am now making an appeal when you go back to your respective Lodges and Districts to please consider in assisting and supporting a DeMolay Chapter. And Yes, in DeMolay even Masons can recruit for members of the Chapter.

As to today, we have 8 Chapters in the Province of Ontario from Windsor to Ottawa, London, Guelph, Mississauga, Barrie, Ajax, Port Hope in between.

Freemasons is based upon their future membership in Freemasonry, and it certainly serves as a selling point for Masonic support for the Order.

However, Masonic membership is not the purpose for the existence of the Order of DeMolay. Brother Frank S Land (founder of DeMolay) stated that its purpose was to develop better citizens. If those "better citizens" then choose to affiliate with the Masonic

Fraternity, which should be regarded as a side benefit. But, it certainly should never be the expected end result to justify the support of Freemasonry!

Inasmuch as our Fraternity is devoted to developing a better world, if we can develop a better citizen, we are accomplishing that purpose whether they become a Member of the Craft or not.

In conclusion on behalf of all Masons in Toronto, we hope you enjoy our 163rd Annual Communication of The Grand Lodge of Canada here in the Province of Ontario, and we hope that the result of your visit will be a profit and pleasure.

Thank You!

**SUMMARY REPORTS OF THE  
DISTRICT DEPUTY GRAND MASTERS 2017 – 2018**

**Algoma District – 8 Lodges****R.W. Bro. Jason R. Nesbitt**

It was a great year within the Algoma District! With a lofty goal of making every installation as well as the obvious official visits even though the geography is vast of the 8 lodges the District Secretary and myself were only weathered out of one installation. We took in an official visit in the Western District and also one in Algoma East. We had the pleasure of a visit from the Grand Master of Wisconsin at two of our meetings and if all goes to plan a few of us will be attending a Lodge meeting in Duluth where the Grand Master of Minnesota will be in attendance. We participated in one of the well-known events in the Algoma District: Terrace Bay Lodge No. 662's outdoor/snowmobile meeting this year. There was a Brother planning on attending all the way from Utah but at the last minute he had some health issues so hopefully he gets up to Canada next year! And more importantly I have to say we had an alarm caused by a speckled trout and it was on my line to make the day that much better!

This year's focus for me was about District Unity, promoting visitations and suicide/mental illness and remind the membership that if any Brother needs assistance not to be afraid to ask for help or offer it. As I toured around it was truly great to see some of the guys who do not get out of their own lodges making that effort to visit. Many seemed to enjoy the DDGM talks that were given even though a few of the topics I covered ruffled some feathers but forced members to think outside of their comfort zones and really look within themselves and their Lodges.

Our District in the last year saw one of the temple buildings close and to the most part I think it is helping bring strength to some of the lodges that needed it. A Mason's boundary should never be within their own lodge room walls and many are digging in to make Masonry better in the Algoma District.

**Algoma East – 8 Lodges****R.W. Bro. Harry M. Thomas**

It was an honour and a privilege to serve the Lodges of Algoma East District as the District Deputy Grand Master.

The year began with a special dinner held at the Sault Ste. Marie Masonic Lodge honouring Bro. Kenneth Jewitt as a recipient of the William Mercer Wilson Award. The dinner was attended by Masons throughout Algoma East District along with family and friends of Bro. Jewitt.

At the same function we recognized R.W. Bro. Larry Weeks as the recipient of the Grand Master's Medal of Merit.

One week following, we were honoured with a visit from the Grand Master, Paul E. Todd to present the William Mercer Wilson Award to Bro. Kenneth Jewitt of Hatherly Lodge No. 625. The presentation included brother Jewitt's family and all members of the Masonic Community including spouses and of course Grand Lodge Officers.

Algoma East District hosted two Grand Lodges of Instruction – one in Sault Ste. Marie and the second in Blind River.

I attended and witnessed numerous dinners and degrees throughout the year and I can proudly say that every Lodge of Algoma East District represented the district proudly and professionally.

I had the privilege of presenting three 50 (fifty) year pins to very distinguished Masons in the district.

In November 2017, I was honoured to attend two meetings in the Sudbury/Manitoulin District to witness 3 Second Degrees and also the membership vote for 2 Lodges in that District that were amalgamating.

It was my privileged to host to visiting DDGMs at two of my Official Visits,

Manitoulin/Sudbury District and Algoma District.

Unfortunately we lost several distinguished Masons in this district that were honoured with a Masonic Memorial Service.

I would especially like to thank W. Bro. Clifford Graham for his diligence and hard work throughout the year as the District Secretary and District Piper. He made a great traveling companion.

Lastly I would like to state that Masonry is strong and viable in Algoma East District and thank all the Brethren for their support and confidence.

### **Brant District – 13 Lodges**

**R.W. Bro. Michel M. Hodgson**

Serving this term as the Grand Master's representative in Brant District was the greatest experience in my Masonic journey. The brethren of the district demonstrated respect and offered help for the office of DDGM in every way.

I had received many invitations for social events and I enjoyed the company of the brethren and their partners at these events.

Most of the Work was performed well. In many cases, newer Masons were involved and preformed the work to the highest standard.

We lost 17 respected members of our Craft and participated in many Masonic Memorial Services at the request of the families. 25 new members were initiated and 1 lodge will go dark, my mother lodge. One of the biggest lost to the Brant District was the loss of my mother Lodge, Reba No. 515 which will surrender it's Warrant in September. My heart is sad for my Brethren of Reba but I know the lodge they affiliated with will be better having a brother from Reba lodge as a member.

R.W. Bro. Gordon Crutcher provided a Lodge of Instruction in February which the brethren found very informative. And our MPMWA offered their expertise in arranging a Warden's Retreat (Cancelled) and Devine Service at H.M.H. Chapel of the Mohawks in June. This was well attended by Wardens from across the District.

The brethren generously supported the Grand Master's charity of choice, Autism Research and my charity of choice, Dyslexia Learning Centre of Hamilton.

I was fortunate to have the companionship of 4 other Districts and a visiting Brethren from the U.K. Where they were all welcomed warmly and introduced to many brethren of the district.

The year went by so quickly, I cherished every moment, I know that when R.W. Bro. Ken Lovett assumed the duties of DDGM the year will as memorable for him as it was for myself. I wish him well.

I offer my thanks and appreciation to V.W. Bro. Ron Row Sr., District Secretary for his hard work and dedication to the Craft. I also thank the brethren of Brant Masonic District for the opportunity to serve as DDGM.

### **Bruce District – 12 Lodges**

**R.W. Bro. George H. Schamott**

Bruce District once again has been a relatively busy district this Masonic year. The brethren have been actively engaged in travelling throughout the district supporting the DDGM, the Masters, and the lodges as a whole.

In this time of declining memberships throughout Masonry, I am pleased to announce that Bruce District was fortunate enough to initiate fourteen new members to the craft. This is a positive step in the right direction towards the recovery of our declining memberships, but it is also a trend we must sustain if we hope to have a successful recovery in Masonry. Our main challenge with new initiates is to keep their interest in the craft at an optimum level. This is accomplished by some basic fundamentals. First of all it is important that we ask these new masons what it is that they are hoping to find from being a mason once they have been initiated and it is the responsibility of all our members to guide them in the right direction by showing them what it is we have to offer. Involvement is the key element in

overcoming this challenge.

Another area in which to contribute to the growth in masonry is by attending and supporting various events being put on by lodges within their communities. The attending of district functions is also important to not only show support but to also the development of new friendships. Many of the lodges in Bruce District hold a weekly coffee club which seems to be gaining popularity where they can exchange good conversation as well as masonic knowledge.

The increased use of social media such as texting, emails and Web Sites, are a great way to get an enormous amount of information to a large number of people in a short period of time. There is however, in my personal opinion, a negative side to this means of communications and that is the factor of personal one on one contact. Many lodges, if not all, use to implement the use of a phone committee. What this does is eliminate the easy method of ignoring a notification by merely hitting the delete button. If we contacted each other by phone we could encourage brethren to attend lodge by offering them a simple ride to and from the meeting. This makes it a much more personal invitation which is what we are about.

I believe the most difficult challenges facing the brethren is that of a twofold nature. The 12 Lodges of Bruce District have begun to evaluate both their membership numbers and financial stability. These two areas of concern may force some lodges to make the toughest decisions their lodges have ever had to face.

Finally, on a personal note, I would be remised if I did not reflect on what this year has meant to me. I have truly understood what it means to travel throughout the district and the priceless rewards of friendships I have been blessed to receive. Many of my addresses this year to the brethren throughout the district were based on our fundamental building blocks of our craft, that of Faith, Hope, Charity and Brotherly Love, Relief, and Truth and the number of the fine men of Masonry that live by those values in their everyday lives. I would also like to tip my hat to all the brethren that have reached out to assist those that need a helping hand and expect absolutely nothing in return. And finally to all the brethren that supported me through the year from my Mentors, to the Grand Stewarts, your District Secretary and brethren all. My eternal gratitude.

### **Chatham District – 10 Lodges**

**R.W. Bro. R. Marcus Hewitt**

I would first of all like to thank the Brethren of the Chatham District for electing me as their representative of our Grand Master, M.W. Bro. Paul E. Todd, for this Masonic Year. It has indeed been a privilege and honour to be your D.D.G.M. It has been a rewarding experience and one that I shall never forget. The friendships strengthened and the bonds of brotherhood formed with the Masons of my District and my fellow D.D.G.M.'s, shall last for the remainder of my life.

Throughout the District this year we have celebrated with numerous 50 and 60 Years Masonic Pin presentations. The Lodges have generally been busy with initiating, passing and raising candidates in what appears to be a banner year in that respect. We experienced 23 deaths during the year, including P.D.D.G.M., R.W. Bro. Robbie McNaughton. The Lodges conducted 11 Memorial Services and I was able to attend all of them.

Our District charity was that of Autism Spectrum Disorder Research, and while a final tally for fundraising this year is not available as of the writing of this report, we do expect to be able to present the Grand Master with a cheque in excess of \$2,500.

My personal focus this year has been on Masonic Education and the sheer importance that it bears on the ability of our Order to thrive. While degree work and regular business sustains many Lodges, high quality education, delivered in an interesting and compelling manner is of paramount importance and its importance cannot go unrecognized. It has been my personal goal to ensure that messages at Official Visits deliver on those imperatives.

I have been fortunate to have had the support of W. Bro. Larry Wolfe as the District Secretary for this year. W. Bro. Wolfe performed his allotted duties in an exemplary fashion

and travelled with me extensively both in and out of the District. It can never be understated how important getting the District Secretary selection right. W. Bro. Wolfe has served the District well.

Should I be called upon to represent the Chatham District for a second term, I promise to commit myself as fully to this coming year as I have during the current one.

### **Eastern District – 12 Lodges**

**R.W. Bro. Paul J. Riddell**

I am eternally grateful to the Brethren of Eastern District for having given me the opportunity to serve as their representative of our Grand Master, M.W. Bro. Paul E. Todd.

Eastern District has a number of Lodges that continue to flourish by Initiating Candidates and keeping their new Master Masons busy with Degree work, participation in Grand Lodge programs and by volunteering at the Glengarry Highland Games, other District Projects and through Visitation to other Lodges.

I was particularly impressed by the attentiveness of our new Candidates and had the opportunity to speak with each and every one at their Initiation as well as being able to present them with a Grand Lodge Pin.

I have been very well received at all of my Official Visits and had been regularly invited by all of our Lodges to attend many Fraternal Visits to experience Degree Work, Installations and attend a number of Christmas Parties and Special Occasions. Of special note was the first and hopefully Annual District Christmas Party, hosted by Glengarry Highland Lodge No. 418 which was attended by 192 Masons and non Masonic Community Members. We also shared two successful Ladies Nights and a District Curling Bonspiel, all of which were very well attended.

All Worshipful Masters and Lodge Secretaries were most accommodating towards me, our District Secretary as well as our District Team and I was most appreciative of their flexibility towards my schedule during our very busy year. Every Lodge donated very generously to our District Charity, the Fredrick Earle Eaton Memorial Bursary which annually assists many students in continuing their Education at University and College.

Eastern District sponsored one Masonic Foundation of Ontario Clinic as well as one Blood Donor Clinic and held a Seminar on the Retention of New Masons, which was presented by W. Bro. Shawn Todd.

During my year I had the extreme pleasure of taking part in the Presentation of a number of 50 and 60 Year Long Service Pins, as well as two 50 Year Past Master Pins.

I have taken nothing but positive memories from my year as the District Deputy Grand Master of Eastern District for 2017/2018. I would also extend to my successor my very best wishes for a most successful year and extend to him my fullest support during his term of Office.

### **Essex Country – 14 Lodges**

**R.W. Bro. Daniel W. Chamney**

In my second year as DDGM I found the overall condition of the District to be improving with several Lodges actively working towards Cornerstone Status and every Lodge having at least one Candidate. Condition of Masonry Committee reports, filed after my 14 Official Visits, showed an overall improvement, albeit with a few Lodges being given Grand Lodge Program suggestions.

Conflicts with family events forced me to scale back on my travels but I still managed to attend all of my required visits, as well as twelve District Installations, and Lydia and I managed to attend several social events put on by various bodies. For most of these events and visits I was accompanied by V.W. Bro. Gerry Thibert Sr., Grand Steward and W. Bro. Eugene Kerrigan, District Secretary. It was an honour to have visiting DDGMs accompany me to Pelee Lodge No. 627 and my Mother Lodge, Great Western Lodge No. 47.

The highlights of my second year included, The Grand Master presiding over the Masonic Cornerstone Ceremony for Windsor's new City Hall, the District Memorial

Service, the District Fish Fry, A number of Masonichip Foundation of Ontario programs, the Deputy Grand Master attending a Thistle Lodge No. 34 Long service Pin presentation highlighted by R.W. Bro. William Atkinson Sr. receiving his 50 Year Pin, Craft regalia being worn to the Windsor City Hall Grand Opening, a Lodge of Instruction from the Grand Lodge Cornerstone Team, led by R.W. Bro. Art Di Cecco, and a District Divine Service that included the presentation, by Bro. Paul Kiddell to St. John's Church of Sandwich, of the trowel used by M.W. Bro. William Mercer Wilson in the Church's 1872 Cornerstone Ceremony.

At the beginning of my year I presented W. Bro. Cameron Adamson with the District Mason of the Year Award for his service to the Craft in my First year, and In June, I presented the Award to W. Bro. Roy Gellner as acknowledgment for his service. Sadly, over the course of the year Masonic services were held for 10 departed Brethren and there were also some departed Brethren for whom a Masonic Service was not requested.

### **Frontenac District – 14 Lodges**

**R.W. Bro. David W. Holton**

Thanks to the masters and the membership for their attendance at Official Visits especially those few who made all of the visits and who made special effort to attend meetings and special functions during the past year.

The district overall is doing well with most lodges being healthy and only a few being conditional. I believe we need to focus on the following: Attendance, Finance, Officer Progression and Long Range Planning.

Attendance needs to be address possibly by working as a district committee involving every lodge and planning as a district. A look in the district as a whole to limit conflicts in meeting nights or special events.

Finances in a financially sound lodge will eventually decline if we continue with losses for the year Membership is increasing marginally so is our losses.

Officer progression needs to have new members going through the offices annually not staying stagnant or recycling.

Long range planning means we have to look at the district as a whole and to adapt to change not look as to we have done it that way forever.

All of my official visits were well represented in the District. I have tried to be a presence at most events in the district and discharge the Duties of DDGM to the best of my abilities .I would like to remind the Brethren of the District Project of our project for Autism Ontario and we set a goal of \$10,000 for the program to buy 10 iPad's software and cases. At last count we are at \$10,434.60. It looks like my district chairman and I have an appointment with Barber for a couple of close shaves as we met our goal.

W. Bro. David Cowan as District Secretary has performed his work with the utmost professionalism and enthusiasm. I would like to commend him for his efforts

Best wishes to my successor at the Annual Communication in July.

### **Georgian North District – 10 Lodges**

**R.W. Bro. Paul H. Kelly**

There are three summer lodges in Georgian North so our District events begin immediately following Grand Lodge each year.

We have had a very active District Association that included 19 appointed Chairmen and 3 elected positions of Junior Vice Chair, Senior Vice Chair and Chair. There has been increasing interest by brethren in committing to district leadership roles. I view this as a very positive indicator for our district's future success as this requires a four-year commitment. One of our successes was the commitment of 7 of our 11 lodges to the Cornerstone Program this year. This represents an increase of 6 lodges engaged in this useful program.

Some of the highlights of Georgian North masonic activity include:

- A celebration banquet for Orillia Lodge's 150<sup>th</sup> year combined with a Grand Master's Reception.
- A Grand Lodge Degree Team confers a degree in Coronation Lodge each August.
- The Constitution and Consecration of Goodfellows Lodge in Parry Sound.
- 11 Official Visits and 11 Installations -well attended and well executed.
- We exceeded our charity fundraising goal of \$6500.00 to support a new facility for the homeless and hungry in the Simcoe area; as well as making contributions to Autism Spectrum Disorder Research.
- Countless enjoyable fraternal visits and special evenings occurred.
- A Georgian North and South joint District Education event and Golf Tournament.
- A District Divine Service was held in Washago.
- 4 Masonic Funerals were necessary and well performed.
- The development of a District History so that brethren might learn about all the lodges in the district from a brief history of each.
- Several District Association meetings and Senior Wardens' Association meetings were held throughout the year.
- Finally, many informal fraternal gatherings for music, education and fellowship occurred throughout the year and added to the spirit of masonry in Georgian North.

### **Georgian South District – 10 Lodges**

**R.W. Bro. Phillip J. Laundry**

I would first like to thank the brethren of Georgian South District for giving me the opportunity to represent the Grand Master of the Grand Lodge of Canada in the Province of Ontario over the past 12 months, it has been an honour.

With the help of the Lodge Masters and Secretaries as well as the Committee chairmen and many fine mentors, I have found Georgian South District to be Masonically healthy and is moving forward in a positive manner. We have fortunately seen an influx of younger brethren joining the Craft this year. It has been especially great to sit in Lodges this year with three or four EAs in attendance. The DeMolay and Rainbow Girls have new chapters in Georgian South District and I am confident that these fine young people will represent our Masonic family well with their enthusiasm.

We were fortunate to have had the Grand Master present, when the William Mercer Wilson Award was given to Bro. Grant Boundy, a very deserving and respected Brother in our District. There were many Lodge events that made it a very busy and productive year. Trivia Night, the Ladies Black and White Ball, Newfie Night, a charity motorcycle ride and a Tribute Night were all held in support of our District project. Many Lodges had other events that included the local community including wing dings, teas, pancake breakfasts and community BBQs. It was an honour to be part of such an active District!

On a sad note, this year we had a high number of Masonic Memorial services in our District. All held in honour of fine men and Masons who were called to the Grand Lodge above far too early. They will be sorely missed by their communities, their families and their brethren.

The District Devine Service held at Grace United church in May was very well attended. Special thanks to Rev. Eagle and the congregation for the fantastic luncheon and fellowship that followed the service.

Visitation for Fraternal and Official visits in our District is still an ongoing challenge but I am confident the Masters of the District will strive to make an improvement in this area. The monthly "Masonic Moment" of education read in every lodge, the "What's Going On" in our District news update as well as the congratulatory letters to every candidate after every degree was very well received by the District brethren.

I would like to personally offer a special thank you to W. Bro. Scott Moorehouse, our District Secretary Treasurer, and all the other Committee chairs for their support and continuing contribution to our District and our Craft, their work was much appreciated.

The past year has gone by very quickly and I will cherish every moment I spent at the lodge with all the brethren from Georgian South District as their DDGM. It has been an honour and a privilege and has given me many Masonic memories to reflect on as I continue to make own daily advancement. Thank you for giving me this opportunity.

### **Grey District – 12 Lodges**

**R.W. Bro. James Woods**

I am pleased to submit this report to Grand Lodge for inclusion in the Proceedings Edition 2018 and to summarize my year as District Deputy Grand Master for Grey District. It has been a privilege and a pleasure to be our Grand Masters representative in Grey District and it has been a tremendously rewarding and enjoyable year.

The 12 Official Visits were very successful, with Work of the evening done very well and wonderful attendance both from inside the District as well as visitors from other Districts.

It is great to see the Lodges in the District beginning to attract new members with the assistance of Friend 2 Friend programs, Lodge Open Houses, and increased involvement with local Community events.

Lodge buildings are becoming increasingly more expensive to repair and insure and maintain and some Lodges are looking at developing a Long Range Plan to assist with future needs and possible alternatives to remain financially strong and healthy in years to come.

One of my most enjoyable evenings as DDGM was with our Grand Master, M.W. Bro. Paul Todd when on Nov. 21, 2017 we presented Bro. David Arnold with his William Mercer Wilson Medal during a special ceremony at Scott Lodge 421 in Grand Valley.

On a sadder note, I attended 9 Masonic Memorial Services during my year, the last one being for my father, W. Bro. Stanley Woods, who was a faithful member of Prince Arthur Lodge 334 for 67 years.

The District Curling Bonspiel and the Masonic Golf Tournament were both well attended by Grey District Masons and were very successful.

I am pleased to say, many of our Lodges are installing first time Masters and it is encouraging to see their enthusiasm and desire for leadership.

I would like to thank the Masters and Brethren for their support during my Official Visits this year, as well as the Brethren who willingly accepted positions as District Committee Chairmen, and were always available to assist when needed.

A special thankyou to W. Bro. Larry Woods, the Grey District Secretary, who did an exceptional job, and played a major role in the success of our year.

I feel confident that our Lodges are increasing membership and strength and I feel very positive about the future of Freemasonry in Grey District.

### **Hamilton District A – 14 Lodges**

**R.W. Bro. Eric J. Marshall**

Hamilton A, pursued three major projects as part of the focus of **developing friendships through charitable work.**

The generosity of everyone that supported the Carpenter Hospice as the District Charity was overwhelming. The *Hops for Hospice* fundraiser was a great success and introduced many visitors to the great charitable work we accomplish. Every lodge participated in the Official Visit Food Drive challenge to benefit Hamilton Food Share and other community food banks. The contributions of so many members have made a difference in the lives of residents of our communities.

Regrettably we were not successful in achieving our third aim of hosting a district blood donor's clinic or substantially raising awareness of the collection of blood through Canadian Blood Services. We can also improve our support of the Masonichip Foundation

of Ontario program.

I will work with our next DDGM to see if there are ideas that we can use to improve our efforts next year.

The vast majority of the Condition of Masonry final reports show that the function of the lodges in the district meet or exceed the standards expected for healthy operation and growth. Most of the few that reported areas for improvement have taken formal measures to develop the areas that require focus. Others have started to consider informal discussions around consolidation to form stronger lodges.

We must remember that in everything we do, our members have made a choice to spend their valuable time with us. We must continue to respect this choice by being professional and welcoming in our ritual, in time management during meetings and in the quality of our social time. We must continue to increase the standard of our performance so that members continue to return to lodge and to attract new prospective candidates of quality.

### **Hamilton District B – 11 Lodges**

**R.W. Bro. Glenn T. Jarvie**

Hamilton District 'B' is made up of 11 lodges, set to become 10 in September 2018 with the amalgamation of two of the lodges. For the most part the lodges within the District are working at a good level of ritual work and are in good financial and administrative standings.

At the commencement of my term I set a motto and goals for the year. The motto "Give your hand ..... Now shake on it" was to encourage all masons, no matter their length of time in Masonry, to give their hand to help one another in anything they could do, then as a sign of their pledge to shake on that agreement. I can report in many lodges I have witnessed this motto being carried forward either through officer development and mentorship, assisting a brother with the ritual, helping at a Blood Donor Clinic, or assisting in the banquet room; everyone has something to give and no one can make it alone.

For one of my goals this year, "promoting visitation in the District" I invited the Masters and Wardens of each lodge within the District to accompany me on my official visits. The intent of this change from an accompanying lodge was to promote a bond of strength between the Masters and the Wardens. It is my hope the Wardens will carry on this fraternal relationship as they progress through the chairs and once installed as Masters they will have formed an unbreakable relationship with their fellow Masters and know they can call upon each other for support at any time.

Although our membership in Masonry has shown a decline through attrition I have had the opportunity to see not only growth within some of the lodges in Hamilton District 'B' but retention as well. I attribute this to the innovation within the lodges for example taking Masonic Education and creating excitement and enjoyment during a meeting. This innovation, thanks to the visitation within the District, has resulted in said ideas being practiced by other lodges in the District.

The District, this year, supported the building of an accessible community garden using different fundraising events. It will be very humbling to see the members of our communities able to reap their own rewards as they access the gardens and enjoy the fruits of their labour.

I thank the District Secretary, the District Team, the current Grand Lodge Officers of this district, my advisors, and all my brethren in this district for the help, support and trust they have shown me over the year. I could not have had such a memorable and enjoyable year without the esteemed Brethren of Hamilton District 'B'.

### **Hamilton District C – 13 Lodges**

**R.W. Bro. John W. Hlohinec**

It has been my honour, as well as a pleasure and great privilege, to act as the representative for M.W. Bro. Paul E. Todd and Grand Lodge as the District Deputy for Hamilton Masonic District "C" for the year 2017-2018.

I would like to thank the members of my District team for all their hard work which made my year a successful and enjoyable one.

The year started off with our Annual Masonic Beef and Corn Roast in August with good fellowship, good food and a good cause. The event raised money for the St. Peter's Hospital Foundation which supports Alzheimer's and Dementia care.

The first part of my term was very busy with Fraternal Visits, several Pin Presentations, including a 60 year Pin, 2x 50 year Pins, a Lewis Jewel 3rd Generation, a Past DDGM Pin to R.W. Bro. Craig Knapman and we also presented V.W. Bro. Lance Mullett with his Regalia for his position as Grand Pursuivant.

I attended a Rededication Ceremony for Fallen Officers arranged by the Hamilton Police Services, specifically to honour Bro. David Gregory from Hugh Murray Lodge.

We attended many Festive Banquets, 300th Anniversary Dinners, Christmas Dinners and Dances, Robbie Burns celebrations, the Hamilton District's Annual DDGM Banquet Dinner Dance, and Hamilton's District Grand Masters Dinner, which turned out to be a short candlelit affair due to inclement weather and power outages. My wife and I found it, at least, to be quite romantic.

The condition of Masonry in our District is healthy with long range planning in several District Lodges and lots of new young members.

We are having an Amalgamation of two of our Lodges, Corinthian and Wardrope, to form a new Lodge which will be called Harodim Lodge No. 513 on August 17th, 2018.

The District Charity for this year was arranged to follow with the Grand Master's Charity of Autism Spectrum Disorder Research Project #2300. Thank you to all that supported me in raising funds for a great charity. We raised several thousand dollars as well as several hundred dollars for Canadian Blood Services and the Masonichip Foundation of Ontario.

The Official Visits were very encouraging and fulfilling with many visitors in attendance.

We focused on Protocol and Etiquette Instruction at the Official visits and I was very encouraged by the improvement within the District Lodges in this regard over the course of my term.

We also made it a Team Policy to "Encourage not Discourage" and I was very moved by the complements given by many of our Brethren in this regard, particularly the positive feedback from many of our younger members.

The Installations were done as usual according to our Ancient Traditions with new blood moving through and into the chairs.

This year our District records were copied to electronic format and they will now be passed on to the new DDGM and his Secretary.

I would like to say a special thanks to the District Secretary, W. Bro. Roy Metcalfe, for all his help and hard work to make my year a success.

Thanks to all the Brethren that supported me this year in the District, and thanks again to my District Team.

These Brethren are the back bone of our District and a firm foundation for Freemasonry in Hamilton and Ontario.

**London East District – 13 Lodges****R.W. Bro. Michael G. Brown**

I would like to first thank all of the brethren in London East for their tremendous support this year, it is the brethren who have made this a successful year. It is truly amazing when a plan is put into action how many lodges and members participate for the good of the craft. London East has thrived with many initiations, passings and raisings of a new influx of members, but what concerns me is the number of repeat Worshipful Masters and Past Masters installed in the east. I believe this is an anomaly this year as there are many Master Masons moving up through the chairs, but we still need to work hard to mentor and encourage those members and officers as they advance to the office of Worshipful Master. We held a seminar this year to do just that. R.W. Bro. Jim Serecombe was instrumental in assisting us in planning a seminar on P&E, Officer progression and Youth Initiatives, which was very well attended by our district and neighbouring districts. The leadership in London East is working hard to promote Long Range Planning, which was well received at Mt. Olivet Lodge No. 300 when we presented to the brethren a seminar on LRP. With these strides, it is my hope we can turn around this trend of repeat masters.

Although most of the Lodges are healthy and well, there is some degree of concern for some. As membership declines and ages, we must look to the future of our district and how to best cope with this problem. I encourage the executive leadership of each Lodge to take a hard look at their individual situation and ask themselves where will they be in two years? Five? Sometimes a difficult decision must be made to strengthen the craft and the district as a whole as we look to the future of Freemasonry in London.

I was privileged to attend and present many long service awards, including four 50 yrs a Mason and one 60 yrs a Mason pin. There were also multiple 25 yrs a Mason and Past Master pins presented. It is indeed an honour to be present at these important milestones, as these brethren have laboured for many years in our craft. The district was also very supportive of our District Divine service, Annual Benevolence Memorial service, as well as Remembrance Day parade, DeMolay events and Lodge socials. Well done brethren.

I was honoured to attend the 150<sup>th</sup> anniversary of Belmont Lodge No. 190 this year. Belmont is a proud lodge with a rich history in London and I congratulate them on this important milestone in their lodge history.

I must give special recognition to W. Bro. Dani Hanna, Worshipful Master of St John's Lodge No. 20, over the two years he has been the W.M., he has made a challenge to the district for the 'travelling gavel'. He pledged to win the gavel at each of the Official Visits of the DDGM, and if he didn't win it, he would make a donation to the Masonic Foundation. St John's 20 won it 9 out of 12 times in 2017 and 11 out of 12 times in 2018. He encouraged lodge members to attend to win it and was successful in motivating visiting! Dani made good on his pledge and donated a total of \$1500 to the Foundation. Well done W. Bro. Hanna!

There were many highlights of my year, but two stand out for me for a very personal reason. My Son, Bro Brandon Brown was passed to a Fellowcraft and raised to a Master Mason in the Irish work during my year. I could not have been more proud. As well, at my last official visit to my home lodge of St John's Lodge no. 20, my Father, R.W. Bro. George Brown, PDDGM London East and my brother, Bro Mark Brown, escorted and introduced me in Lodge. It was truly an overwhelming feeling that I will cherish forever. I was further honoured by seeing 8 current DDGM's in the east and almost 90 brethren in attendance. It is something I will never forget.

Finally as my year draws to a close I must comment on the friendships I have made with my fellow DDGM's of the neighbouring districts. We have formed a bond, a 'band of brothers' if you will, as we have travelled together in numbers to various meetings and events throughout our Grand Jurisdiction. We have had as many as 9 together for an official visit, and these visits have been most enjoyable. I will cherish our friendships forever. This year has been truly amazing and personally satisfying for me, a year never to forget.

At each of my fraternal and official visits, as well as the many other meetings I attended, I was warmly greeted by the brethren of London East. It was truly an honour to represent our Grand Master this year in London East, and I want to thank all the brethren for making lasting memories I will cherish forever.

### **London West District – 11 Lodges**

**R.W. Bro. A. Brian Howard**

It has been a privilege and an honor to be the Grand Master's representative for the London West District for this last year. The experience has been very humbling and rewarding. It has been a year that has given me satisfaction and a year of personal self – growth. I have renewed old friendships as well as many new ones that I am sure will last a life time. Traveling with the D.D.G.M's of this year has been a real learning experience.

The Fraternal and Official visits of the District was very educating I learned a lot more about the district in the office of the D.D.G.M.

At the beginning of the term I was honored to be able to present Grand Lodge Regalia to V.W. Bro. Curtis Gerald Ramsey of St. John's Lodge No. 209a, V.W. Bro. Colin Adams Louis Grier of St George's Lodge No. 42 & V.W. Bro. Brian Arnold of Ashlar Lodge No. 610 as Grand Piper.

In December we experienced an Amalgamation Ceremonies of Doric Lodge No. 289 & St John's No. 81. It was a very moving night to be part of the birth of a new Lodge Rising Star Lodge No. 81. There is an air of optimism in the Members of the new Lodge.

This year I thought it would be good to do something different for the new Entered Apprentice I tried to attend as many Initiation's as was possible. I presented The Official Pin of Grand Lodge to the new Brother as well as the Practical Guide for the new Mason', From the Lodge Resources Called I am a new Mason Now What. I had a lot of very positive feedback on how that was received by the new Mason's as well as some of the older members told me that this should have been done long before now.

I tried to encourage the new members to start traveling to other Lodge's and that was well received.

There was a lot new members who started to traveling after their initiations.

I was very impressed on how well the ritual is being done in the District. As well the Masonic memorial services were done with dignity.

Our District is also blessed with a good blood donor program in place.

I would like to thank W. Bro. Dylan Sworik for his assistance as District Secretary.

I also want to thank my Lodge King Solomon's Lodge No. 378 for putting their trust in me to be able to serve the London West District as the D.D.G.M. I would also like to thank my wife Joyce for her support and understanding.

It has been an honor to represent the Grand Master, M.W. Bro. Paul E. Todd for the last year.

### **Niagara District A – 15 Lodges**

**R.W. Bro. Graeme McLoughlin**

I would like to start by thanking be Brethren of Niagara A District for the support I received this year. It has meant a great deal to me and I truly appreciate it. I was lucky to have a great District Team, Masters and a fantastic District Secretary travel and support me throughout the year. It has been an honour and a privilege to have had the opportunity to be the representative of the Grand Master in Niagara A District.

Of the fifteen Lodges in Niagara A District, all of them put a lot of effort and dedication into Masonry. We have many excellent Lodges within the District and it is a great strength and benefit to Niagara A. A couple of Lodges are concerned about their future and they are taking active steps to examine the different possibilities available to them in either Grand Lodge programs or amalgamation.

I am happy to say that some Lodges in Niagara A are openly discussing and looking into the possibility of amalgamation. This is a very positive step in our District and one

which will hopefully strengthen Masonry within Niagara A.

I was fortunate this year to be able to witness many excellent men welcomed into Masonry. The Lodges who put on the degree work all took a lot of care and pride in their work and all of the Candidates received a great experience. The future of Masonry in Niagara A District looks great.

### **Niagara District B – 11 Lodges**

**R.W. Bro. Ronald Jordan**

First and for most I must thank my wife because if not for the support of her, I would not have had the great year that I did. Next would be the District Secretary because without him my job would have been impossible. Now I will thank my district team and what a great team I had. They were all prepared when asked to take part and when needed at the last minute there was no hesitation.

I had the opportunity to make a fraternal visit to all but one lodge before my official visits started, which gave me good idea what to look for during my year. All the lodges did a great job with the work but some better than others but nonetheless they all should be proud. Most of the lodges have good officer progression, but some are struggling. There are a couple of the lodges that are showing good growth with some younger members assuming chairs and doing some of the ritual with confidence. I have been too many 1<sup>st</sup> and 3<sup>rd</sup> degrees throughout my year and could not have been more proud of these brothers. Attendance was down a little this year for my Official Visits but I hope this will change for the incoming DDGM.

This year one of the lodge building and property was sold. This building housed 3 lodges which then they had found a new home at another building which was home to King Edward VII. With the completion of this move one of the lodges amalgamated with King Edward VII with the process still in the works at this time.

I had the great opportunity of being part of Niagara A & B joint District Divine Service which was held at the historic Navy Hall in Niagara on the Lake and was well attended by both Districts. There were also a Niagara A to B visit and a Niagara B to A visit which were also well attended.

With all my visits within my and out of districts, I have always been greeted with a warm welcome. I have made many new friends and with my year almost over I find myself wanting to visit more districts, so I will continue next year to continue making new friends.

It has been my great pleasure to represent Niagara B District as their DDGM and I would recommend that every mason try to take on this challenge of representing Grand Lodge and the Grand Master.

### **Nipissing Muskoka District – 10 Lodges**

**R.W. Bro. James Boyuk**

My Year as D.D.G.M. has been very rewarding and the support I received throughout the District has been humbling to say the least.

One of the highlights of my year was in August when I attended the barn degree, which is put on by Strong Lodge No. 423 at the barn of R.W. Bro. Terry Hornibrook. This event has been going on for several years and is always well attended by brethren throughout Ontario. It was my honour to be brought in under the wands alongside M.W. Bro. Allan Petrisor and given Grand Honours nine times. I must sadly report that this was the last time for this event due to the deterioration of the barn foundation.

Our district blood donors committee did extremely well under the direction of the District Blood Donors Chairman R.W. Bro. Burton Parks with a total of 6044 blood donations.

The year also started out with Mattawa Lodge No. 405 going dark. This process was started in the previous year. We also have Golden Rule Lodge No. 409 and Muskoka Lodge No. 360 starting the process of amalgamation. This will leave nine remaining lodges in the District.

There were 18 initiations within the District, which is down by about 35% from the previous year. All lodges initiated new members, with the exception of three lodges, which are located in the central area of the District.

The District saw a rise in Memorial Services with 15 being performed throughout the District. There were approximately five others who did not request a memorial service.

While Freemasonry continues to thrive in the Nipissing Muskoka District, there continues to be challenges related to membership participation and the advancement of brethren through the chairs. Ritual is generally average to above average with many talented and dedicated Masons delivering excellent ritual, however there has to be a move from the delivery by established members to that by the newer members. A few lodges are experiencing low membership and less than ideal participation with little or no officer progression. If this trend is not reversed we may see further amalgamations in the future.

I would like to thank all the Brethren of Nipissing Muskoka District for their ongoing support throughout the year, and special thanks to my District Secretary, W. Bro. Roy McIntosh, my District Pipers, W. Bro. Don Tripp and R.W. Bro. Matt Plant, and my District Chaplain and travelling companion R.W. Bro. Frank Richardson. I am especially thankful for my wife, Sharon for her endless support of my Masonic endeavours and her hard work in keeping my shirts and gloves cleaned and pressed.

#### **North Huron District – 8 Lodges**

**R.W. Bro. Keith P. Heydon**

Another successful year as the representative of our Grand Master for North Huron has come to an end. During a second term one comes to understand and build on the relationships with the brethren within and outside of his district.

North Huron is the second smallest in membership numbers but big in heart and this is proven time and time again with the generous donations and assistance given by the brethren.

The lodges completed a review of the membership and that would account much for the large drop shown in our numbers between December 2015 and December 2016. This was much needed as dues were being paid unnecessarily.

This year we held successful Friend to Friend gatherings which resulted in lodges gaining new members. Lodges that have not been able to perform degrees now found themselves with this new growth. Hopefully we are able to continue and build with this success for the 2018 year.

Attendance was higher for our eight Official Visits than the past year. The first Official Visits had at least one member from every lodge present. This did slow down during the second half of the Masonic year to much dismay. But the final Official Visit was very well attended and one of the largest we have seen in years.

We also were not able to hold our annual District Bonspiel for the second year in a row due to poor attendance. Severe weather also forced the cancellation of the Divine Service. In the New Year changes are expected to help alleviate and strengthen these important events.

In closing I would like to thank W. Bro. Perry Johns on the excellent manner he performed the duties of the District Secretary and all of the North Huron brethren that served as Chairmen of the District Committees. And thank you to all of the brethren that supported me personally and our North Huron District.

#### **Ontario District – 15 Lodges**

**R.W. Bro. John Wallace**

It has been a very busy second half of this term. We have many initiations which both myself, and the District Secretary have attended along with Official Visits and Installations in our District. I also had the opportunity of visiting Victoria & Toronto East Districts as well as other districts in Toronto, York, Humber and Don Valley. I was made very welcome at all these visits. It gave me an opportunity to promote visitation and fellowship in the

different Lodges.

I must commend the Lodge members for their efforts in raising funds for the District Project, Autism Spectrum Disorder. They have worked above and beyond at many tasks to ensure that the goal was met. I thank them personally for all their generous efforts.

I had the opportunity of giving out a few sixty year pins and awards over the course of the year, as well as giving Grand Honours to most of the recipients. We had the honour of giving Grand Honours to a recipient for his generous donation of blood, he has donated over 200 times in total.

On the musical side of Ontario District, our piping band has remained strong and growing. This enhances the social and fellowship portion of the evening. It is well received by all. We have coverage in the East and West of the District.

This year saw the establishment of a band called Cardinal Winds made up of members of the District who give their time and talents to help raise funds for the District and the District Project. They are always well received by Masons and the community at large.

All Lodges in Ontario District are on an upward path and are continuing to work towards greater things. All Official visits were done in an excellent and timely manner and all the Lodges worked well together to make sure that candidates progressed through degrees as quickly as they were ready to progress. All the candidates were well versed and schooled and it was indeed a privilege to witness their progress.

Visitation has been steadily increasing. The Lodges are putting on more and more social events which seems to cater for better fellowship for the brethren. A few Lodges still maintain their visits to the United States to enhance their fellowship and one of our Lodges celebrated their 160<sup>th</sup>. Birthday which was a tremendous success.

To all the Worshipful Masters and Lodge secretaries who worked very well to make sure all members were well informed and for making me welcome, I thank you.

Many thanks to Grand Lodge for their help and assistance and their council. It is deeply appreciated.

To the members of Ontario District, I would like to take this opportunity to thank them for the opportunity to hold the honour of this office. I was treated with the utmost respect and welcomed everywhere I went.

## **Ottawa District 1 – 15 Lodges**

**R.W. Bro. Brian P. Adams**

My first meeting of the New Year was with the Grand Master in Napanee Ontario on August 3<sup>rd</sup>. We started out the District year with a District Meeting August 24<sup>th</sup> right after returning from Grand Lodge.

In September I did 9 Fraternal visits to various lodges in my district. In October, I attended two Grand Lodge workshops in Ottawa, a Fraternal Visit to St. Francis Lodge in Smith Falls with the Grand Master, my first official visit and the Grand Master Homecoming Dinner. I had two more DD nights, an event in District Two, a Pig Roast, a study circle, a visit to the Prince Hall Lodge and the presentation of a V.W. apron to a new Grand Lodge Officer.

In November we held our District Divine Service, did a visit with the Grand Master to Prescott, 3 more DD nights, Remembrance Day at the Perley Hospital, a Daughters of the Nile luncheon and a Demolay Appreciation Night.

In December there was 5 Christmas dinners with lodges, a visit with the Grand Master to Brockville for the presentation of a 60 yr pin and a presentation with the Grand Master in Almonte for a 50 yr. pin.

January started out with the Mid-Term meetings in Pickering, a meeting with the Valentines Charity Ball committee and the winter District Meeting. This was followed by a DD night, 3 degree nights, a Robbie Burns Dinner and a Burns Supper with the Grand Master in Pembroke. There was also an OMA dinner.

In February there were two DD nights, 5 degree nights, a Robbie Burns night and the Valentine Charity Ball night (our major charity event for the District).

In March there were 2 DD nights, 4 other lodge nights (one to District Two), a degree, a curling bonspiel and another trip to the Prince Hall Lodge. Also, a MMS.

In April I had 3 DD nights, 2 MMS's, a Fraternal Visit with the Grand Master in Renfrew, the District Divine Service for Ottawa Two, a 6 lodges meeting and our Spring District Meeting.

In May there were 6 installations, my last DD night, 3 Eastern Tour nights, the Arctic Char Dinner at my lodge, a dinner with Goodwood Lodge, a MMS and a meeting with the Masonic Board of Relief.

In June there was 4 installations that I attended, an extra one at True Britons in Perth with the Grand Master, the Sussex Lodge 200<sup>th</sup> dinner with the Grand Master and the Quarry Lodge in Spencerville.

The highlight of my year was my DD night in my mother lodge when I had all 4 DD's from Eastern Ontario, a DD from the Grand Lodge of Quebec and Grand Lodge officers from Prince Hall Masons, Truly an historic night!

### **Ottawa District 2 – 12 Lodges**

**R.W. Bro. Michael J. Nagrodski**

The past Masonic year has been one of discovery. I discovered the sincere respect and esteem given to the DDGM by all the District's members. I learned the importance of a team approach to the DDGM position, as all the District committee chairmen and particularly the District Secretary, W. Bro. Marc Essiambre, performed their respective duties with great skill and dedication. I realized the generosity of the Ottawa 2 brethren, as in addition to the support given to the Grand Master's project, Ottawa 2 also strongly supported this year's District Charity, as over \$9,000 will be presented to the Ottawa Mission Foundation. Lastly, I had the opportunity to observe firsthand the local traditions and slight ritual variations unique to each Lodge. In hindsight, I now know why past DDGMs describe their year of service as such a pleasure and how the experience is truly the pinnacle of their Masonic careers.

Within Ottawa 2, the Cornerstone program has been enthusiastically adopted, as 10 of the 12 Lodges have currently achieved their Cornerstone designation and all are now actively working to maintain that status.

Naturally, Ottawa 2 suffers the same issues that challenge many of the Ontario Lodges. However, 3 of our Lodges, who have had past struggles, have become particularly interesting. Though each has a committed core of dedicated Masons, determined to bring about a renaissance of their Lodge, each has chosen a very different route. One has chosen to focus on upgraded festive board meals and improved ritual work. The second has devoted their efforts to imaginative festive board themes and extensive travel throughout the District. While the last one, in addition to arranging social family events, has committed to long range planning and continually refining their future goals. It's been quite remarkable to observe how such varied solutions have been successful within their respective Lodges, as each have seen improved attendance and several new candidates.

In addition to welcoming new members, Ottawa 2 is fortunate to have many long serving members. This past year saw several 50 year pins awarded; as well as a 60 year pin to an Ashlar Lodge member and a rare 75 year pin to a greatly respected Madawaska member.

In summary, though our numbers are greatly reduced from our past glory days, Masonry, through all its vicissitudes, remains strong in Ottawa District 2.

### **Peterborough District – 11 Lodges**

**R.W. Bro. Alan L. Baswick**

Coming off of the open house for the 300<sup>th</sup> Anniversary of UGLE celebration in June 2017, Peterborough District saw a nice upswing in new membership applications. This upswing was not evenly distributed amongst the District lodges and as a result some lodges were very busy this year while others were not. The open house at the Peterborough Temple

generated enough public interest that some brethren are of the opinion that we should be continuing this on a regular basis. Our District project for this year is to raise \$8000 for Kidney Research in Ontario in support of Bro. Ken Sharp, a member of Corinthian Lodge No. 101 and the longest surviving dialysis recipient in North America and possibly the world at 42 years receiving dialysis treatments.

My theme for this year was Unity, as I wanted to get the brethren working together in their lodges and together as a District. The Official Visits and Installation ceremonies were very well attended throughout the year and on a couple of Official Visits the East had seven or eight visiting Masters occupying the chairs. Peterborough District awards the Lighthouse trophy to the lodge with the most members attending the Official Visits and Installation ceremonies and this year it is being hotly pursued by Corinthian Lodge No. 101 and Clementi Lodge No. 313 which is experiencing a renewed comradery within its membership and regularly attends O.V.'s and Installations with anywhere from 7 to 17 members. The District Divine Service was well attended once again this year with some 55 Masons and family members participating. Peterborough District hosted the Grand Masters Reception this year and it was very successful with 125 in attendance. The Wednesday morning "coffee club" is still going strong as are numerous other District activities such as the Picton Breakfast Run, Sandy Flat Sugar Bush, Robbie Burns dinner and the Norwood Beef BBQ just to name a few.

A few lodges in the District have recognized the need to address the declining attendance at regular meetings and have conducted meetings on how to re-energize and strengthen their lodges. A couple of committees of passionate and dedicated Masons have also formed in response to the declining membership and attendance issues and are actively working to improve the situation in our District. In the month of May, Keene Lodge No. 374, held an "extinguishing the lights ceremony" as they have sold their building and will be moving to Millbrook where they will be "rekindling the lights" in September at the Masonic Temple there.

This has been a truly rewarding experience for me made possible by the brethren of Peterborough District and I thank them for their support. I also thank the District Committee Chairmen and District Secretary for their hard work and support this year.

### **Prince Edward District – 10 Lodges**

**R.W. Bro. Stewart Westhead**

This year has been one of the most exciting and educational years of my Masonic career. The cooperation of the lodge officers in the district in working to improve and grow is very encouraging and shows a solid future for the District. The Lodges have shown some new and unique ideas for raising funds to support our District Project [childhood mental health services]

The amalgamation of the lodges in this District has proved to be positive in attracting new members, although the effort should be continued to try to overcome the reduction of members caused by the aging and passing of many of our Brethren. It is my hope the Lodges in our District will take advantage of the many educational programmes offered by the Grand Lodge College of Freemasonry to strengthen the future of their Lodge. The efforts of most of the Lodges in including the communities when planning events will continue to have a positive effect on the stability of Freemasonry. With all the positive things happening, it must be mentioned the loss of one of our lodges buildings because of low membership and high cost. The building has been sold with members considering their future at this time.

In travelling throughout the District I was very impressed with the number of Brethren visiting all the districts official visits as well as other important events such as, long service pins and installations. I also had the pleasure of visiting Peterborough, St. Lawrence and Frontenac Districts with many of the same visitors. The Highlight of my visiting experience was the distinct pleasure of sitting in the East with the Grand Master on two occasions. Another enjoyable experience was attending the presentation of the certificate of completion of the College of Free Masonry Course to R.W. Bro. Chris Reid FCF with R.W Bro. John

Hay.

The cooperation and team effort of our District Chairmen has made this a year of pleasure and success. I wish to thank each and every one for their dedication to Freemasonry. A very special 'thank you' to the District Secretary W. Bro. Don Clare for the endless support and dedication to the craft. I am sure my job would have been much more difficult without his help.

### **St. Lawrence District – 17 Lodges**

**R.W. Bro. Michael Humes**

I have been deeply honored to have served as St. Lawrence District's representative to Grand Lodge as well as the representative of the Most Worshipful, The Grand Master, to our District.

Masonry is strong and alive throughout our District, however we continue to face challenges related to an aging membership, and a decline in new applications. The constitutional change from last year, requiring members 12 months in arrears to be suspended, has resulted in a net reduction of members when new initiations are considered. This trend of declining membership prevails throughout most of the Grand Jurisdiction.

An increasing number of our District Lodges continue to participate in the Cornerstone Project, which is viewed as a excellent way for Lodges to be all they can, to their members and their communities.

Our Blood-donor clinics were all well attended and we met our goal with Blood Services Canada.

The Masonichip Foundation of Ontario program was not as active, locally, as in recent years, however the clinics which were held were well attended.

The District hosted a seminar on "Mentoring" put on the Grand Lodge Seminars and Workshops Committee.

St. Lawrence District was honored to celebrate the bi-centennial anniversary of Sussex Lodge No. 5 in December, 2017, and will again celebrate another bi-centennial anniversary in September, 2018 with True Briton's Lodge No. 14, indicating a long and storied history of Freemasonry within the District.

Being from a neighboring District to where our Grand Master hails from has been a tremendous advantage and privilege this year, as I had the honored opportunity to sit in Lodge and attend various functions on numerous occasions with The Grand Master. The 17 Official Visits were well attended by visiting brethren, with excellent Festive Boards and Fellowship dominating the evenings.

As I prepare to leave this very, honored role, I would like to extend most sincere thanks to all members of the District, and in particular to the Worshipful Masters and Lodge Officers, who took on the responsibility of leading their Lodges towards "Greatness". I also wish to thank the District Chairmen for assuming responsibility and leadership in their designated areas. Lastly, a special Thank You to our District Secretary, W. Bro. Paul Smith, my brother and friend, for his assistance, companionship, and dedication to the Craft.

### **St. Thomas District – 9 Lodges**

**R.W. Bro. Douglas A. O'Neil**

It has been a distinct honor and privilege to serve as the District Deputy Grand Master of the St. Thomas District this past year.

During the year, it was with admiration, to present several pins to members attaining their 25, 50, and 60 years of Masonic membership, highlighted by presenting R.W. Bro. Bruce McLean with his 50-year Past District Deputy Grand Master's pin, in Dufferin Lodge, of Melbourne, Ont., attended by the Deputy Grand Master, R.W. Bro. David Cameron. Of special note, a 60-year membership pin and a 50-year Past Master's pin were presented to V.W. Bro. Donald Fick, of Malahide Lodge in Aylmer.

The District has been thankful that there has been more Initiations and Affiliations than those passing to the Grand Lodge above during the past year, which halts the decline of

membership for the time being.

St. Thomas District was pleased to take part in a Masonic Foundation of Ontario Day at Format Industries in St. Thomas in the fall, and an Educational Workshop held in the spring, put on by the London East and West Districts. Orientation Workshops for the Masters and Secretaries, from Grand Lodge, is soon to arrive, and is very much needed.

The privilege of hosting a Grand Master's Reception, to honor M.W. Bro. Paul E. Todd, took place in April. It was very successful, with several Districts represented.

As well as visiting the District Lodges, travelling to eleven other Districts was interesting and informative, with several DDGM's reciprocating.

Some of the Lodges continue with hosting numerous events for Masons and the public. The John Karn Fish Fry, is a highlight of the District in May, and was attended by over 500.

The District is not without the difficulties of declining membership, finances, poor attendance, and a general lack of interest. Officers and Masters are reluctant to accept additional duties of travelling around the District, visiting outside the District, and Workshops, to gain information and knowledge, pertaining to their positions. The Chairman of the Cornerstone Project, expresses that only one lodge in the District is involved, and would like to see a closing survey or questionnaire, to indicate any problems or difficulties with the Program.

I would like to thank the St. Thomas District, St. David's Lodge No. 302, the Chairmen, my Advisors, the District Secretary and his wife, and especially Jane, for their unending support during the past year. It has been an experience that I will cherish.

#### **Sarnia District – 14 Lodges**

**R.W. Bro. Peter M. Fisher**

To start off the report for Sarnia District I would like to say that I made an official visit to each lodge of the district. At each visit I was received last and alone and in proper form. The introductions were correct and I was honoured Grand Honours that were given correctly. I have additionally made fraternal visits to each lodge with some receiving additional visits for special occasions. The work that I have witnessed was for the most part done fairly well. The brethren do seem to want to present their best work.

The buildings all seem to be in good repair and they range from exceptional to fair. There were no building that I felt I would be in personal danger to enter. The insides were all well-kept and I did enjoy visiting them.

The finances of the lodges were mostly good while one or two are not well at all. The lodges in question appear to be doing their best to correct their situations. Unfortunately I do not believe that Sarnia will continue with the same number of lodges as at present.

The special events that I have been invited to were all well managed and pleasant events to attend. The annual Ladies Night was well attended and many from out of district made appoint to be in attendance. Victoria Lodge's hosting of Heritage Lodge was well attended.

The brethren have been generous by contributing to my select charity of choice. I would expect that when the final tallying is done that it will be a size contribution.

To sum up I believe that Masonry is alive and well and will continue to be for some time in the Sarnia district.

#### **South Huron District – 10 Lodges**

**R.W. Bro. Friedhelm Hoffmann**

The highlight of the year was the consecration of the new Observant Lodge, Templum Lucis No. 747 in Stratford, Ontario. It was a truly memorable event and beautiful ceremony presided over by the Grand master.

Besides the usual duties of the District Deputy Grand Master, I set the following goals:

### I. Inspiring and Vision

- A. 11 Official Visit Major Lodge Speeches that were relevant to Masonry and to the District with the goal to inspire the listener for a sober practical Vision for Masonry. The speeches were subsequently published on the District Website for all to enjoy and reflect upon.

### II. Revitalizing Integration & Communication

- A. Integration of our new Observant Lodge Templum Lucis into the District.
- B. Fraternal Visits to find out *the needs* of our individual District Lodges.
- C. Communication improvement between Lodges, Officers, Past Grand Lodge Officers and the District.

### III. Introducing Grand Lodge Programs

- A. To sign up every Lodge to the Corner Stone Project of Grand Lodge.

### IV. Ritual & Work

- A. Each Lodge encouraged to confer every Degree this year with or without candidate.

### V. Visiting other Districts (this was added after the year began)

A **District Mid-term meeting** was held in the winter where each Master presented the status and activities of their Lodge and discussions were held around the challenges that the Lodges face. A presentation on the Condition of Masonry was made by R.W. Bro. Locke. The well attended meeting refreshed our connection to each other.

I thank all the District Chairmen and Brethren that helped me with the work. I especially appreciate and recognize the commitments of the Masters of the Lodges.

**The Fraternal visits** gave me an overview and insight of the diverse Lodges in our District. Some Lodges are well financed and others are not so well. Some Lodges are very closed in but in good spirits with little community connections, others are very connected with community events. All Lodges show signs of membership issues but are committed to the future. ALL Lodges in the District signed up to the **Cornerstone Project** at the same time this year. This will hopefully have a good spin off for the District Dynamics as well. **Long Term planning** is most important for all Lodges. This is required by the cornerstone project and it is important that the “elephant” in the room at each lodge needs to be discussed. The requested **Ritual Work** was performed in most Lodges. Some did 1, some did 2 and some did all 3 degrees with and without candidates. There were several initiations to record. Through the year the **Official visits** were better attended and many guests from other Districts made their way to our District. My own **visiting** schedule averaged traveling 3.5 times per week both in and outside the District and totaled 130 visits and meetings. It has been a most rewarding year and hopefully a prosperous one for the Lodges in South Huron District.

### Sudbury-Manitoulin District – 9 Lodges

R.W. Bro. Rejean A. Daigle

The District started the year with 9 lodges, 6 located in the Belrock Masonic Centre in Sudbury and the other three being located in Espanola and two on Manitoulin Island. We saw National Lodge go dark in November of 2017 of which most members affiliated with Algonquin Lodge and a few with Nickel Lodge.

On May 26<sup>th</sup> Algonquin Lodge No. 536 amalgamated with Sudbury Lodge No. 658 to form City of Lakes Lodge No. 536 leaving 4 lodges in Sudbury. The Grand Master conducted the ceremony and was very pleased of the brethren's attitude towards the amalgamation. He was amazed on the large group of brethren present and attested it was the largest number of brethren attending an amalgamation he had ever seen or preceded over.

The joining of these two lodges will strengthen Masonry in general in the District as it was well received by all.

Ritual in the District remains above average and I have observed a small increase in younger members taking part in its delivery. All the lodges are financially sound but certain lodges still have an issue with officer progression and long term planning due to falling membership, further amalgamation may be required in the future to sustain health and growth in these lodges.

All lodges are active in the community with some growing vegetables in community parks to donate to the local soup kitchen others take part in local road cleaning and of course various masonic chip clinics. The weekly coffee club (Java Guild) every Tuesday is very popular in the District and well attended, 60 to 80 Masons attend regularly, there are various other fundraiser in Espanola and Manitoulin Island where they hold breakfast on Saturdays for the brethren and guests to enjoy.

The funds raised from these events help in maintaining the facilities and charitable organization in the District. The brethren who organize these functions are to be commended for their efforts. The District this year chose to support the expansion of the hospice and was well supported by all. The Sudbury Manitoulin District appears to be moving in the right direction for a healthy and positive growth.

### **Temiskaming District – 6 Lodges**

**R.W. Bro. Arvind K. Aggarwal**

#### **What worked well?**

First of all, it has been a privilege & honour to serve as the DDGM of Temiskaming. Currently, there are 6 lodges in the District, and I was able to schedule 5 of my official visits before the deadline for this report. All 5 official visits went well. I was also able to attend some other special events in the District, a gesture well received & appreciated by the brethren. Participation in activities such as laying wreath at the Cenotaph on Remembrance Day have a measurable impact in raising our public profile. Communication, mostly electronically, with the lodges in the district was also well received & appreciated.

#### **What did not work well?**

I took the Custodian's recommendation to heart & did not attend all the meetings of the lodges in the District, but 1 of the lodges that I am a member of kept on insisting that they would like me to attend more often. Other than the above, neither have I heard of or have had to face any kind of problems with any of the lodges; other than 1 recurring issue with 1 particular individual running into problems with his fellow masons. Most of the lodges seem to be in good stead, and have Initiated Candidates into Masonry or in the process of doing so; Degree Work that I have been able to witness personally. The 1 ongoing issue is of regular attendance by members. Some have moved out of the community even to far away places, but continue to maintain their membership. Others are either in ill health or too frail to attend the lodge meetings any longer. On the other hand, it has contributed to increased affiliation; masons belonging to more than 1 lodge. Visitation is also another important factor, which keeps the lodges in the district vibrant. There have been a couple of Masonic Funerals. There also has been 1 Masonichip Foundation of Ontario event.

#### **What action, if any, did you take?**

The District has had to recycle DDGMs for the last 3 years. I am pleased to report that my successor is in place, as well as, it looks promising for the next foreseeable future.

### **Toronto Don Valley District – 19 Lodges**

**R.W. Bro. Dan Sabourin**

It has been a privilege and an honour to serve as the District Deputy Grand Master of Toronto Don Valley. The love, support and hospitality that I have received from the Brethren has been quite humbling. I have enjoyed travelling our District and visiting our 19 Lodges. We have a unique experience in our District as we have many different communities inside our District. It has been so enjoyable for my wife Jennifer and I to attend

the social events of our District and being able to see firsthand how all of the Brethren and Families in Toronto Don Valley work together as a well oil machine. We really focused this year on making sure that we are providing our new Masons and the older ones the best Masonic experience that we can give them. This has consisted of having a great focus on the Banquet hour and how important that is to the Masonic experience. As a new Mason watching Brethren speak that have prepared them self well and speak in a way that intrigues them about our Craft has a very important impact on them.

The Brethren in Toronto Don Valley are working very hard on the P&E involving the Banquet and I have enjoyed them very much. We also had a great deal of focus on bringing in new members and we had a very successful F2F night where we had 81 men in attendance, and of that, 31 were not Masons and every single gentleman that came that night stayed afterwards. Many asked what the next step was. I'm very confident that we will receive many applications from that night.

We also had the great opportunity of hosting a Leadership Development Night. Where we had a panel of Grand Lodge Officers that did presentations on various subjects pertaining to Leadership and Freemasonry. There were 75 Masons in attendance. We were privileged to have the Deputy Grand Master R.W. Bro. David Cameron and R.W. Bro. Charles Woods the Leadership Development Chairmen for Grand Lodge in attendance. I look forward to helping serve my District in the future any way that I can. You have my utmost gratitude.

#### **Toronto East District – 18 Lodges**

**R.W. Bro. Ross E. McOuat**

The theme throughout my year as District Deputy Grand Master has been to try something different. This message has been well received and I am happy to report that most of the Lodges have started to do things differently. There has been an increase in social events and the way Lodges are utilizing social media to communicate with the younger brethren. This year Toronto East District completed all 18 Installations and Investitures and Official Visits. It is my pleasure to report that the District Lodges for the most part remain strong and in capable hands.

Pin presentations seem to be down this year, as well as attendance at Official Visits. This can be attributed to having mostly new Worshipful Masters in the East and them not understanding the importance of these events. I have encouraged the Past Masters of all Lodges to educate all of their newer brethren about the importance of these events.

With the change in Protocol that the District Deputy Grand Master introduces the District Secretary this has given me the opportunity to remind the brethren that he is THEIR Secretary. This came as a surprise to some of the newer brethren which has again, lead me to encourage the Past Masters to educate their newer brethren.

The Ritual has been performed satisfactorily throughout the Lodges and discrete guidance has been given to those Lodges where improvement is necessary. It has been noted that some Lodges require work on the basics (double or uncalled for salutes being an example) and this information and guidance has been passed on to those Lodges.

In Toronto East District there are a few Lodges that continue to struggle with either membership or financial issues. These Lodges have been encouraged to seek guidance from the appropriate Grand Lodge or District committees.

W. Bro. Mark Ingram -the District Secretary and I have been afforded the proper protocol on every occasion and as of now this has been the highlight of our masonic careers.

#### **Toronto Humber Valley District – 20 Lodges**

**R.W. Bro. Victor A. Tavares**

I am very proud to report that the condition of Masonry in the Toronto Humber Valley is moving in a direction that I would consider being that of quality and integrity to the tenants and principals of the craft. With many of our members being of a wide range of nationalities and age our district benefits from a broad spectrum of facilities that is hugely beneficial to the cultures of each of the Lodges.

In every case of the event that I visited a Lodge, I was always well received and made to feel at home, as were all the brethren travelling with me.

The majority of this year saw half the Lodges displaced due to the Arson attack at the Masonic at Weston. Eight of the Ten Lodges were taken in by the assistance of the Temple Board at the Etobicoke Masonic Center on Renforth Avenue, while the remaining two moved temporarily to the West Toronto Masonic Temple on Annette Street.

I would like to personally express my gratitude to the brethren of these Temple Boards and the Lodges who make these buildings their homes. Their assistance allowed Masonry within the Toronto Humber Valley to continue for these ten lodges without any delays or interruptions for the last Sixteen months.

The year was marked by two special events that opened and closed the year in a manner that celebrated the unity within our district.

The Brethren of Simcoe Lodge opened the year holding a very special meeting at Old Fort York that brought our district and beyond out to honour brethren who have served in our Armed Forces, Police Force, Fire Department and Emergency Medical Services. Not only was this a great way to start the year but a humbling experience to share a temporary Lodge room on a very historical landmark with so many men that have selflessly served this nation.

As the year wound down the Brethren of Humber Lodge received the Most Worshipful Grand Master and the Deputy Grand Master along with many members of the Board of General Purposes in the Rededication of the Weston Masonic Temple. Both these events were very well supported by a very large attendance from our district and beyond.

## **Toronto West – 22 Lodges**

**R.W. Bro. Gursharan S. Parmar**

Serving this term as the Grand Master's representative in the Toronto West was the greatest experience in my Masonic journey. Holding the office of the District Deputy Grand Master has been personal goal for many years. And it was pleasure to serve in the largest District in our jurisdiction.

During my travels, I had the pleasure to meet many old acquaintances and made several new friends.

I must thank all the Committee Chairmen for their hard work. They performed their duties well. I must thank the Chairman of my advisory board R.W. Bro. Douglas Roberts and his team for their guidance advice.

The interfaith Divine service hosted jointly with Toronto Humber and Don Valley Districts was the highlight of the year as more than 300 members, families and friends along with DGM and Past GM were in attendance. The chair of Masonichip Foundation of Ontario, Education and Blood Donor did an outstanding job by putting programs and clinics. The District Charity, Autism Spectrum Disorder Research, with different projects, raised funds for the Charity. Our youth groups, the DeMolay and Primrose also very active in the District. Thanks to all the chairmen and their teams.

Most of the Lodges are doing well, while some are struggling, but they are taking corrective actions, and talking to other Lodges for amalgamation. This will further strengthen the District and give chances to young and new members to advance in their Masonic carrier.

Numbers of new members have joined the Lodges and there are many new applications for joining the Craft, which are being worked on. But on the sad side 19 brothers have passed to the Grand Lodge above for which I attended 17 of the Masonic Funeral or Memorial Services. The other two families did not request for the service.

I would like to thank W. Bro. Matwinder Phull, District Secretary, for support, dedication and friendship, in carrying out duties of his office.

And finally I would like to thank my wife, Karambir and my daughters for without their love, patience and understanding, none of this would have been possible.

May the Great Architect of The Universe be with our Craft and bless all of us always.

**Victoria District – 14 Lodges****R.W. Bro. Brian D. Anderson**

To the Officers and Brethren of Victoria Lodge No. 398 I offer my sincere gratitude that you have afforded me the opportunity to serve you and the District as the District Deputy. You supported me and encouraged me throughout my term and for that I will be eternally grateful. On many of the cold nights during the winter the knowledge that you were going to be with me at the official visits added to the incentive for me to brave the winter and get out there. Your attendance at official visits has been exemplary and, as a result, Victoria Lodge has been awarded the George F. W. Inrig, Attendance Trophy.

To the other thirteen Lodges within our District I offer my most heartfelt thank you as well. My opportunity to represent the Grand Master at our Official Visits has been properly and respectfully attended to. Every Lodge within our District made an obvious and concerted effort to follow the protocol as set out by Grand Lodge. That exceptional effort was noted and appreciated.

One of the duties of the D.D.G.M. at his official visit is to appraise the work done in the Lodge. The quality of the floor work in Victoria District was very good overall. There were of course, a few that were exemplary, and a few that were obviously struggling. This is to be expected. I will say however that the effort, put into the ceremonies, was always high and that if there was a problem it was not from lack of effort by the Brethren.

Victoria District has chosen the City of Kawartha Lakes Children's Foundation as its District Charity this year. This charitable organization is totally self supporting and receives no Government funding. They provide all the extra funding for children in the Foster Care System. Simply put the C.A. provides for food and lodging but any extracurricular activities (Piano, dance, hockey, sports, summer camp, etc.) is paid for through the Children's Foundation. Fund raising for this has gone very well and we hope to donate several thousands of dollars.

Victoria District was honoured this year with the appointment of four Grand Stewards, including our District Secretary. I was privileged to be given the honour of investing three of the G.S. with their regalia. We were again honoured with the election of our own R.W. Bro. Nicholas Pawluch as Grand Senior Warden.

During my year I was given the sad duty of attending nine Masonic Memorial Services and one Memorial Service in the Lodge room. As our Brethren age, this becomes more and more common. We will cherish them in our hearts.

We held our Divine Service on May 27<sup>th</sup> at Saint Andrews Presbyterian Church in Bolsover. There was an excellent turnout and our Dist. Chaplin and I took part in the service.

We are having a District Ladies Night this year that will take the form of a Dinner Cruise on Lake Couchiching. We had an opportunity to receive the Grand Master last year when he was the Deputy and thought that this year we would show our ladies, exclusively, just how much they mean to us. We also opened the cruise up to friends and family to broaden our exposure.

I want to thank my good friend and our District Secretary William (Bill) McLeish. His guidance and support throughout the year has made my job possible and kept the wheels on the cart. Bill has soldiered on through some health issues this year and has never once dropped the ball. I will be honoured to invest Bill with the regalia of a Grand Steward.

In closing I want to say that this has been a wonderful experience that I will treasure forever. I would recommend this to anyone who has the time to fulfil the responsibilities.

**Waterloo District – 12 Lodges****R.W. Bro. Frederick C. Gregory**

In Waterloo District we have 12 Lodges one of which is a "Daylight" Lodge meeting on a Saturday morning. These Lodges share 4 meeting places. In Elmira Glenrose Lodge owns the facility where they meet. The Lodges in Baden (Wilmot Lodge and New Dominion Lodge) rent the upper floor of Livingston Presbyterian Church for their regular meetings

and rent the lodge facility in Elmira for their Installations and Official Visits. In Cambridge there are 5 lodges which meet at the Cambridge Masonic Center and in Waterloo there are 3 Lodges all meeting at the Waterloo Masonic center. The Daylight Lodge meets half of the year in Cambridge and half of the year in Waterloo. The Lodges in Baden are outgrowing the meeting place which they are using, the Cambridge Masonic Center does not have a proper banquet facility and in Waterloo were it not for the fact that they have a lot of outside rentals they would not be able to afford to stay in the facility. Currently a subcommittee of the “Masters and Wardens Association” is investigating the desirability and the feasibility of amalgamating the meeting place under one roof. I wish them success in their researches and united endeavours.

Without naming them I would say that some of our Lodges are not all that healthy, while most are doing well, some are not, the difference is this – the Lodges using the “Cornerstone Project” are doing well, in fact a few that have been on the project for several years are thriving. Of course it takes more than following the “Cornerstone Project” – those lodges with active social programs are attracting new members and are “green and growing”.

We had a couple of unfortunate incidents in the District this year where candidates were rejected for questionable motives, this was very distressing to the Brethren as well as the applicants, I urge the Brethren to put aside personal biases and think of the good of the Craft when exercising their franchise.

It has been a great honour to serve as the Grand Masters representative to Waterloo District for the 2017 – 2018 cycle, I thank the Brethren of Waterloo District for giving me this privilege.

### **Wellington District – 11 Lodges**

**R.W. Bro. Gregory N. Insley**

I would like to begin by thanking the brethren of Wellington District for electing me to serve in the office of DDGM.

This year, our district goals were to increase visitation and increase our number of blood donations. I am proud to report that we were successful with both.

Wellington District has had an informal email communication group called, “The Wel-list,” for many years now. It was started by R.W. Bro. Cal Christie in the late 1990’s and has been his personal labour of love ever since. This year it has received a facelift, and with the benefit of an online software tool and a few district members it is now an updated method of communication meeting all Constitutional requirements. The brethren of Wellington District and I thank R.W. Bro. Christie for his years of dedication to District communications.

The eleven lodges are in stable condition. They are either “Healthy” or on an upward trend.

Visitation has once again become a vibrant part of life in Wellington District this year. The Worshipful Masters led by example and traveled near and far, while encouraging their membership to join them. The District was fortunate to have many DDGM’s and Members of the Board of General Purposes from districts across the Grand Jurisdiction making visits to our lodges this year which also helped encourage visitation.

Within the district, many 25 and 50-year pins were presented this year. Of particular note, Waverley Lodge No. 361 invited R.W. Bro. David J. Cameron, Deputy Grand Master, and myself to present Brother John Marr with his 70-year pin. Walker-Friendship Lodge No. 321 also presented a 60-Year pin to R.W. Bro. Keith Wellstead (DDGM 1989).

Waterloo and Wellington Districts once again held a joint District Divine Service. It was an enjoyable multi-faith service and the respective District Chaplains are to be commended for their efforts.

I also extend my thanks to the District Secretary, W. Bro. Robert W. Gray, for his hard work and dedication to the office. His attention to detail made my term as DDGM much more enjoyable.

This year is definitely one of the highlights in my Masonic adventure.

### **Western District – 10 Lodges**

**R.W. Bro. Colin B. McFayden**

10 lodges, one official visit each and 4000+ km travelled on two-lane, mostly snow covered highway. New CHIP program with \$7500 raised, one DDGM Orientation session (first in 20+years), fall business meeting (first on record), spring district meeting/election and presentation from the Chairman on the Condition of Masonry.

Masons in the Western District can be a different animal compared to our Southern brethren in terms of demographics, interests, priorities and our ability to partake in some aspects of the organization of Freemasonry.

Regular visitation is a challenge due to the distances. We generally cannot participate in the many Masonic events that happen in Southern areas because they simply don't happen here.

Often, the health of a lodge is benchmarked against the 'average' conditions of all Lodges in Ontario. The 'average' is very far away from our experience of Freemasonry in Northwestern Ontario. It is akin to comparing an elephant to a woolly mammoth, they are related and kind of look the same...but in very different places (ignore that one is extinct).

Lodges in Western District can be fiercely independent (and rightly so). The challenges we face, we often face alone or with infrequent in-person involvement from other lodges or Grand Lodge. Our population is highly transient and our boom/bust resource economy is prone to surges and contractions of the population where mines and mills employ many of our brethren.

What I observed in Western District this year, however, is a zeal for the craft, compassion for our communities and the willingness to keep the candle in the window for the next generation.

#### **We have good Masons.**

Our priorities in the craft may be different lodge to lodge and mason to mason, but that diversity is what the experience is all about. We have masonic ritualists, educators, philosophers, and even bureaucrats. Most lodges are investing in the next generation and the future looks bright.

Thank you to all the brethren, the District Chairmen, special thanks to DDGM Mentor RW Bro. D. Whitten, W. Bro. C. Marchand and Bro. Isaac Kiewning the District Secretary. If you ask how Freemasonry is doing in Western District? "We are doing pretty well."

### **Wilson North District – 10 Lodges**

**R.W. Bro. Joel F. Sawyers**

At the beginning of my term as District Deputy Grand Master I was advised how quickly the year would come and go. So it has and what a tremendous opportunity it has been for me.

Unfortunate my year commenced, presiding over a memorial service, with six more to follow. These Brethren are greatly missed.

On a happier note I attended many 25, 50 and 60 year pin presentation some of which the families were in attendance.

Most Lodges within the District performed degree work, although it would have been nice to have seen more. The work I witnessed was done satisfactorily and with enthusiasm.

Wilson North and Wilson South worked together to co-ordinate an educational seminar evening in November, 2017 and a Divine service in 2018, both of which were well attended. Three Grand Lodge members gave of their time to speak at the seminar. I wish to thank these Brethren and Grand Lodge for their support. The Brethren of Wilson North and South Districts, in conjunction with the Masonic Association of the Wilson Districts and the D.D.G.M's were successful in amalgamating into one district, "The Wilson District." By being proactive The Wilson District has been instrumental in determining their Masonic future.

Thank you to all the Brethren for your continued support to the district charity "Be Safe App – Year 2." Through your generosity this program is now paying dividends as it provides help to our youth.

Visitation was a large and significant part of my year. I visited ten Districts outside of Wilson North while continuing to do fraternal visits within the District. I established many new friendships enriching my term as D.D.G.M and my Masonic future. As Masons we all should strive to visit as much as possible. Visiting is so vital to our fraternity.

In closing I would like to thank all the Lodges that included me in their social events throughout the year and made me so welcome on each of my official and fraternal visits.

To all my advisers and chairmen of the District Team, thank you for your time and dedication.

Special thanks to the District Secretary, W. Bro. Kent Cunnington for his dedication to the Wilson North District and for all the assistance he provided to me over my term as District Deputy Grand Master.

### **Wilson South District – 8 Lodges**

**R.W. Bro. James C. Withington**

We started the year down 2 Lodges with the formation of a new Lodge Three Great Lights. It was formed with the amalgamation of 3 Lodges. The amalgamation went very smoothly with the assistance of R.W. Bro. Tom Siemienik.

I made 42 visits within the district and found the degree work to be almost perfect in all degrees. To the end of April there were 12 Entered Apprentice degrees, 10 Fellow Craft degrees and 10 Master Mason degrees. I am proud to say I attended most of them. I also made 43 visits out of the district to 17 Districts.

Once again, our District Charity was Camp Trillium – Rainbow Lake. The Brethren of Wilson South were most generous and we raise in excess of \$13,000.00.

Wilson North and South hosted a seminar with B2B – V.W. Bro. Dan Hutt, Cornerstone – R.W. Bro. Art Di Cecco and Youth Initiative – R.W. Bro. Les Armstrong. This was very well attended and had excellent speakers.

We had our first Ladies Night in January which was well attended and enjoyed by all including the Deputy Grand Master our guest speaker for the evening.

With the District now at eight lodges, I began to sell the idea of amalgamating with Wilson North to form Wilson District again. This idea went over well in the District and was presented to Wilson North where it was well received. At the first meeting of the Wilson Association, the motion of Amalgamation was tabled and got approval. It was taken back to the Lodges for a vote and at the spring meeting of the Association it was determined that a minimum of 82% of the Lodges were in favour of Amalgamation. The final vote of May 23

There are two Lodges looking to Amalgamate in Wilson South and talks are ongoing.

I am pleased with the over quality of work done in the Lodges and the increase in the amount of visiting.

I found all Grand Lodge Officers very helpful especially the Grand Secretary, The Custodian of the Works, The Deputy Grand Master and R.W. Bro. Tom Siemienik.

In closing the Condition of Masonry in Wilson South is alive and well and the future for the New District looks great.

### **York District – 19 Lodges**

**R.W. Bro. Librado Ibe Jr.**

I would like to thank the brethren of York District for electing me as District Deputy Grand Master for the masonic year 2017 – 2018. I am deeply honoured and humbled for this opportunity to serve as the representative of the Grand Master in York District.

It has been a busy year for me and the District Secretary. We visited 19 Lodges housed in 12 buildings within the District and I am happy to report that Masonry in York District is strong and thriving.

To date, we have more than 95 new applicants interested in joining the Fraternity in York District alone. We have witnessed some of them initiated, passed and raised during my Official Visits. I wish they will all continue their masonic journey and display the dignity and high importance of Freemasonry. This marked increase in interest to join our Fraternity may be an indication that membership in our Fraternity is on the rise. I can also attribute this increase in membership to the Cornerstone Program to which more than 50% of the Lodges in York District have signed in.

As there are pluses in our membership, there are also minuses. Some of our Lodges have to suspend delinquent members in compliance with the new edict from Grand Lodge. This correction is essential in keeping our Lodges financially viable.

On the Official Visits, I have observed that the rituals and protocols in York District are at an above-average level and with the exception of a few Lodges, most of our Lodges in York District are financially stable. They are all active in their own community and have participated in the annual parades and other community events where they can display Freemasonry at its best.

In closing, I would like to thank the District Chairmen of the various committees for their dedication and hard work. I would also like to thank all the brethren who has supported all the District Events and help promote Masonry in the District.

I would like to thank the District Secretary, W. Bro. Khasho Bannayan, for his support and encouragement as well as his company on my Official Visits.

Lastly, to my wife Josie, thank you for your understanding and support throughout the year and I love you.
